Ending Spouse/Partner Abuse Robert Geffner,Carol Mantooth,1999-10-06 This clinician s manual and workbook were developed to provide alternatives in the efforts to reduce the national epidemic of spouse partner maltreatment Geffner and Mantooth describe a model incorporating several theories and approaches of psychotherapy while focusing on abuse as a primary issue The program and techniques have been used and improved for more than 15 years in programs across the country The clinician will receive a comprehensive intervention program that includes 26 weekly sessions that address how to initiate the foundations for a therapeutic relationship communicate and express feelings teach self management and assertiveness techniques discuss intimacy issues and implement a relapse prevention program Each session contains brief intervention techniques handouts and homework assignments The advantage of this approach is its flexibility Modifications to the order in which the sessions are conducted can be made by trained clinicians to fit the needs of their clients *Ending Spouse/ Partner Abuse Spanish Workbook* Marie Hanson,Robert Geffner,Carol Mantooth,Araceli Cabarcas-Mimms,1999-06 This clinician s manual and workbook were developed to provide alternatives in the efforts to reduce the national epidemic of spouse partner maltreatment The authors describe a model incorporating several theories and approaches of psychotherapy while focusing on abuse as a primary issue Reducing Spouse/Partner Abuse Robert Geffner,1999-06 This clinician s manual and workbook were developed to provide alternatives in the efforts to reduce the national epidemic of spouse partner maltreatment The authors describe a model incorporating several theories and approaches of psychotherapy while focusing on abuse as a primary issue *Workbook to Accompany Ending Spouse/Partner Abuse* Robert Geffner, PhD,Carol Mantooth, MS,1999-10-05 This clinician s workbook is designed to accompany and supplement the main volume *Ending Spouse Partner Abuse* It includes forms questionnaires and various handouts **The Battered Woman Syndrome** Lenore E. Walker,2001-07-26 In this latest edition of her groundbreaking book Dr Lenore Walker has provided a thorough update to her original findings in the field of domestic abuse Each chapter has been expanded to include new research The volume contains the latest on the impact of exposure to violence on children marital rape child abuse personality characteristics of different types of batterers new psychotherapy models for batterers and their victims and more Walker also speaks out on her involvement in the O J Simpson trial as a defense witness and how he does not fit the empirical data known for domestic violence This volume should be required reading for all professionals in the field of domestic abuse For Further Information Please Click Here *Family Interventions in Domestic Violence* John Hamel,Tonia Nicholls,2006-09-26 In this exciting new book John Hamel author of the ground breaking *Gender Inclusive Treatment of Intimate Partner Abuse* and Tonia Nicholls go beyond the traditional intervention theories of domestic violence practiced today Offering alternative unbiased and sometimes controversial views theories and current research they along with renowned contributors in the field provide new treatment options that encompass a wide range of gender dynamics Here are just some of the key principles covered

Interventions Should Be Based on a Thorough Unbiased Assessment Victim Perpetrator Distinctions are Overstated and Much Partner Abuse is Mutual Regardless of Perpetrator Gender Child Witnesses to Partner Abuse are Adversely Affected and are at Risk for Perpetrating Partner Abuse as Adults This new gender inclusive approach to assessment and intervention provides a significant departure from traditional paradigms of domestic violence and offers a much needed awareness to effectively prevent violence in our communities today and for future generations *Psychological Abuse in Violent Domestic Relations* K. Daniel O'Leary, PhD, Roland D. Maiuro, PhD, 2001-01-17 This volume addresses the importance of measuring psychological abuse and shows that psychological aggression can be reliably measured Part I identifies measurement issues and contains several scales and inventories for measuring psychological maltreatment Part II discusses the interpersonal dynamics with specific populations including battered women low income women and African American women This remains an important resource in the field of domestic violence *Sexual Violence on Campus* Allen J. Ottens, PhD, Kathy Hotelling, PhD, ABPP, 2000-12-14 This is a somber reminder that sexual aggression violence and rape are chronic and serious problems on college campuses today The volume proposes proactive strides toward stopping such violence It addresses the role of alcohol and rape includes the latest information on club drugs and drug facilitated rape and explores the special issues surrounding gay lesbian and transgender violence Chapters also address changing the culture found in and often fostered by fraternities and sororities as well as some athletic teams It puts forward constructive strategies for preventing sexual assault managing anger group counseling for survivors and more This book will aid counselors and administrators in understanding and stopping sexual assault on college campuses across the country **Domestic Violence Offenders** Alan Rosenbaum, 2014-01-02 Women s shelters and safe houses were a good first step but they only address part of the problem Learn what else must be done to address the problem of domestic violence Domestic Violence Offenders presents recent research current interventions and legal standards for people arrested for domestic violence It also addresses the controversies that have arisen in the wake of the mandatory standards for batterer interventions that have been established by various jurisdictions examining the type of treatment modality and content permitted by various jurisdictions the duration of treatment and the relationship of the various standards to actual research This essential book also provides suggestions for a more inclusive less rigid process for creating standards and policies for use with this population Handy tables and charts make the information easily accessible From the editors The initial societal response to intimate partner violence was the development of the shelter movement for battered women Women s shelters and or safe houses developed in almost all major population areas throughout the United States and abroad The goals were to provide a safe environment for abused women and their children to offer advocacy counseling and medical services and to empower women to leave their abusers While shelters continue to serve these and other critical needs and are an essential part of the service delivery system for battered women they address only part of the problem Left untreated batterers often will continue to abuse their partners

who leave shelters and return to the relationship If their partners leave the relationship the batterers may find new victims to abuse The response to this harsh reality was the development of batterer intervention programs Domestic Violence Offenders provides you with informed discussions of the implications of research and policies for those providing interventions why it is premature for states to establish certain rigid standards for batterer programs and how some of the current standards may produce more harm than good the history of batterer intervention programs completion and recidivism among court and self referred batterers the Alternatives to Violence program and the experiences and perceptions of its founder common aspects of various intervention programs confidentiality group structure and length partner contacts leadership configuration and program goals topics addressed by most programs power and control anger management substance abuse stress reduction parenting communication and more the controversial and often misunderstood issue of female partner aggression and violence the Stages of Change approach to domestic violence treatment lethality assessment and safety planning for partners of batterers the advantages of conjoint therapy for certain types of cases the Illinois Protocol for batterer programs outcome research on programs for batterers and a great deal more Ending Spouse/ Partner Abuse Clinician's Manual with Spanish Workbook Robert Geffner,Carol Mantooth,1999-06 This clinician s manual and workbook were developed to provide alternatives in the efforts to reduce the national epidemic of spouse partner maltreatment The authors describe a model incorporating several theories and approaches of psychotherapy while focusing on abuse as a primary issue
