Reel From The Life Movie:

Reel from "the Life-movie" Anthony MacNeill, 1975 **Indie, Inc.** Alisa Perren, 2012-05-15 During the 1990s films such as *sex lies and videotape* *The Crying Game* *Pulp Fiction* *Good Will Hunting* and *Shakespeare in Love* earned substantial sums at the box office along with extensive critical acclaim A disproportionate number of these hits came from one company Miramax Indie Inc surveys Miramax's evolution from independent producer distributor to studio subsidiary chronicling how one company transformed not just the independent film world but the film and media industries more broadly As Alisa Perren illustrates Miramax's activities had an impact on everything from film festival practices to marketing strategies talent development to awards campaigning Case studies of key films including *The Piano* *Kids Scream* *The English Patient* and *Life Is Beautiful* reveal how Miramax went beyond influencing Hollywood business practices and motion picture aesthetics to shaping popular and critical discourses about cinema during the 1990s Indie Inc does what other books about contemporary low budget cinema have not it transcends discussions of American indies to look at the range of Miramax released genre films foreign language films and English language imports released over the course of the decade The book illustrates that what both the press and scholars have typically represented as the rise of the American independent was in fact part of a larger reconfiguration of the media industries toward niche oriented products F. Scott Fitzgerald on Silent Film Martina Mastandrea, 2022-08-15 F Scott Fitzgerald on Silent Film recalibrates the celebrated author's early career and brings fresh understanding to the life of one of America's truly great literary figures Scholars have previously focused on Fitzgerald's connection with Hollywood when he worked in Tinseltown as a screenwriter in the 1930s However this ground breaking research reveals the key role that Silent Hollywood played in establishing Fitzgerald's burgeoning reputation in the early to mid 1920s Vividly written and drawing on a wealth of new sources this book documents Martina Mastandrea's exciting discovery of the first film ever adapted from a work by Fitzgerald The Billboard, 1926 **Reading Programs for Young Adults** Martha Seif Simpson, 1997-07-15 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as *Cartoon Cavalcade* *Log On at the Library* *Go in Style* *Cruising the Mall* *Space Shots* *Teens on TV* and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **Negotiation & Dispute Resolution** Beverly J.
