His creativity and crazy sense of humor dominated the Goons Throughout his life Milligan wrote a great deal including multiple volumes of memoir in which he adopted a wholly unique perspective on the truth as well as screenplays poetry cartoon drawings parodies and fiction He was one of the most unconventional and consistently humorous performers on the British comedy circuit from the conclusion of the Second World War until his death Spike Milligan will be remembered for his humorous style forever Spike Milligan was a jokester even when discussing death Let s have a short flash of his razor sharp humor unrestrained invention and how he transformed British comedy by flipping everything he came across
