Purdum, 2018-04-03 Even before they joined forces Richard Rodgers and Oscar Hammerstein II had written dozens of Broadway shows but together they pioneered a new art form the serious musical play Their songs and dance numbers served to advance the drama and reveal character a sharp break from the past and the template on which all future musicals would be built This is a portrait of that creative partnership Amazon com The Virgin Encyclopedia of Fifties Music Colin Larkin, 2002 All the facts and informed opinion that you need on the artists who made the history of this decade are contained in this single volume distilled from The Virgin Encyclopedia of Popular Music universally acclaimed as the world's leading source of reference on rock and pop history South Pacific Jim Lovensheimer, 2010-08-26 Rodgers and Hammerstein's Tony and Pulitzer Prize winning musical South Pacific has remained a mainstay of the American musical theater since it opened in 1949 and its powerful message about racial intolerance continues to resonate with twenty first century audiences Drawing on extensive research in the Rodgers and the Hammerstein papers including Hammerstein's personal notes on James A Michener's Tales of the South Pacific Jim Lovensheimer offers a fascinating reading of South Pacific that explores the show's

complex messages and demonstrates how the presentation of those messages changed throughout the creative process Indeed the author shows how Rodgers and especially Hammerstein continually refined and softened the theme of racial intolerance until it was more acceptable to mainstream Broadway audiences Likewise Lovensheimer describes the treatment of gender and colonialism in the musical tracing how it both reflected and challenged early Cold War Era American norms. The book also offers valuable background to the writing of South Pacific exploring the earlier careers of both Rodgers and Hammerstein showing how they frequently explored serious social issues in their other works and discussing their involvement in the political movements of their day such as Hammerstein's founding membership in the Hollywood Anti Nazi League Finally the book features many wonderful appendices including two that compare the original draft and final form of the classic songs I m Gonna Wash That Man Right Out a My Hair and I m In Love With a Wonderful Guy Thoroughly researched and compellingly written this superb book offers a rich intriguing portrait of a Broadway masterpiece and the era in which it was created **Billboard** ,1946-11-09 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
