Rogers The Town The Frisco Built

Kevin Cook

Rogers The Town The Frisco Built:

Rogers Marilyn Collins, Rogers Historical Museum, 2002-05-15 The engine's piercing whistle blast and the rhythmic beat of metal wheel upon metal rail in 1881 were the recognizable sounds of progress and prosperity for many wishing to push west across the American expanse. The advent of the railroad in the nineteenth century gave birth to hundreds of communities and Rogers was one such town created by the extension of this iron network across a changing national landscape. Set upon the Ozark Plateau, Rogers evolved from a hunting ground of the Osage Indians into a bustling railroad stop attracting scores of new people and industry into the northwest corner of Arkansas. With over 100 black and white illustrations, *Rogers The Town the Frisco Built* documents the development of the community from its Native American roots to the present day and remembers the many people and events that shaped the town's unique identity and heritage. Exploring the downtown streets, residences, and businesses of yesteryear, readers will meet men like Charles Warrington Rogers, the general manager of the St. Louis and San Francisco Railroad, and the town's namesake W. H. Coin Harvey, a Liberty Party 1932 Presidential candidate and somewhat eccentric local entrepreneur, and local resident Betty Blake, who was the wife and biographer of humorist and political satirist Will Rogers. Their contributions combined with other stories of celebrated families and distinguished citizens bring to life many elements of Rogers' remarkable history: a world of saloons, one-room schoolhouses, churches, resorts, apple orchards, chicken farms, the Daisy Manufacturing Plant, and Wal-Mart. **Rogers**

Marilyn Harris Collins, 2006 Early Rogers settlers witnessed the Butterfield Overland Stage moving West, the agony of the Trail of Tears, Civil War soldiers heading for battle at nearby Pea Ridge, and later greeted the arrival of the railroad just 28 days before the town incorporated on June 6, 1881. Readers will encounter Capt. C. W. Rogers, the town's namesake, Coin Harvey's dream of a pyramid, Betty Blake, who married world-renowned Will Rogers, and William Henry Kruse's vision of gold under an old apple tree. More importantly, this book is full of everyday people who built a town, erected churches and schools, and provided a livelihood for their families. Historic downtown has remained largely unchanged, with wide brick streets and buildings listed on the National Register of Historic Places. Rogers is home to the Rogers Historical Museum, the Daisy Airgun Museum, the restored Victory Theater, and the first Wal-Mart store. *Small-Town Dreams* John E. Miller, 2014-03-28 We live these days in a virtual nation of cities and celebrities, dreaming a small town America rendered ever stranger by purveyors of nostalgia and dark visionaries from Sherwood Anderson to David Lynch. And yet it is the small town that world of local character and neighborhood lore that dreamed the America we know today, and the small town boy like those whose stories this book tells who made it real. In these life stories beginning in 1890 with frontier historian Frederick Jackson Turner and moving up to the present with global shopkeeper Sam Walton, a history of middle America unfolds as entrepreneurs and teachers like Henry Ford, George Washington Carver, and Walt Disney; artists and entertainers like Thomas Hart Benton, Grant Wood, Carl Sandburg, and Johnny Carson; political figures like William McKinley, William Jennings Bryan, and Ronald Reagan.

and athletes like Bob Feller and John Wooden by turns engender and illustrate the extraordinary cultural shifts that have transformed the Midwest and through the Midwest the nation and the world Many of these men are familiar icons even Ford and Reagan certainly Ernie Pyle Sinclair Lewis James Dean and Lawrence Welk and others like artists Oscar Micheaux and John Stuart Curry economist Alvin Hansen and composer Meredith Willson less so But in their stories as John E Miller tells them all appear in a new light unique in their backgrounds and accomplishments united only in the way their lives reveal the persisting shaping power of place and particularly the Midwest on the cultural imagination and national consciousness In a thoroughly engaging style Miller introduces us to the small town Midwestern boys who became these all American characters privileging us with insights that pierce the public images of politicians and businessmen thinkers and entertainers alike From the smell of the farm the sounds and silences of hamlets and county seats the schoolyard athletics and classroom instruction and theatrical performance we follow these men to their moments of inspiration innovation and fame observing the workings of the small town past in their very different relationships with the larger world Their stories reveal in an intimate way how profoundly childhood experiences shape personal identity and how deeply place figures in the mapping of thought belief ambition and life's course

Racial Cleansing in Arkansas, 1883-1924 Guy Lancaster, 2014-07-30 Even before the end of Reconstruction in Arkansas the state already possessed a long standing reputation for violence including lynchings duels and feuds However the years following Reconstruction witnessed the creation of new forms of mob violence All across the state gangs of whites sought to drive African Americans from their homes their jobs and their positions of authority creating communities shamelessly advertised as 100% white This happened not only in the highland regions the Ozarks and the Ouachitas where the expulsion of African Americans created so called sundown towns but it also occurred in the low lying Delta lands of eastern Arkansas where cotton was king and where masked mobs of landless whitecappers and nightriders regularly dealt terror and murder to black sharecroppers *Racial Cleansing in Arkansas 1883-1924 Politics Land Labor and Criminality* by Guy Lancaster is the first book to examine the phenomenon of racial cleansing within the context of one particular state illustrating how violence relates to geography and economic development Lancaster analyzes the wholesale expulsion of African Americans and the emergence of sundown towns together with a survey of more limited deportations including those with blatant political goals as well as vigilante violence The book has broader implications not only for the study of Southern and American history but also for a deeper understanding of ethnic and racial conflict local politics and labor history

