The Lover's Progress David Solway, Marion Wagschal, 2001 Between 1733 and 1735 William Hogarth produced a series of paintings and engravings under the title of *A Rake's Progress* which became perhaps his best known and most admired work In this sequence he told a story of a young parvenu who having inherited a fortune resolves to emulate the stereotypical profligate and arranges his life according to the standard formula When the dust settles we are left with a cautionary tale curiously neutralized to some extent by an extraordinary profusion of choreographic detail and an astonishing technical virtuosity compelling delight and approval or possibly resistance in the aesthetic rather than the moral dimension Motivated by Hogarth's example David Solway tells the story of a representative figure a lover of our own anarchic era which is in some ways very similar to the dissolute and ostentatious period the painter anatomized Solway has equipped the lover with a sketchy CV he is an inveterate traveller or perhaps cruiser is a better word and diarist with an introspective bent but he is also a confirmed voluptuary prone to distraction and not without a streak of coarseness in his nature Illustrations detailing critical moments in the lover's career have been contributed by renowned

Montréal artist Marion Wagschal Lesbian Ex-Lovers Esther D Rothblum, Jacqueline Weinstock, 2014-06-11 We have earned a certain place in each other's lives and in the best of times we can rest on what we have made together *Lesbian Ex Lovers: The Really Long Term Relationships* examines the need for the development of better understanding and more critical analysis of lesbian ex-lover relationships. This eye-opening look into the minds and hearts of women offers personal insight into the possibilities for and potential pitfalls of lesbian ex-lover relations. This book contains personal stories, fictional accounts, poetry, and theoretical analyses of the frequency and significance of ex-lovers at different stages in a relationship. Topics of interest in *Lesbian Ex Lovers* include the roles ex-lovers play in our lives, ex-lovers as contexts for change and development, how we continue to be influenced by ex-lovers, letting go and moving on, ex-lovers as current friends and family, themes of betrayal and loss of faith, reconstructing friendships and community, the mystique of the ex-lover, friend, family connections among lesbian ex-lovers. Rather than totally scrap a relationship, we recycle it from lover to ex-lover to friend in a relatively short half-life. *Lesbian Ex Lovers* is the only book in print that explores how a lesbian's ex-lovers impact her subsequent romances and lifestyle. This special collection adds a new dynamic to the current literature for and about the lesbian community. *Lesbian Ex Lovers* offers advice, anecdotes, and interpretations from such authors, poetesses, and artists as Michelle Gibson, PhD, educator and editor of *Femme Butch: New Considerations of the Way We Want to Go*, who says goodbye to her lover in a sad, passionate elegy; Marny Hall, psychotherapist, editor of the anthology *Sexualities*, and author of several books including *The Lavender Couch: A Consumer's Guide to Psychotherapy for Lesbians and Gay Men*, who muses on the unique bonding between lesbians and their ex-lovers, lending a mystique that surrounds the lesbian lifestyle; Alison Bechdel, creator of the comic strip *Dykes to Watch Out For*, who presents a humorous comic strip thanking her former lovers for teaching her about herself; Jane Fatcher, newspaper reporter and author of three novels, who uses a chapter in her novel to illustrate the tensions that can occur when ex-lovers choose to remain friends, especially when those bonds provoke jealousy in both current and ex-lovers; Renny Christopher, educator and award-winning poetess, who expresses her love, loss, and regret in three poems about her ex-lover, and much more. *The Movie Lover's Tour of Texas* Veva Vonler, 2005-08-04 Texas movies are as vast as the Lone Star State. This book offers readers the chance to visit Texas vicariously by viewing movies filmed in and about the state that reflect Texas history, cultures, and landscapes. Suggested itineraries, maps, and lists of unique shooting locations make this book a travel guide. Anecdotes about the experiences of the movie makers during the filming add unique interest for the movie fan. *The Routledge Companion to Religion and Film* John C. Lyden, 2009-05-07 The Routledge Companion to Religion and Film brings together a lively and experienced team of contributors to introduce students to the key topics in religion and film and to investigate the ways in which the exciting subject of religion and film is developing for more experienced scholars. Divided into four parts, the Companion analyzes the history of the interaction of religion and film through periods of censorship as well as appreciation of the medium, studies religion in film, examining how the world's major

religions as well as Postcolonial Japanese and New Religions are depicted by and within films uses diverse methodologies to explore religion and film such as psychoanalytical theological and feminist approaches and audience reception analyzes religious themes in film including Redemption the Demonic Jesus or Christ Figures Heroes and Superheroes considers films as diverse as The Passion of the Christ The Matrix Star Wars and Groundhog Day This definitive book provides an accessible resource to this emerging field and is an indispensable guide to religion and film for students of Religion Film Studies and beyond

CinemaTexas Notes Louis Black, Collins Swords, 2018-02-26 Austin's thriving film culture renowned for international events such as SXSW and the Austin Film Festival extends back to the early 1970s when students in the Department of Radio Television Film at the University of Texas at Austin ran a film programming unit that screened movies for students and the public Dubbed CinemaTexas the program offered viewers a wide variety of films old and new mainstream classic and cult at a time when finding and watching films after their first run was very difficult and prohibitively expensive For each film RTF graduate students wrote program notes that included production details a sampling of critical reactions and an original essay that placed the film and its director within context and explained the movie's historical significance Over time CinemaTexas Program Notes became more ambitious and were distributed around the world including to luminaries such as film critic Pauline Kael This anthology gathers a sampling of CinemaTexas Program Notes organized into four sections USA Film History Hollywood Auteurs Cinema First Renegade Talents and America's Shadow Cinema Many of the note writers have become prominent film studies scholars as well as leading figures in the film TV music and video game industries As a collection CinemaTexas Notes strongly contradicts the notion of an effortlessly formed American film canon showing instead how local film cultures whether in Austin New York or Europe have forwarded the development of film studies as a discipline
