This fourth title in a unique series that combines reference and analytical qualities in chronicling the horror and science  
fiction genres *Horror and Science Fiction Films IV* brings the earlier three volumes in the series up to date concentrating on  
the period from 1984 1994 as well as updating entries from the previous volumes and adding newly discovered titles from  
1900 1983 Entries in the main list include credits cast synopsis and annotation The introduction lists 1995 releases in the  
genres and 1996 releases through the summer cites the more memorable films in the genres for both the current period and  
1900 1984 and serves as an index to key titles in the main list including long lost titles such as the obscure silent *Were Tiger*  
and the 1931 *The Phantom* Willis includes many films from around the world that are not found in any other English  
language film reference work One appendix provides thumbnail descriptions of problem and peripheral films another updates  
entries in the first three books with alternate titles and a third appendix serves as an index to the approximately 7 000 films  
listed in the first three volumes in the series as well as in the current volume thus bringing the total number of films covered  
in this series to roughly 11 000 titles      **Television/radio Age** ,1986      **Subject Guide to Books in Print** ,1975
