## **Rocks Relics And Biblical Reliability:**

Rocks, Relics, and Biblical Reliability Clifford A. Wilson, 1977      **Knowing The Truth About The Reliability Of The Bible** John Ankerberg, John Weldon, 2011-08-09 Skeptics verifies the accuracy shows why the evidence for biblical authority is superior to critics allegations      **Seven Reasons Why You Can Trust the Bible** Erwin W. Lutzer, 2008-09-20 In a society where relativism is the most acclaimed philosophy it is of utmost importance that Christians believe absolutely that the Bible is the inerrant Word of God Erwin Lutzer takes readers on a journey of faith where they are asked some of the most fundamental questions a person could ask In his readable yet profound style Lutzer critically examines proof that will determine supernatural authenticity of the Bible      **Forging Unshakeable Faith** Lincoln Tom, 2003-04-21 How can you say God is faithful I asked Mindy For in one week she lost her mother boyfriend job and roommate Then among several other crises counseling revealed her stepfather had molested her as a young child Mindy s cumulative Holmes Rahe score for stress easily exceeded 100 Yet with peaceful hope in her voice she answered Because He is Everyone though perhaps less dramatically faces tragedies And Mindy through hers taught me that how one perseveres through them depends a great deal on one s perspective what one believes Mindy knew she wasn t alone because she understood that no matter what happened God was with her She knew it within her very core of being her faith was unshakeable Mindy didn t give a particular reason for her faith Apparently over time God had proven Himself in the small things Great faith doesn t necessarily come from one awe inspiring event but through a multitude of little lessons learned along the way However even though many find inspiration in the lives of others most also require objective evidence Indeed this type of evidence continues to grow with numerous discoveries regarding the Dead Sea Scrolls history astronomy and archeology among others Thus this book examines how this information can help forge the kind of faith Mindy has the unshakeable kind      **Truth, Grace, and Security** Bruno Corduan, 2012-02-22 This book contains two stories but the first one is nested in the second one The first part is Bruno Corduan s short autobiography which begins with him as a boy in a family of rather limited means growing up in Germany during the Nazi era Having come to trust Christ at an early age and carrying no illusions about the Nazis or their opposition to biblical Christianity and those who practiced it one might wonder with what anxieties and uncertainties this boy must be struggling particularly as he gets old enough to be compelled into military service The surprising answer is none because he knows himself to be guided by God who will protect him physically as well as spiritually This unreserved trust becomes palpable in a number of instances that are worthy of being deemed miracles As Bruno continues his life into adulthood in the new Germany he never ceases to experience the guidance of God Having grown up in poverty we find him decades later as a diplomat for the German government and for NATO negotiating multimillion dollar contracts having achieved greater success than anyone could have predicted Still Bruno never lost sight of who really was in charge of his life Thus simultaneous with his official duties we always find him actively engaged in promoting the work of the Lord He poured

his life into this calling as much as into his professional vocation serving as pastor teacher leader and even church founder And thus we come to the second story This one is much larger cosmic in size and Bruno sees his life as just one small instance thereof In fact when he finally consented to write out the story of his life at age eighty two he would only do so if he could also include this much larger story namely the history of how God reached down to earth to establish a relationship with human beings through the life and death of his Son What is it that makes it possible for someone to lead a life such as Bruno s It is not human energy What he insists on throughout his exposition is that neither is it piety or religiosity It is the work of God who will awaken all people who believe in him from spiritual death and give them a life in which he will demonstrate that he is indeed the gracious and sovereign Lord of the universe In short the first part of this book is Bruno Corduan s autobiography The second part is his exposition of the gospel and of Christianity in which he is always reminding us that our salvation and walk with God are the consequences of God s gracious work and not of our own religious efforts

**A Zeal for God Not According to Knowledge** Eric Snow,2005-03 Are the Jewish arguments against belief in Jesus as mankind s Savior any good Is Jesus Christ the promised Messiah of the Old Testament s prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can t be dismissed lightly Using solid scholarship and rigorous logic A Zeal For God Not According to Knowledge defends Christianity against the arguments of its Jewish critics such as Samuel Levine Michoel Drazin Tovia Singer and Hyam Maccoby This book demonstrates that the New Testament is historically reliable denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices shows that Jesus of Nazareth was the promised Messiah based on the Old Testament s prophecies and proves that the New Testament teaches the Deity of Christ This book is intended for both Christians perplexed by the arguments of Jewish friends coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also **ThirdWay** ,1978-06-15 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture
