Rocket's Red Glare Paco,1995 The Rockets' Red Glare Asif A. Siddiqi,2004 The Rocket's Red Glare ,2023 The Rocket s Red Glare uses the life of instrumental German rocket scientist Wernher von Braun as a metaphor for the selective way history is told This series challenges the often dual retelling of significant 20th century events starting in Nazi era Germany and culminating in the moon landing My interest in interpreting this chain of events comes from my own reckoning with history and my complicated German heritage surrounding World War II My complex feelings about my heritage are embodied in Wernher von Braun s life A Nazi turned NASA scientist von Braun s life was filled with as much contradiction as his groundbreaking rockets were which were used as missiles and spacecraft alike In 1932 Wernher von Braun went to work for the German army which fell under National Socialist rule the following year Accounts of the exact year he joined the Nazi party vary but by 1937 he was the technical director of the Army Rocket Center in Peenem nde where the V2 rocket Vengeance Weapon 2 was created and tested These missiles which bombed London were manufactured in an underground factory by slave laborers who endured horrific conditions if they survived Much of Wernher von Braun s Nazi past was classified for decades to celebrate his contribution to the U S space race eg as the engineer of the Saturn V the rocket that took man to the moon Rather than presenting a complete view of this history I leave intentional holes in the narrative These gaps serve as questions looking at how stories pass through generations and how facts are distorted embellished or undermined Author s statement **Rocket's Red Glare** Kate Novak,1986 The Rocket's Red Glare Peter Alderman,2014-05 Complemented by a CD recording by a multi platinum artist a sumptuously illustrated gift appropriate tribute to the American national anthem also shares engaging historical lore The Rockets' Red Glare John Darrin,Michael Gresalfi,2015-07-01 Al Qaeda in North America awash with money and in possession of a stockpile of radioactive cesium is stymied in their plans for a massive July 4th attack on America because of intense scrutiny by Homeland Security The homegrown terrorist group White Aryan Resistance has an abundance of foot soldiers ready to carry out terrorist attacks for their own goals but no resources Together they present a real and credible threat to America s security and it is up to two men to peel away the layers of deceit and deception and uncover the truth before Independence Day becomes Doomsday
