Rock Island Lines The First Century

Michael Seth Starr

Rock Island Lines The First Century:

Rock Island Lines William Edward Hayes, 1953-12 A complete reprint of Iron Road to Empire this volume provides an overall view of the first century of the Rock Island Line and its predecessors histories Transportation **Rock Island Lines** Dean Klinkenberg, 2019-12-01 Frank Dodge disgruntled and desperate for a story to write about has a hot tip Miguel Ramirez could be one of the last surviving descendants of a brutal gangster named John Looney Dodge sees this as a good story to sell so he concocts a plan to meet the young man When Ramirez is found floating in the Mississippi River Dodge finds himself without a story and on the wrong side of a murder investigation As Dodge and his buddy homicide detective Brian Jefferson go over the surprising events of the night Ramirez died clues about the death of Ramirez will come from an unlikely source the life of John Looney **Rock Island Lines News Digest**, 1943 The Rock Island Line Bill Marvel, 2013-10-01 Explore the rich history of the legendary railroad that spanned the American Midwest in this beautifully illustrated volume Beginning operations in the mid nineteenth century the Rock Island Line served farms and small town America for more than 140 years One of the earliest railroads to build westward from Chicago it was the first to span the Mississippi advancing the frontier bringing settlers into the West and hauling their crops to market Rock Island s celebrated Rocket passenger trains also set a standard for speed and service with suburban runs as familiar to Windy City commuters as the Loop For most of its existence the Rock battled competitors much larger and richer than itself When it finally succumbed the result was one of the largest business bankruptcies ever Today as its engines and stock travel the busy main lines operated by other carriers the Rock Island Line lives on in the hearts of those whom it employed and served **Railway Age**, 1934 *Oklahoma, a History of Five Centuries* Arrell Morgan Gibson, 1981 Located in the Oklahoma Collection Hero Street, U.S.A. Marc Wilson, 2012-11-20 The first book length account of a story too long overlooked Claro Solis wanted to win a gold star for his mother He succeeded as did seven other sons of Little Mexico Second Street in Silvis Illinois was a poor neighborhood during the Great Depression that had become home to Mexicans fleeing revolution in their homeland In 1971 it was officially renamed Hero Street to commemorate its claim to the highest per capita casualty rate from any neighborhood during World War II Marc Wilson now tells the story of this community and the young men it sent to fight for their adopted country Hero Street U S A is the first book to recount a saga too long overlooked in histories and television documentaries Interweaving family memories soldiers letters historical photographs interviews with relatives and firsthand combat accounts Wilson tells the compelling stories of nearly eighty men from three dozen Second Street homes who volunteered to fight for their country in World War II and Korea and of the eight including Claro Solis who never came back As debate swirls around the place of Mexican immigrants in contemporary American society this book shows the price of citizenship willingly paid by the sons of earlier refugees With Hero Street U S A Marc Wilson not only makes an important contribution to military and social history but also acknowledges the efforts of the heroes of Second Street to realize the American dream **Rock Island Requiem**

Gregory L. Schneider, 2020-02-05 Celebrated in history and song the Chicago Rock Island and Pacific Railroad Company the Rock Island Line was a powerful Midwestern railroad that once traversed thirteen states with its fast freights and Rocket passenger trains but eventually succumbed to government regulation and a changing economy Gregory Schneider chronicles the Rock Island's painful decline and along the way reveals some of the key problems within the American railroad industry during the post World War II era Schneider takes readers back to a time when railroads still clung to a storied past to offer new insight into the devastating impact of economic policymaking during the 1960s and 1970s Schneider recounts the largest railroad liquidation in American history as well as one of the most successful reorganizations in American business to depict the demise and ultimate collapse of Rock Island as part of a broader account of hard times in the railroad industry beginning in the 1970s Schneider weaves a complex story of how business politics government bureaucracy and individual greed helped to limit the economic possibilities of the railroad industry and catapult the Rock Island Railroad into oblivion Weakened by a troubled economy the Rock fell victim to inept management and labor union intransigence but Schneider also reveals how government regulations and price controls prevented innovation hindered capital acquisition and favored other forms of transportation that lie beyond the scope of regulation Railroads were even hurt by taxation of property and real estate while competitors were able to use government subsidized highways and airports without having to pay taxes to fund them Now that America has gone on to witness the collapse of such mammoth firms as Enron and Lehman Brothers not to mention the bankruptcy and bailout of General Motors the story of the Rock provides an instructive lesson in how a major American enterprise was allowed to fall victim to forces often beyond its control while the bailout of the Penn Central at the expense of smaller lines like Rock Island helped initiate the era of too big to fail For economic historians and railroad buffs alike Rock Island Requiem is a well researched USA by Rail John Pitt, 2012 The American train journey has always had a strong hold on the imagination Ever changing landscapes pass by on the other side of the glass from the primeval looking Joshua trees of the Mojave Desert and the saw toothed peaks of the Rocky Mountains to the pounding surf of the Pacific and Atlantic coasts And in these ecologically conscious times rail travel offers a peace of mind that cannot be matched by a stressful domestic flight Now in its eighth edition this book covers all the major routes across the United States and Canada Perfect for the well planned traveller and the whimsical day dreamer alike it contains both practical information and background on the places that you'll see Whatever the route sit back relax and watch a breathtaking continent unfold 37 long distance routes in the USA and Canada Sightseeing highlights for 38 major cities Accommodation cheap to chic Area maps and detailed route plans History of trains in North America Information about steam railways and museums **Rock Island Employees' Magazine** , 1929 **Tucumcari Tonite!** David H. Stratton, 2022-04 Tucumcari New Mexico was founded in 1901 by the Rock Island Railroad and soon had major railroad lines converging there from Chicago Los Angeles and Memphis as well as a northern branch line from the Dawson coalfields As a regional railroad center Tucumcari was the division point

