Reform And Development In Rural China:

Reform and Development in Rural China Du Runsheng, 2016-07-27 The 19 speeches in this volume explain many aspects of China's market based rural economic reforms They were delivered primarily to groups of government or Party officials by Du Runsheng director of the Rural Development Research Center RDRC of China's State Council for much of the 1980s The book includes an introductory chapter describing the history of rural economic policy in the People's Republic of China notes by Du Runsheng and a glossary of important Marxist and Chinese economic terms

The Frontier of Education Reform and Development in China Hongen Li, 2024-07-20 This book is a collection of academic articles selected from papers published in the Chinese journal Educational Research in 2021 2022 Educational Research was first published in 1979 and is a national comprehensive and theoretical journal of education research It is sponsored by the Ministry of Education of the People's Republic of China and the China National Academy of Educational Sciences CNAES This book presents 20 important educational research articles and covers topics such as educational policies education technologies teacher education and moral education This book showcases a curated selection of education research outcomes in China and aids readers in developing a comprehensive understanding of China's education reform and development

China's Economy Zhenglai Deng, 2009 Annotation Series on Developing China Translated Research from China contains a collection of the most outstanding academic articles written by prestigious Chinese scholars of humanities and social sciences within the last 30 years All the contributors are native Chinese scholars who have experienced China's dramatic changes by themselves In the past research done by Chinese scholars has not been adequately represented in English due to the language barrier In this series all the volumes are quality works translated from Chinese to English This series will benefit international readers interested in China's reform process and the development of Chinese humanities and social sciences

Reform and Development in China Yang Yao, Ho-Mou Wu, 2010-09-13 Between 1978 and 2006 GDP growth in China maintained an annual average rate of 9.7% meaning the Chinese economy increased by more than twelve times This was achieved with quite unorthodox approaches to reform and development as China has adopted a gradualist approach to adopting key institutions as well as modifying and experimenting with traditional recipes for economic growth This collection brings together key researchers in the field from Asia US Europe and Australia to discuss how China has managed to push forward reforms in the face of political resistance how the Chinese economy has maintained growth within an imperfect institutional environment and how the Chinese government remains effective when it relinquishes its power to the market Specific emphasis is paid to the relevance of China's experiences to other developing countries This valuable contribution to the study of China's economy covers a wide range of topics including the historical foundations of the 30 years of reform law and development in China foreign direct investment poverty reduction market integration income distribution social protection as well as demographics and population Reform and Development in China finds both unique

elements to the Chinese experience and elements which can be applied to other developing countries In particular China's gradualism in economic reform strong leadership and emphasis on inclusive development are singled out to be potentially transferable to other developing countries This collection will be of interest to postgraduate students and researchers as well as practitioners in development economics

China's 40 Years of Reform and Development: 1978-2018 Ross

Garnaut, Ligang Song, Cai Fang, 2018-07-19 The year 2018 marks 40 years of reform and development in China 1978-2018 This commemorative book assembles some of the world's most prominent scholars on the Chinese economy to reflect on what has been achieved as a result of the economic reform programs and to draw out the key lessons that have been learned by the model of growth and development in China over the preceding four decades This book explores what has happened in the transformation of the Chinese economy in the past 40 years for China itself as well as for the rest of the world and discusses the implications of what will happen next in the context of China's new reform agenda Focusing on the long term development strategy amid various old and new challenges that face the economy this book sets the scene for what the world can expect in China's fifth decade of reform and development A key feature of this book is its comprehensive coverage of the key issues involved in China's economic reform and development Included are discussions of China's 40 years of reform and development in a global perspective the political economy of economic transformation the progress of marketisation and changes in market compatible institutions the reform program for state owned enterprises the financial sector and fiscal system reform and its foreign exchange system reform the progress and challenges in economic rebalancing and the continuing process of China's global integration This book further documents and analyses the development experiences including China's large scale of migration and urbanisation the demographic structural changes the private sector development income distribution land reform and regional development agricultural development and energy and climate change policies

Reform and Development of Agriculture in China Zhou Li, 2017-02-09

This book provides a detailed review of the accumulated experience and lessons from China's agricultural reform and opening up since the late 1970s examining various aspects of this transition and providing a new perspective that can contribute to developing economic theories The success of China's reform and opening up creates benefits for farmers and is driven by farmers The past experience problems revealed and lessons learned from failures of market orientated and progressive reform can provide valuable guidance for those developing countries still lagging behind China

Family and Development in Rural China

After the Economic Reforms Zhen Meng, 1999

Reform And Development In China: After 40 Years Wei Shan, Lijun

Yang, 2019-03-08 This book provides a comprehensive review of China's experience in reform and opening up from political social and economic perspectives It attempts to engage existing scholarly debates in three areas first how the party state has evolved in the past four decades and whether it remains a Leninist system or has departed from this system second how public attitudes values and behavior have been intertwined with institutional change and how the state is expanding its

welfare coverage to enhance regime legitimacy Second how China has attempted to explore new engines for its growth with consideration towards environmental protection and technological progress Chapters in this book are selected from three years of conference presentations co organized by the Institute of Public Policy IPP at the South China University of Technology and UNESCO Since 2014 IPP and UNESCO have co hosted a series of annual international conferences and invited leading scholars from China Europe and the US to discuss the major challenges to China and the world Rural Reform And Development: A Case Study Of China's Zhejiang Province Yikang Gu,Feng Shao,2019-09-09 Since China s reform and opening up in 1978 Zhejiang province has been one of the country s forerunners in economic social and political transformation This book focuses on Zhejiang s rural development and rural governance innovation over the past few decades The provincial government has formulated favorable policies to facilitate the development of Zhejiang s rural areas since 1978 Zhejiang s farmers endowed with the spirit of innovation and entrepreneurship have created a rural development model with farmers as the center of marketization industrialization and urbanization This book provides systematic analysis of the reform and development in Zhejiang s rural area as a case study of China s reform and opening up It offers some of the best economic and governance practices developed over the past few decades in China s rural areas It also provides invaluable insights into the future development of China s rural areas **Sustainable Development in Rural China** Bin Wu,2004-06-02 Sustainable development in marginal areas especially in those where rural poverty and environmental degradation are interwoven is a great concern of development agencies worldwide and much effort is put into development programmes technology transfer schemes and so on The problem is particularly acute in China where increasing regional differences and inequality are eroding governmental poverty reduction efforts and exacerbating ecological crises This book based on extensive original research examines the situation in China especially in the Loess Plateau of Shaanxi Province It explores in particular how farmers have organised themselves to initiate technical innovation and considers communication networks and co operative mechanisms It discusses successful self organisation and how interfaces with external development agencies and with institutional innovation might be handled highlighting the potential of farmer innovation initiatives especially when they are linked with external development and environmental improvement programmes
