Reflections On The Philosophy Of The History Of Mankind:

Reflections on the Philosophy of the History of Mankind Johann Gottfried Herder, 1968 Ideas for the Philosophy of the History of Mankind Johann Gottfried Herder, 2024-02-27 One of the most important works of the Enlightenment in the first new unabridged English translation in more than two centuries Published in four volumes between 1784 and 1791 Herder's Ideas for the Philosophy of the History of Mankind is one of the most important works of the Enlightenment a bold original and encyclopedic synthesis of and contribution to the era's philosophical debates over nature history culture and the very meaning of human experience This is the first new unabridged English translation of the Ideas in more than two centuries Gregory Martin Moore's lively modern English text extensive introduction and commentary bring this neglected masterpiece back to life The Ideas which engages with many of the leading thinkers of the eighteenth century such as Montesquieu Kant Gibbon Ferguson Buffon and Rousseau is many things at once an inquiry into the unity and purpose of history a reflection on human nature and the place of humans in the cosmic order an examination of what was beginning to be called culture and a narrative of cultural progress across time among different peoples Along the way Herder considers a dizzying variety of topics including the formation of the earth and solar system species change race the immortality of the soul the establishment of society and the pursuit of happiness Above all the Ideas is an anthropology what Alexander Pope had termed an essay on man pervaded by an appropriately humane spirit A fresh and much needed modern translation of the complete Ideas this volume reintroduces English readers to a classic of Enlightenment thought **Reflections on the Philosophy of the History of Mankind** Johann G. Herder, 1968 *Reflections on the philosophy of the history of mankind* Johann Gottfried von Herder, 1968 *Reflections on the philosophy of the history of mankind, abridged and with an introd* Johann Gottfried Herder, Frank Edward Manuel, **Reflections on the Philosophy of the History of Mankind** Johann Gottfried Herder, 1968 **Social Science Quotations** Robert Merton, 2018-04-27 Social Science Quotations has been prepared to meet an evident unmet need in the literature of the social sciences Writings on the lives and theories of individual social scientists abound but there has been no fully documented collection of memorable quotations from the social sciences as a whole The frequent use of quotations in scientific as well as literary writings that are mere summaries or paraphrases typically fail to capture the full force of formulations that have made quotations memorable This book of quotations invites the further reading or rereading of the original texts beyond the quotations themselves Sills and Merton draw extensively upon the writings that constitute the historical core of the social sciences and social thought those works with staying power often described as the classical texts Many quotations have been drawn from these classical texts because the quotations contain memorable ideas memorably expressed Both consequential and memorable these words have been quoted over the generations entering into the collective memory of social scientists everywhere and at times diffusing into popular thought and into the vernacular as well This book is useful to social scientists anthropologists economists historians political

scientists psychiatrists psychologists sociologists and statisticians and for all who want to learn or verify memorable formulations and phrases concerning social thought and social theories It is particularly useful for graduate students taking courses that examine the history of their discipline **The New Salmagundi Reader** Robert Boyers, Peggy Boyers, 1996-10-01 The New Salmagundi Reader comprises forty three pieces in subject categories such as the Sense of the Past Homelands Writers The Art Scene Politics and Varieties On Voluntary Servitude Michael Rosen, 2016-03-23 This book addresses a central theme in social and political theory what is the motivation behind the theory of ideology and can such a theory be defended **Anthropology and Antihumanism in Imperial Germany** Andi Zimmerman, 2010-02-15 With the rise of imperialism the centuries old European tradition of humanist scholarship as the key to understanding the world was jeopardized Nowhere was this more true than in nineteenth century Germany It was there Andrew Zimmerman argues that the battle lines of today s culture wars were first drawn when anthropology challenged humanism as a basis for human scientific knowledge Drawing on sources ranging from scientific papers and government correspondence to photographs pamphlets and police reports of freak shows Zimmerman demonstrates how German imperialism opened the door to antihumanism As Germans interacted more frequently with peoples and objects from far flung cultures they were forced to reevaluate not just those peoples but also the construction of German identity itself Anthropologists successfully argued that their discipline addressed these issues more productively and more accessibly than humanistic studies Scholars of anthropology European and intellectual history museum studies the history of science popular culture and colonial studies will welcome this book
