Rockinghorse William W. Johnstone, 2016-09-13 It came in the dead of night a rhythmic creaking sound that only the children could hear Jackie and Johnny tried not to listen But it called to them whispering of evil luring them into the darkness of the attic With its brightly colored saddle and painted on eyes it was the most beautiful rocking horse Jackie and Johnny had ever seen But as they took turns riding it they didn't see its tail twitch or its lips curve into a terrifying grin They couldn't hear the faint whicker that echoed among the shadows They couldn't know that their own innocent eyes had taken on a strange new gleam [FunWoodenToys_Content.pdf](#) ,

D. H. Lawrence Paul Poplawski, 1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence's life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence's achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence's career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world's foremost authorities on Lawrence's life and work The chapters that follow provide separate entries for all of Lawrence's works except for individual poems and paintings with critical summaries discussions of characters and details of settings

There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence's travels and his development over time

Dad's Best Memories and Recollections Charles J. Humber, 2016-01-19 DAD'S BEST MEMORIES AND RECOLLECTIONS is Chazz Humber's epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood's shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad's Best Memories and Recollections

Side-Stepping Normativity in Selected Short Stories by Sylvia Townsend Warner Rebecca K. Hahn, 2020-07-27 Side Stepping Normativity Selected Short Stories by Sylvia Townsend Warner discusses Sylvia Townsend Warner's highly innovative narrative style which does not conform to conventional modernist or postmodernist standards and explores how Warner's short stories shift to off centre positions Side Stepping Normativity further outlines the way in which Warner constantly challenges the categories we apply to classify our surroundings and analyses how Warner succeeds in creating queer that is non heteronormative as well strange and peculiar stories without explicitly opposing the so called norms of her time In this Side Stepping Normativity joins a vibrant conversation in queer studies which revolves around the question how critics can approach literary texts from a non antagonistic position Rather than focussing on the role of the critic however this thesis shows that Warner's texts have long achieved what queer theorists seek to achieve on an analytical level

The Forgotten Film Adaptations of D.H. Lawrence's Short Stories Jason Mark Ward, 2016-07-11 This book looks beyond fidelity to
