Robins William Tell:

Man of Discovery Michael Hooper, 2015-09-18 In this earth shaking novel one man changes the course of history for two countries Always remember that every action has consequences This point will be proven over time by our leading man Michael Robins Robins a man with no political background having never run for so much as dog catcher sets off to become the leader of the free world after a chance meeting with a CNN anchor gives him the boost needed to launch a great presidential campaign In this powerful role he proves a single man can change the world improving the future for hundreds of millions of people as President of the United States While his presidency is powerful his greatest legacy comes a few years after leaving office when he becomes Secretary General of the United Nations and is forced to become the counterbalance between The United States and Iran orchestrating a showdown that will save the world In the end the former President and current Secretary General becomes the puppet master of two countries For this Man of Discovery it becomes A Time for Redemption but also a time for death The Diaries of William Charles Macready, 1833-1851 William Charles Macready, 1912 In 1875 two years after Macready's death his Reminiscences and selections from his diaries and letters edited by the late Sir W F Pollock bart were published by Messrs Macmillan At that time it was thought desirable to withhold a considerable portion of the diaries but after the lapse of nearly forty years the reasons for this suppression no longer hold good and the most important of the omitted passages are accordingly given for the first time in the present work v 1 pref
