Ballenesque Roger Ballen, 2022-01-31 A substantial retrospective on one of the world's most remarkable and critically acclaimed art photographers Separated into four parts Ballenesque takes readers on a visual chronological journey through Roger Ballen's entire oeuvre including both iconic images and previously unpublished photographs Part I explores his formative artistic influences and his later rediscovery of boyhood through photography culminating in his first published monograph *Boyhood* in 1979 Part II then charts the period between 1980 and 2000 during which time his deeper search for the elemental self found its way into the Dorps or small towns of South Africa and concluding with the release of his seminal monograph *Outland* Part III covers the years 2000-2013 when Ballen achieved global recognition with *Shadow Chamber* and *Boarding House* and his work began to veer away from portraiture altogether Finally in Part IV Ballen reflects upon his career in its entirety With over 300 photographs and an introduction by eminent academic Robert J C Young this book provides both an entirely new way of seeing Ballen's work for those who already follow his career and a comprehensive introduction for those encountering his photographs for the first time Spd 41, This book celebrates the most outstanding editorial design produced in 2005 It is an essential reference tool for all graphic designers educators students and editors
