Redneck Liberal Theodore G Bilbo And The New Deal:

Redneck Liberal Chester M. Morgan,1985-01-01 **Fear Itself: The New Deal and the Origins of Our Time** Ira Katznelson,2013-03 An exploration of the New Deal era highlights the politicians and pundits of the time many of whom advocated for questionable positions including separation of the races and an American dictatorship Rednecks, Redeemers, and Race Stephen Cresswell,2021-01-15 Mississippi saw great change in the four decades after Reconstruction Between 1877 and 1917 the state transformed Its cities increased rapidly in size and saw the advent of electric lights streetcars and moving pictures Farmers diversified their operations sharply increasing their production of corn sweet potatoes and dairy products Mississippians built large textile mills in a number of cities and increased the number of manufacturing workers tenfold But many things did not change In 1917 as in 1877 Mississippi was a top cotton producer and relied more heavily on cotton than on any other product In 1917 as in 1877 the state had troubled race relations and was all too often the site of lynchings and race riots Compared with other states in 1917 Mississippi was near the bottom of the list for length of the school year for percentage of farms that boasted tractors and for the number of miles of paved or gravel roads Mississippi was the least urban and most agricultural state in the nation Rednecks Redeemers and Race Mississippi after Reconstruction 1877 1917 examines the paradox of significant change alongside many unbroken continuities It explores the reasons Mississippi was not more successful in urbanizing in industrializing and in reducing its reliance on cotton The volume closes by looking at events that would move Mississippi closer to the national mainstream **The Dixiecrat Revolt and the End of the Solid South, 1932-1968** Kari Frederickson,2003-01-14 In 1948 a group of conservative white southerners formed the States Rights Democratic Party soon nicknamed the Dixiecrats and chose Strom Thurmond as their presidential candidate Thrown on the defensive by federal civil rights initiatives and unprecedented grassroots political activity by African Americans the Dixiecrats aimed to reclaim conservatives former preeminent position within the national Democratic Party and upset President Harry Truman s bid for reelection The Dixiecrats lost the battle in 1948 but as Kari Frederickson reveals the political repercussions of their revolt were significant Frederickson situates the Dixiecrat movement within the tumultuous social and economic milieu of the 1930s and 1940s South tracing the struggles between conservative and liberal Democrats over the future direction of the region Enriching her sweeping political narrative with detailed coverage of local activity in Alabama Louisiana Mississippi and South Carolina the flashpoints of the Dixiecrat campaign she shows that even without upsetting Truman in 1948 the Dixiecrats forever altered politics in the South By severing the traditional southern allegiance to the national Democratic Party in presidential elections the Dixiecrats helped forge the way for the rise of the Republican Party in the region **Mississippi** Westley F. Busbee, Jr,2015-01-20 The second edition of Mississippi A History features a series of revisions and updates to its comprehensive coverage of Mississippi state history from the time of the region s first inhabitants into the 21st century Represents the only available comprehensive textbook on

Mississippi history specifically for use in college level courses Features an engaging narrative mix of topical and chronological chapters Includes chapter objectives that may be used by professors and students Offers coverage of Mississippi s major political economic social and cultural developments Presents two entirely new chapters on important 21st century developments in Mississippi Contains expanded coverage of slavery in Mississippi history Includes completely up to date chapter sources selected bibliography and subject index

Dirty Deals? Amy Handlin,2014-09-16 An encyclopedia unlike any other this work focuses on lobbying corruption and political influence in America to inspire readers to think critically about the U S government and to appreciate the opportunities of citizenship Even before the founding of the Republic James Madison expressed the concern that special interest influence could become adverse to the rights of other citizens as well as the permanent and aggregate interests of the community In modern times examples of lobbying scandals and corruption associated with political campaign contributions abound and yet our political system can and does further the larger goals of American democracy Suited for advanced high school students undergraduates and general readers this set examines the three powerful forces that affect every level of government but typically operate out of public view This three volume work exhaustively covers the evolution and impact of lobbying political influence and corruption from the Colonial era to today Volume 1 contains detailed scholarly essays on various aspects of lobbying corruption and political influence Volume 2 comprises informative A Z entries on people events laws organizations and legal decisions The entries demonstrate the linkages among the topics but give equal attention to each as an independent influence on U S government and politics Developments since 1990 and the extensive proliferation of the Internet and social media receive additional emphasis Volume 3 contains primary documents that include executive orders court cases state and federal lobbying forms and codes of conduct related to lobbying campaign finance reform and anti corruption measures

American Studies Jack Salzman,1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology

Faulkner's County Don Harrison Doyle,2001 This history of Lafayette County Mississippi uses William Faulkner s rich fictional portrait of a place and its people to illuminate the past From the arrival of Europeans in Chickasaw Indian territory in 1540 to Faulkner s death in 1962 Doyle chronicles more than four centuries of local history 27 illustrations 3 maps

Washington Tom Lewis,2015-10-13 On January 24 1791 President George Washington chose the site for the young nation s capital ten miles square it stretched from the highest point of navigation on the Potomac River and encompassed the ports of Georgetown and Alexandria From the moment the federal government moved to the District of Columbia in December 1800 Washington has been central to American identity and life Shaped by politics and intrigue poverty and largess contradictions and compromises Washington has been from its

beginnings the stage on which our national dramas have played out In Washington the historian Tom Lewis paints a sweeping portrait of the capital city whose internal conflicts and promise have mirrored those of America writ large Breathing life into the men and women who struggled to help the city realize its full potential he introduces us to the mercurial French artist who created an ornate plan for the city en grande members of the nearly forgotten anti Catholic political party who halted construction of the Washington monument for a quarter century and the cadre of congressmen who maintained segregation and blocked the city s progress for decades In the twentieth century Washington s Mall and streets would witness a Ku Klux Klan march the violent end to the encampment of World War I Bonus Army veterans the 1963 March on Washington for Jobs and Freedom and the painful rebuilding of the city in the wake of Martin Luther King Jr s assassination It is our national center Frederick Douglass once said of Washington DC it belongs to us and whether it is mean or majestic whether arrayed in glory or covered in shame we cannot but share its character and its destiny Interweaving the story of the city s physical transformation with a nuanced account of its political economic and social evolution Lewis tells the powerful history of Washington DC the site of our nation s highest ideals and some of our deepest failures The White House Looks South William Edward Leuchtenburg,2005 At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect people s lives and that presidents can be change makers Jacket
