Roger Casement:

Sir Roger Casement's Heart of Darkness Roger Casement, 2003 **Sir Roger Casement** Louis G. Redmond-Howard, 1916 **Roger Casement** Angus Mitchell, 2014-01-23 A fascinating examination of the extraordinary life of Roger Casement executed as part of the 1916 rising fighting the empire that had previously knighted him Roger Casement was a British consul for two decades However his investigation into atrocities in the Congo led Casement to anti Imperialist views Ultimately this led him to side with the Irish Republican movement leading up to the 1916 rising Arrested by the British for gun trafficking he was incarcerated in the Tower of London and then placed in the dock at the Royal Courts of Justice in an internationally publicised state trial for high treason He was hanged in Pentonville prison on the 3 August two years to the day after Britain's declaration of war in 1914 **Speech of Roger Casement from the Dock** Roger Casement, Fergus O'Connor, 1916 **The Amazon Journal of Roger Casement** Roger Casement, 1997 This book from the previously unpublished manuscript in the National Library of Ireland is a valuable and deeply detailed edition of the diary kept by Casement during his journey into the South American rainforests He had been sent by the British government to report on atrocities against tribal people while being forced to collect rubber in the Putumayo region in the north west Amazon Genocide among the Amazon Indians has continued but external investigations of this kind have been rare The way in which Roger Casement carried out his work is still relevant to all kinds of humanitarian and whistle blowing activities It is also a key text charting Casement's transition from observer to anti imperial revolutionary and Irish independence leader culminating in his execution by the British government in August 1916 after the Easter Rising **Roger Casement** Geoffrey de C. Parmiter, 1936 *Some Poems of Roger Casement* Roger Casement, 2021-05-19 In *Some Poems of Roger Casement* the renowned Irish nationalist and humanitarian presents a poignant collection of verse that reflects his profound engagement with themes of human rights imperialism and identity Employing a lyrical yet evocative literary style Casement's poems blend personal introspection with political commentary using rich imagery and emotive language to explore the complexities of loyalty betrayal and the human condition Written during a tumultuous period in Irish history these works serve as both a testament to his artistic sensibility and a critique of the socio political milieu surrounding him situating the collection firmly within the context of early 20th century literature marked by a swell of nationalist sentiment and anti colonial discourse Roger Casement best known for his investigative work in the Belgian Congo and his role in the Irish nationalist movement draws deeply from his experiences as a public figure embroiled in the politics of oppression and liberation His multifaceted identity as an author diplomat and activist informs his poetic expression as he channels both the disillusionment and hope of marginalized peoples under colonial rule into every line The collection is thus not merely a literary endeavor but a poignant reflection of his broader fight for justice and human dignity Readers seeking an intellectually stimulating experience that intersects poetry with pressing social issues will find *Some Poems of Roger Casement* illuminating Casement's masterful

blending of aesthetic beauty with a passionate call for justice makes this collection essential reading for those interested in the intersection of art humanity and activism This work not only enriches our understanding of Casement's legacy but also reverberates with relevance in today's ongoing struggles for human rights across the globe

Feis Na nGleann Eamon Phoenix, 2005 The Glens of Antrim formed one of the last Irish speaking areas of Ulster until the early 1900s Until the opening of the Antrim coast road in the 1850s Irish was universally spoken in the Glens and on Rathlin The turn of the 19th century saw the Gaelic Revival which in the north of Ireland involved both Unionists and Nationalists in an effort to preserve Irish as a spoken language It was against this background of cultural renaissance that Feis na nGleann The Glens Feis was founded in 1904 as the first Gaelic cultural festival in east Ulster That inaugural Feis harnessed the talents of the Glens folk and a group of leading Big House figures in the locality among them Miss Rose Young of Galgorm Castle Miss Ada McNeill of Cushendun and Miss Margaret Dobbs Others included Sir Roger Casement then a recent convert to Irish nationalism Eoin MacNeill Glensman and language revivalist Francis Joseph Bigger lawyer and antiquarian John Benmore Clarke and Joseph Campbell the Belfast poet This book traces the origins of Feis na nGleann in that crease in time between Parnell and the 1916 Rising In a series of scholarly chapters experts profile the historic founders of the Feis and record the history of Irish in the district There are special sections on the traditional arts and crafts fostered by the Feis the once famous Glens toy making industry the role of hurling and the rich literary legacy of the Feiseanna The book is lavishly illustrated with unique contemporary photographs The result is attractive and readable volume which will appeal to all those interested in the history and culture of the Glens and the fortunes of the Irish language in the north of Ireland

condemn him and subsequently to poison his reputation Published here for the first time as are his more public White Diaries of the same year they not only offer the reader the opportunity to judge their authenticity still a matter of heated debate but they also take us deep into the mind of the bravest most selfless and practical humanitarian of the Edwardian age

Vargo, Marc Vargo, 2003 A compelling and thorough examination of same sex controversies ranging from accusations of obscenity and libel to espionage treason murder and political dissent this startling book explores cases where the subject of homosexuality came into public view in an explosive sensational manner stalling and sometimes reversing any progress made by the gay and lesbian community in mainstream society Facing penalties that included censorship imprisonment deportation and even death these gay men and women displayed dignity courage and wisdom in the face of public attack

