Rock Stars Girl:

Rock Star Superstar Blake Nelson, 2006-04-06 Music is Pete's life From playing in a jazz band to jamming at 2 AM with his guitar playing dad Pete is almost never without his bass He's sure his treasured Fender Precision bass along with his vow never to be a sell out will lead him to a record deal one day Then he meets the Carlisle brothers They can't sing and they can barely play their instruments but somehow they have a following And they desperately need a bass player Pete can play circles around these amateurs but there's a raw power to their sound that's surprisingly appealing He can't resist and he joins The Tiny Masters of Today When the band gets a chance at real superstardom Pete wonders if he's ready for the big leagues He knows the quality of the music should come first but who knew selling out could be so much fun Blake Nelson's riveting novel shows the realities of life in a band and all the temptations that come with it *Commie Girl in the OC* Rebecca Schoenkopf, 2020-05-05 From her operational base cum family home Commie Girl brings you this brave and brilliant journal of daily life in a land where no liberal humanist sentiment has been detected since the dawn of Reaganism Whether working her way through a syphilis scare or puzzling in vain over the philosophical conundrum of taking Arnold Schwarzenegger seriously Commie Girl finds the inner solidarity to hoist the red flag everywhere it isn't welcome And the ferocious gaiety with which she defends herself from the Versace decked HumVee crashing Chardonnay addled denizens of the USA's ultimate evil paradise will draw gasps of astonishment and admiration from all those who think it really can't be that bad **The Encyclopedia of Dead Rock Stars** Jeremy Simmonds, 2012 First published by the Penguin Group London as Number one in Heaven the heroes who died for rock n roll Diamond Star Girl Judy May Murphy, 2012-10-04 Welcome to Lemony's summer Lights camera action My name's Lemony I'm nearly 15 and this is my journal Things I like my best friend Ro Nick Collins chinchillas reading and hanging out with friends Things I DON'T like my glasses the way I talk too fast around boys I'm too tall and too geeky and I spend FAR too much time sitting around dreaming my life away But with a movie being filmed in town it looks like real life might be getting just as exciting as daydreams even if they only hire me to make cups of tea while my cool friends get to swan around in front of the camera Anyway Ro my brother Paul and I are going to have fun on the film set as long as boring Stephen Brown doesn't try to hang out with us Work in Progress Rieke Jordan, 2019-05-02 Work in Progress Curatorial Labor in Twenty First Century American Fiction interrogates contemporary texts that showcase forms of reading practices that feel anachronistic and laborious in times of instantaneity and short buffering times Objects of analysis include the graphic narrative Building Stories by Chris Ware the music album Song Reader by the indie rock artist Beck Hansen and the computer game Kentucky Route Zero by the programming team Cardboard Computer These texts stage their fragmentary nature and alleged unfinishedness as a quintessential part of both their narrative and material modus operandi These works in and of progress feel both contemporary and retro in the 21st century They draw upon and work against our expectations of interactive art in the digital age incorporating and likewise

Musicians Abigail Gardner, 2019-07-11 Ageing and Contemporary Female Musicians focuses on ageing within contemporary popular music. It argues that context, genres, memoirs, racial politics, and place all contribute to how women are aged in popular music. Framing contemporary female musicians as canonical grandmothers, Rude Girls, neo-Afrofuturist and memoirists settling accounts, the book gives us some respite from a decline or denial narrative and introduces a dynamism into ageing. Female rock memoirs are age-appropriate survival stories that reframe the histories of punk and independent rock music. Old age has a functional and canonical place in the work of Shirley Collins and Calypso Rose, Janelle Monáe, Christine and the Queens, and Anohni; perform queer age specifically, a kind of going beyond both corporeal and temporal borders. Genres, age, and the book introduces the idea of the time crunch, an encounter between an embodied, represented age and a genre age which is itself produced through historicity and aesthetics. Lastly, the book goes behind the scenes to draw on interviews and questionnaires with 19 women involved in the contemporary British and American popular music industry: DIY and ex-musicians, producers, music publishers, music journalists, and audio engineers. Ageing and Contemporary Female Musicians is a vital intergenerational feminist viewpoint for researchers and students in gender studies, popular music, popular culture, media studies, cultural studies, and ageing studies.