between the Rock Island and Southern Pacific and an isolated prairie hotbed of industrial enterprise and labor unionism The federal highway system established Route 66 the Main Street of America through the middle of town in 1926 Tucumcari flourished as a tourist mecca welcoming travelers with its blazing displays of neon lights But mergers reorganizations and financial problems of the railroads as well as the creation of the interstate highway system that bypassed small places brought a sharp decline to the once prosperous town *Minnesota in Three Centuries, 1655-1908: 1870 ,1908* **Literary Digest** ,1916 *Classic American Railroads* Mike Schafer,1996-11-08 In the summer of 1992 Arkansas governor Bill Clinton and Tennessee senator Al Gore begin their long shot campaign to win the White House On a sweltering hillside in Knoxville Dr Bill Brockton the bright ambitious young head of the University of Tennessee s Anthropology Department launches an unusual some would call it macabre research facility unlike any other in existence Brockton is determined to revolutionize the study of forensics to help law enforcement solve homicides But his plans are derailed by a chilling murder that leaves the scientist reeling from a sense of deja vu Followed by another And then another bodies that bear eerie resemblances to cases from Brockton s past The police chalk up the first corpse to coincidence But as the body count rises the victims fatal injuries grow more and more distinctive a spiral of death that holds dark implications for Brockton himself If the killer isn t found quickly the death toll could be staggering And the list of victims could include Brockton and everyone he holds dear *Rock Island* BJ Elsner,Rich J. Johnson,Pierce,1999 Rock Island Illinois named All American City by Life magazine in 1955 is a mighty river town that prides itself on its leadership and sense of community In every house on every street there is a story to be told of how the residents came to be a part of this unique city A few Rock Islanders can trace their roots back to the first white settlements of Farnhamsburg and Stephenson fewer still go even further back than that to the villages of Wappello and Keokuk and the Sauk warrior Black Hawk In Rock Island All American City the authors invite us to join them on a visual tour that explores the areaA a s earliest neighborhoods from Spencer Square to Broadway Greenbush and Old Chicago from Longview and Highland Park to Keystone and Douglas Park Discover how the Mississippi and Rock Rivers helped to shape the lives of area residents and how they have shaped its course meet some of Rock IslandA a s first families including the Weyerhaeusers and Denkmanns who arrived in Rock Island with little more than a dream and left their legacy in the areaA a s landscape architecture and culture Also learn the stories of the A a Regular folksA a A and unsung heroes who contributed in their own special ways to the cityA a s rich history **Bobby Darin** Michael Seth Starr,2011-02 Bobby Darin fit a lot into his 37 years By the age of 22 Darin topped the charts but soon reinvented himself as a Sinatra style crooner winning a Grammy Award the adulation of millions a Hollywood contract and a starlet wife Bobby Darin examines the entertainer s entire life from his boyhood in the Bronx to his rise as a musical sensation his rocky marriage to Sandra Dee the evolution of his career and the shocking secret Darin learned later in life **NBC and ABC** , **Sing Me Back Home** Dana Jennings,2008-05-27 The years from about 1950 to 1970 were the golden age of twang Country music s giants all

strode the earth in those years Hank Williams and Johnny Cash George Jones and Merle Haggard Loretta Lynn and Tammy Wynette And many of the standards that still define country were recorded then Folsom Prison Blues Your Cheatin Heart Mama Tried Stand by Your Man and Coal Miner s Daughter In Sing Me Back Home Dana Jennings pushes past the iconic voices and images to get at what classic country music truly means to us today Yes country tells the story of rural America in the twentieth century but the obsessions of classic country were obsessions of America as a whole drinking and cheating class and the yearning for home God and death Jennings who grew up in a town that had more cows than people when he was born knows all of this firsthand His people lived their lives by country music His grandmothers were honky tonk angels his uncles men of constant sorrow and his father a romping stomping hell raiser who lived for the music of Carl Perkins Jerry Lee Lewis and the other rockabilly hellions Sing Me Back Home is about a vanished world in which the Depression never ended and the sixties never arrived Jennings uses classic country songs to explain the lives of his people and shows us how their lives are also ours only twangier *The Railway Age* ,1901 *Official Guide of the Railways and Steam Navigation Lines of the United States, Porto Rico, Canada, Mexico and Cuba* ,1923

The Enigmatic Realm of **Rock Island Lines The First Century**: Unleashing the Language is Inner Magic