Roger Casement, 1916 Roger Casement Brian Inglis, 1974 This masterly biography examines the fascinating and contradictory career of Roger Casement one of the most controversial figures of the last century Roger Casement was brought up as a Protestant in Dublin and began his extraordinary career as one of Stanley's volunteers in the Congo Free State During his time in Africa he exposed King Leopold II's exploitation of the natives and went on to reveal the ruthlessness of the British in South America for which he received a knighthood In Germany after the outbreak of the First World War he claimed Ireland's right to recognition to independent nationhood he returned to Ireland in 1916 in a U boat was captured taken to London tried and hanged as a traitor To further blacken his name the British government released what purported to be his diaries which demonstrated that he had been a practising homosexual Controversy still rages today as to whether or not these were forgeries In this absorbing study Brian Inglis throws new light on Casement's life examining evidence from Foreign Office files to discover the truth about his influence at home and abroad He explores the contradictions political religious and personal of a man whose life posed many questions that continue to be asked today

Book jacket **Trial of Sir Roger Casement** Roger Casement, Great Britain. High Court of Justice. King's Bench Division, Great Britain. Court of Criminal Appeal, 1917 Casement having held diverse high appointments under the British Crown having been knighted for his services and having retired on a pension upon the outbreak of hostilities proceeded to Germany where he was actively employed in inciting the Irish prisoners of war to join the German arms against England The frustration of his attempt to run men arms and ammunition with a view to raising a rebellion in Ireland reads more like some tale of strange adventure than sober history The speech by Casement from the dock after conviction is one of the most dramatic in the annals of British procedure

Sex, Power, and Slavery Gwyn Campbell, Elizabeth Elbourne, 2014-12-10 Sexual exploitation was and is a critical feature of enslavement Across many different societies slaves were considered to own neither their bodies nor their children even if many struggled to resist At the same time paradoxes abound for example in some societies to bear the children of a master was a potential route to manumission for some women Sex Power and Slavery is the first history of slavery and bondage to take sexuality seriously Twenty six authors from diverse scholarly

backgrounds look at the vexed traumatic intersections of the histories of slavery and of sexuality They argue that such intersections mattered profoundly and indeed that slavery cannot be understood without adequate attention to sexuality Sex Power and Slavery brings into conversation historians of the slave trade art historians and scholars of childhood and contemporary sex trafficking The book merges work on the Atlantic world and the Indian Ocean world and enables rich comparisons and parallels between these diverse areas Contributors David Brion Davis Martin Klein Richard Hellie Abdul Sheriff Griet Vankeerberghen E Ann McDougall Matthew S Hopper Marie Rodet George La Rue Ulrike Schmieder Tara Iniss Mariana Candido James Francis Warren Johanna Ransmeier Roseline Uyanga with Marie Luise Ermsch Francesca Ann Louise Mitchell Shigeru Sato Gabeba Baderoon Charmaine Nelson Ana Lucia Araujo Brian Lewis Ronaldo Vainfas Salah Trabelsi Joost Cot Sandra Evers and Subho Basu Roger Casement in Irish and World History Mary E. Daly, 2005 Numerous scholars assess the legacy of Sir Roger Casement who came to prominence for his work on human rights abuses in the Congo and South America He s held the status of a folk hero and martyr as a humanitarian turned republican organiser who was stripped of his knighthood in 1911 and executed for treason in 1916 *Roger Casement* René MacColl, Roger Casement, 1960 Roger Casement René MacColl, 1956 **Ireland and Ecocriticism** Eóin Flannery, 2015-10-05 This book is the first truly interdisciplinary intervention into the burgeoning field of Irish ecological criticism Providing original and nuanced readings of Irish cultural texts and personalities in terms of contemporary ecological criticism Flannery s readings of Irish literary fiction poetry travel writing non fiction and essay writing are ground breaking in their depth and scope Explorations of figures and texts from Irish cultural and political history including John McGahern Derek Mahon Roger Casement and Tim Robinson among many others enable and invigorate the discipline of Irish cultural studies and international ecocriticism on the whole This book addresses the need to impress the urgency of lateral ecological awareness and responsibility among Irish cultural and political commentators to highlight continuities and disparities between Irish ecological thought writing and praxis and those of differential international writers critics and activists and to establish both the singularity and contiguity of Irish ecological criticism to the wider international field of ecological criticism With the introduction of concepts such as ecocosmopolitanism deep history ethics of proximity Gaia Theory urban ecology and postcolonial environmentalism to Irish cultural studies it takes Irish cultural studies in bracing new directions Flannery furnishes working examples of the necessary interdisciplinarity of ecological criticism and impresses the relevance of the Irish context to the broader debates within international ecological criticism Crucially the volume imports ecological critical paradigms into the field of Irish studies and demonstrates the value of such conceptual dialogue for the future of Irish cultural and political criticism This pioneering intervention exhibits the complexity of different Irish cultural and historical responses to ecological exploitation degradation and social justice **The Life and Death of Roger Casement** Denis Gwynn, 1936
