Hitchcock's Motifs Michael Walker, 2005 Among the abundant Alfred Hitchcock literature Hitchcock's Motifs has found a fresh angle Starting from recurring objects settings character types and events Michael Walker tracks some forty motifs themes and clusters across the whole of Hitchcock's oeuvre including not only all his 52 extant feature films but also representative episodes from his TV series Connections and deeper inflections that Hitchcock fans may have long sensed or suspected can now be seen for what they are an intricately spun web of cross references which gives this unique artist's work the depth consistency and resonance that justifies Hitchcock's place as probably the best known film director ever The title the first book length study of the subject can be used as a mini encyclopaedia of Hitchcock's motifs but the individual entries also give full attention to the wider social contexts hidden sources and the sometimes unconscious meanings present in the work and solidly linking it to its time and place

The Boy's Own Annual ,1914 *Long Odds* Gordon Weaver,2000 In Long Odds Gordon Weaver s latest collection each male protagonist struggles for moral and emotional strength to cope with a universe gone awry Each of the eleven stories centers around a circumstance that is both ordinary and shockingly unpredictable A small time flop of a con man in the psychic business becomes dependent on his inspirational talks with a dead hustler from a bygone era An eccentric helplessly watches a crumbling society from a table in his favorite diner A proper Bostonian buries his black sheep brother in rural Mississippi A group of newly divorced men takes up daily exercise in search of solace in an upscale mall Some of Weaver s characters win in the end some fail miserably but all of their stories depict their confrontations with self and surroundings Each story lures the reader forward despite the potential disappointment and self destruction that often loom just ahead for the characters The father of a blind girl builds an elaborate Christmas light display for her as his wife watches with bewildered disapproval A part time college English teacher travels the freeways from job to job and from woman to woman to

avoid the paralysis of stasis Written in the bold sharp style that is Weaver s trademark Long Odds includes stories that shift in mood and tone from the serious to the comically ironic but which are unified by a common sense of isolation as each man labors to make sense of his place in the world Lauded by Publishers Weekly as presenting characters whose cries are so human raw and mordant the reader forgets the fiction and is delivered inside the experience Weaver skillfully introduces a level of depth and intensity to situations that may appear commonplace at first glance This inventive collection offers a gallery of men who outwardly ordinary are revealed as complex in their humanity defined as much by their sensibilities as by their actions or their failures to act **The Endless Ruins Of Time** Garry Turner,2013-04-03 Broken River the kind of place that the world just passes by nothing really ever happens there For a young boy named Roddy Swartz Broken River was a place of marvel and discovery There is a brooding dark secret that plagues Roddy s family and he is soon to discover that there is more to Broken River than he could ever have imagined At the beginning of the book Roddy finds himself thrown into a world of magical creatures and heroes of the World of Origin created by the Alchemists Soon a dark power will cross into Roddy s world of reality and bring the young boy into a new world of emotion and imagination The dark power will try to gain a grip on both worlds The World of Origin and the World of Roddy Both these worlds will collide into an adventure of unparalleled existence Bad Guys Finish Last Rashun Carter,2022-06-30 Nice guys finish last Tell that to Jazz Jackson or his peers at Parody High School and they d think you re crazy In fact Jazz knows firsthand that good guys are commonly desired over he and his crew s bad guy mannerisms However with his school s Finale School Dance on the horizon Jazz discovers an interest which goes entirely against the grain Could this interest bloom into his first girlfriend Or will he remain in last place as a bad guy **Flood on Piney River, November 18-19, 1957, in Vicinity of Spring City, Tennessee** Tennessee Valley Authority.
