Idol Rock Hudson Jerry Oppenheimer, Jack Vitek, 1986 Rock Hudson's life had all the elements of a Hollywood tearjerker not unlike one of the many he starred in during the 1950s there were the humble beginnings the unhappy childhood the yearnings for another life the sudden rise to fame the adoration of millions and ultimately disintegration and tragedy

All That Heaven Allows Mark Griffin, 2018-12-04 Paints a vivid portrait of a man who lived a double life in order to maintain his status as a movie star Candid but credible a real page turner Leonard Maltin author of *Hooked on Hollywood Discoveries from a Lifetime of Film Fandom* The inspiration for the HBO Original Documentary *Rock Hudson All that Heaven Allowed* Rock Hudson was the ultimate movie star The embodiment of romantic masculinity in American film throughout the 50s and 60s he reigned supreme as the king of Hollywood As an Oscar nominated leading man Hudson won acclaim for his performances in melodramas *Magnificent Obsession* western epics *Giant* and blockbuster bedroom farces *Pillow Talk* In the 70s and 80s Hudson successfully transitioned to television with his long running series *McMillan Wife* and a recurring role on *Dynasty* The Hollywood icon appeared to have it all Yet beneath the star persona there was a deeply conflicted human being Growing up poor in Winnetka Illinois Hudson was abandoned by his father abused by an alcoholic stepfather and controlled by his domineering mother Despite the obstacles Hudson was determined to become an actor After signing with agent Henry Willson Hudson was transformed from a tongue tied truck driver into Universal Studio's resident Adonis But Hudson's wholesome screen image was at odds with his closeted homosexuality Because of his secret gay relationships Hudson was continually threatened with public exposure In 1985 the public learned that the actor was battling AIDS a disclosure that focused worldwide attention on the epidemic Drawing on more than 100 interviews *All That Heaven Allows* delivers a complete and nuanced portrait of one of the most fascinating stars in cinema history Provides trenchant cinematic insight and social criticism Library Journal starred review Engrossing Kirkus Reviews

of Rock Hudson's life as told by his closest friend and lover of twenty years this book is filled with wonderful reminiscences some funny some sad all revealing about the great stars and directors Rock Hudson worked with in his many films 16 pages of photographs **At Home with Rock Hudson-Book # 2** Martin Flaherty,2013-09-20 He was tall and he was dark and he was movie star handsome His name was Rock Hudson and I was barely just born during the hey day of his popularity He was one of the most loved and well known actors of his time but what did I know I was fifteen years old and hadn't a clue as to who he was when I started doing odd jobs up at his house I was too busy being a California boy surfing and raising a little hell I knew nothing of his career of the movies he'd made awards he'd received of his sex appeal with women and the pesky swirl of rumors which had followed him throughout his career I worked for the actor for ten years from 1975 until he drew

his last breath on October 2 1985 In the course of those years I became his good friend estate manager confidant and in the end one of his caregivers I knew just as much about him as anyone could know about another person living and working alongside him in his home Rock became more to me than just an employer and he treated me like the son he d never had He told me things he didn t trust telling others He knew he could trust me and I knew most all his secrets One might say I am Rock Hudson s long lost son closeted in the same way he was not allowed to tell the truth due to a court ordered gag order Well I found the key this book and now I am using it to come out of that closet and finally set the record straight Rock was such a great and positive influence on my life and I d like for these words to influence the memory people carry of him as well All in the book are my own opinions evaluations observations or quotes directly from Rock Hudson or of those close around him All the photographs are from Rock s private collection many of them never before seen outside the gates of his house They were the ones he would look at the ones he cherished the ones he held dear They were his *My Husband, Rock Hudson* Phyllis Gates, Bob Thomas, 1989 Breaking a silence of 30 years the former Mrs Rock Hudson tells all about her brief poignant marriage to the all American star from its glamorous lovestruck beginnings to its shattering shocking end Revealing The Star *Rock Hudson, His Own Story* Rock Hudson, 1986-07-01 [American Legends](#) Charles River Charles River Editors, 2018-03-14 Includes pictures Includes Hudson s own quotes about his life and career Includes a bibliography for further reading I m notorious for giving a bad interview I m an actor and I can t help but feel I m boring when I m on as myself Rock Hudson A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known In the middle of the 20th century there was perhaps no leading man as famous and popular as Rock Hudson who would star in both comedies and dramas on the way to being named one of the Top 10 Stars of the Year for eight years straight 1957 1964 Whether he was starring in a comedy with Doris Day or in a drama opposite Elizabeth Taylor the tall impeccably dressed actor couldn t help but make girls in the audience swoon and he was recognized as one of Hollywood s biggest heartthrobs The success of his peak years ensured that Hudson would remain a star over the course of 4 decades and he appeared in about 70 films during his career Today however Rock Hudson might be better known among contemporary audiences for his personal life Acting in a more conservative era Hudson struggled to keep his homosexuality out of the news for fear it would destroy his career even though many of his Hollywood contemporaries were aware of it After Hudson died of AIDS in 1985 perhaps the first major celebrity to die of the disease details of his personal life began to be publicized sometimes amidst messy legal battles It soon became clear just what kind of pains Hudson took to keep his personal life private and his friendships with men were highly scrutinized as was his marriage to his agent s secretary Phyllis Gates At the same time his death shined a bigger spotlight on AIDS and helped raise both awareness and funding for

research into battling the disease

American Legends The Life of Rock Hudson examines the life and career of one of Hollywood's biggest stars. Along with pictures of important people, places, and events, you will learn about Rock Hudson like never before in no time at all. *Rock Hudson* Brenda Scott Royce, 1995-02-28 Rock Hudson rose to stardom as the virile hero of adventure films, and he then gained a flurry of female fans by starring in melodramas like *Magnificent Obsession*. He earned an Oscar nomination for his role in *Giant*, starred in successful romantic comedies, and had a productive television and stage career. This book provides full information about his many performances and charts his life and career up to his death from AIDS. Rock Hudson was a movie giant, one of the biggest stars Hollywood ever produced. He gained early fame as the romantic hero of adventure films and melodramas such as *Magnificent Obsession* (1954). He then tackled serious drama in *Giant* (1956) for which he earned an Academy Award nomination. With the success of *Pillow Talk* (1959), he entered a new genre for which he would become best known: the sex comedy. He also had a successful stage and television career. This book charts Rock Hudson's rise as a celebrity until his death from AIDS. A biography opens the volume, followed by chapters which chronicle his work in film, television, radio, and the stage. Each chapter contains descriptions of Hudson's individual performances, with entries providing cast and credit information, plot summaries, excerpts from reviews, and critical commentary. The volume also includes a listing of Hudson's awards and an annotated bibliography of additional sources of information.

The Trial of Rock Hudson John Parker, 1990 There had never been a trial like it. It took place in the Superior Court of Los Angeles, beginning in December 1988, and it made Rock Hudson's former lover, Marc Christian, an instant multi-millionaire. Hudson almost certainly had AIDS throughout their three-year relationship, but when the dreaded news was finally confirmed, he deliberately withheld it from Christian. When Hudson died, Christian sued. The trial went ahead, and the upshot was that Christian was initially awarded almost \$23 million in damages. *The Trial of Rock Hudson* chronicles every day of that landmark trial and studies its impact on Hollywood, the homosexual community, and AIDS sufferers themselves. It also supplies a fascinating insight into the legal system in the USA.
