Robert Lehman 1891–1969 one of the foremost art collectors of his generation embraced the work of both traditional and modern masters. This volume catalogues 130 nineteenth and twentieth century paintings that are now part of the Robert Lehman Collection at The Metropolitan Museum of Art. The majority of the works are by artists based in France but there are also examples from the United States, Latin America and India reflecting Lehman's global interests. The catalogue opens with outstanding paintings by Ingres, Théodore Rousseau and Corot among other early nineteenth century artists. They are joined by an exemplary selection of Impressionist and Post Impressionist works by Degas, Renoir, Sisley, Pissarro, Seurat, Signac, Van Gogh, Cézanne and Gauguin. Twentieth century masters represented here include Bonnard, Matisse, Rouault, Dalí and Balthus. There are also newly researched modern works by Vicente do Rego Monteiro, Kees van Dongen, Dietz Edzard and D. G. Kulkarni. Robert Lehman's cultivated taste for nineteenth century French academic practitioners and his intuitive eye for emerging young artists of his own time are documented and discussed. Three hundred comparative illustrations supplement the catalogue entries as do extensively researched provenance information, exhibition histories and references. The volume also includes a bibliography and indexes.

A Cubism Reader Mark Antliff, Patricia Dee Leighton, 2008. This definitive anthology covers the historical genesis of cubism from 1906 to 1914 with documents that range from manifestos and poetry to exhibition prefaces and reviews to articles that address the cultural, political and philosophical issues related to the movement. Most of the texts Mark Antliff and Patricia Leighton have selected are from French sources but their inclusion of carefully culled German, English, Czech, Italian and Spanish documents speaks to the international reach of cubist art and ideas. Equally wide ranging are the writers represented: a group that includes Guillaume Apollinaire, Gertrude Stein, Jean Metzinger, Albert Gleizes, Fernand Léger, Francis Picabia, André Salmon, Raymond Duchamp-Villon, Henri Le Fauconnier and many others.
