Wade Marian Faux,1994 **Roe V. Wade** D. J. Berry,2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia

for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump's candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century

Roe V. Wade N. E. H. Hull, Peter Charles Hoffer, 2001 The issue of abortion has sharply divided America The bitter debate over Roe v Wade in the courts legislatures press and streets has grown ever more ferocious since the Supreme Court's landmark decision in 1973 For years pro choicers have applauded Roe as a guarantee of women's rights while pro lifers have condemned it as the work of an activist and atheistic Court Now it looms at the centre of a growing political storm as a new president and old Court and a divided Congress reconsider Roe's status in the wake of the controversial 2000 elections

Roe V. Wade Susan Tyler Hitchcock, 2009 When a young Dallas woman known publicly as Jane Roe was denied the right to terminate her pregnancy she found a lawyer who would take her case all the way to the Supreme Court Roe's lawyer charged that the Texas law that made having or performing an abortion a criminal act violated the First Fourth Fifth Ninth and Fourteenth Amendments In 1973 after four years in the court system Roe's case was decided According to Justice Harry Blackmun The right of privacy whether it be founded in the Fourteenth Amendment's concept of personal liberty and restrictions on state action or in the Ninth Amendment's reservation of rights to the people is broad enough to encompass a woman's decision to terminate her pregnancy Thus all state laws outlawing abortion were overturned Perhaps the Court's most controversial case 410 U S 113 continues to incite debate fuel emotions and influence political campaigns and elections Roe v Wade offers a comprehensive history of this polemical decision supplementing lucidly written text with full color photographs detailed footnotes biographies and more
