EATES SOP Earth s Alien Technological Expeditionary Service Standard Operating Procedure marks a division between Earth s immobile existence and EATES need to explore The Earth s indoctrinating Internet represents the new permanence where immobility festers a subjugated quarantine The need for constant information has replaced resourcefulness until Earth s scientists rediscovered

Reverse Engineering of alien technology How we challenge ourselves beyond political expectations is why humanity wrestles with the idea of individual ingenuity and creativity Ultimately EATES decided to go it alone as scientists wanted something better out of life than an indentured existence And to that end EATES was born The culmination of 200 years has brought us to this point where science needs to decide should politicians determine the fate of Science or real Scientists on a mission
