**Robin Hood to the Rescue** May Wynne,1927      Robin Hood to the Rescue! Agnes Blundell,2024-11-30 Osmund's father has gone to France again with Coeur de Lion leaving his family at home in their manor But when Osmund's brother and sister are kidnapped who can help them but their old friend Robin Hood The fascination of the famous outlaw and his merry men never dies and as she has already shown in *They Met Robin Hood* Miss Blundell with her genius for historical fiction is the most fitting writer to tell us more about those exciting bowmen This new story is as excellent and enthralling as its predecessor from the 1939 dust jacket      *Robin Hood to the Rescue* Ronald Lynn,      **Robin Hood to the Rescue** Desmond Dunkerley,1978      Robin Hood to the Rescue Walt Disney Productions,1973 Robin Hood devises a plan for freeing the prisoners in Prince John's jails and returning to the poor the gold collected from them in taxes      **The Adventures of Robin Hood** Howard Pyle,2005 Recounts the legend of Robin Hood who plundered the king's purse and poached his deer and whose generosity endeared him to the poor      Robin Hood to the Rescue, Or, The Exploits of Little John Alfred S. Burrage,1901      **Robin Hood to the Rescue ... Illustrated by Frank Rogers** Agnes Mary Frances BLUNDELL,1939

**Robin Hood** Stephen Thomas Knight,Stephen Knight,1999 The legends of Robin Hood are very familiar but scholarship and criticism dealing with the long and varied tradition of the famous outlaw is as elusive as the identity of Robin himself and is scattered in a wide range of sources many difficult of access This book is the first to bring together major studies of aspects of the tradition The thirty one studies take a variety of approaches from archival exploration in quest of a real Robin Hood to a political angle seeking the social meaning of the texts across time to literary scholars concerned with origin structures and generic variation or moral and social significance also included are considerations of theatre and film studies and folklore and children's literature Overall the collection provides a valuable basis for further study STEPHEN KNIGHT is Professor of English Literature at the University of Wales Cardiff he is well known as an authority on the Robin Hood tradition and has edited the recently discovered Robin Hood Forrester's Manuscript      **Walt Disney Productions Presents Robin Hood Saves the Day**,1980 Robin Hood and Little John plan to rescue Friar Tuck from the castle dungeon where he awaits hanging for nonpayment of taxes      **The Drama**,1917      **Robin Hood** Owen Davis,1923      **The Adventures of Robin Hood** Norman Reilly Raine,Seton I. Miller,1979 Screenplay      **Robin Hood** David Crook,2020 Detailed research into documentary sources offers an exciting new identification of the real Robin Hood For over a century and a half scholars have debated whether or not the legend of Robin Hood was based on an actual outlaw and if so when and where he lived One view is that he was not a legend as such but a myth an idea rather than a person who could possibly be identified in historical records and placed in a real historical and geographical context Other writers have gone even further arguing that he is a literary concoction with no traceable original and that seeking to pin him down to a particular time and location is futile and

unnecessary This survey begins by tracing the development of the legend and contemporary views about it between the thirteenth and early twenty first centuries taking account both of new interpretative literature on the subject and fresh discoveries from the author s own research in the early records of the English royal administration and common law It then gives a detailed account of the places that came to be associated with the legend and of evidence illustrating the importance of the outlaw s name in the development of English surnames The concluding chapters deal with the administration of criminal law in medieval England and the evidence that points to the possible origins of the legend in the activities of a notorious Yorkshire criminal tracked down and beheaded in the county in 1225      **The Cryptopians** Laura Shin,2022-02-22

The story of the idealists technologists and opportunists fighting to bring cryptocurrency to the masses In their short history Bitcoin and other cryptocurrencies have gone through booms busts and internecine wars recently reaching a market valuation of more than 2 trillion The central promise of crypto endures vast fortunes made from decentralized networks not controlled by any single entity and not yet regulated by many governments The recent growth of crypto would have been all but impossible if not for a brilliant young man named Vitalik Buterin and his creation Ethereum In this book Laura Shin takes readers inside the founding of this novel cryptocurrency network which enabled users to launch their own new coins thus creating a new crypto fever She introduces readers to larger than life characters like Buterin the Web3 wunderkind his short lived CEO Charles Hoskinson and Joe Lubin a former Goldman Sachs VP who became one of crypto s most well known billionaires Sparks fly as these outsized personalities fight for their piece of a seemingly limitless new business opportunity This fascinating book shows the crypto market for what it really is a deeply personal struggle to influence the coming revolution in money culture and power      **Robin Hood and Little John: or, The merry men of Sherwood forest** Pierce Egan,1850      *The Outlaws of Medieval Legend* Maurice Keen,2013-01-11