A History of the Ozarks, Volume 3 Brooks Blevins, 2021-12-14 Between the world wars America embraced an image of the Ozarks as a remote land of hills and hollers The popular imagination stereotyped Ozarkers as ridge runners hillbillies and pioneers a cast of colorful throwbacks hostile to change But the real Ozarks reflected a more complex reality Brooks Blevins tells the cultural history of the Ozarks as a regional variation of an American story As he shows the experiences of the Ozarkers have not diverged from the currents of mainstream life as sharply or

consistently as the mythmakers would have it. If much of the region seemed to trail behind by a generation, the time lag was rooted more in poverty and geographic barriers than a conscious rejection of the modern world and its progressive spirit. In fact, the minority who clung to the old ways seemed exotic largely because their anachronistic ways clashed against the backdrop of the evolving region around them. Blevins explores how these people's disproportionate influence affected the creation of the idea of the Ozarks and reveals the truer idea that exists at the intersection of myth and reality. The conclusion to the acclaimed trilogy *The History of the Ozarks Volume 3: The Ozarkers* offers an authoritative appraisal of the modern Ozarks and its people.

Titanic Thompson: The Man Who Bet on Everything Kevin Cook, 2010-11-22 Capturing the spirit of a freewheeling era, this rollicking biography brings to life the gambler hero who inspired *Guys and Dolls*. Born in a log cabin in the Ozarks, Alvin Titanic Thompson (1892-1974) traveled with his golf clubs, a .45 revolver, and a suitcase full of cash. He won and lost millions playing cards, dice, golf, pool, and dangerous games of his own invention. He killed five men and married five women, each one a teenager on her wedding day. He ruled New York's underground craps games in the 1920s and was Damon Runyon's model for slick talking. Sky Masterson, dominating the links in the pre-PGA Tour years, Thompson may have been the greatest golfer of his time, teeing up with Ben Hogan, Sam Snead, Lee Trevino, and Ray Floyd. He also traded card tricks with Houdini, conned Al Capone, lost a million to Minnesota Fats, and then teamed up with Fats and won it all back. A terrific read for anyone who has ever laid a bet, *Titanic Thompson* recaptures the colorful times of a singular figure in America's original road gambler.

Boom Town Marjorie Rosen, 2009-10 Investigating the personal stories behind the headquarters of the Wal-Mart empire, this examination focuses on the growth of Bentonville, Arkansas, a microcosm of America's social, political, and cultural shift. Numerous personalities are interviewed, including a multimillionaire Palestinian refugee who arrived penniless and is now dedicated to building a synagogue, a Mexican mother of three who was fired after injuring herself on the job, a black executive hired to diversify Wal-Mart whose arrival coincided with a KKK rally, and a Hindu father concerned about interracial dating. In documenting these citizens' stories, this account reveals the challenges and issues facing those who compose this and other boom towns, where demographics, the economy, and immigration and migration patterns are continually in flux. In shedding light on these important and timely anecdotes of America's changing rural and suburban landscape, this exploration provides an entertaining and intimate chronicle of the different ethnicities, races, and religions, as well as their ongoing struggles to adapt. Emerging as subtle sociology combined with drama and humanity, this overview illustrates the imperceptible and occasionally unpredictable movements that affect the nonmetropolitan environment of the United States.

Slow Travels-Arkansas Lyn Wilkerson, 2009-08-23 *Slow Travels* Arkansas is the first in our new *Slow Travels* series. U.S. Highways 61, 67, 70, 71, and 79 are followed through Arkansas, crisscrossing the state and providing a wealth of historical information along the way. Eight maps provide reference points along the way. Your purchase includes a \$1 donation to the American Trails Preservation Trust. The *Slow Travels* series encourages

the driving tourist to take the slower paced route and see the rich history which lies along that highway Not only are the more popular sites examined but you are also shown the many places in between those sites which are most often overlooked 90% of our history is either distinguished by only a marker or no marker at all That is the history most travelers are missing and that is what the purpose of Caddo Publications USA is to bring that missing history to everyone s attention

HISTORIC ROGERS COUNTY Bob Burke,Eric Dabney,2010 An illustrated history of Rogers County Oklanoma paired with histories of the local companies **The Papers of Will Rogers: From vaudeville to Broadway : September 1908-August 1915** Will Rogers,Steven K. Gragert,M. Jane Johansson,2001-05-01 This third volume of The Papers of Will Rogers documents the evolution of Rogers s vaudeville career as well as the newlywed life of Will and Betty Blake Rogers and the birth of their children During these years the Rogerses moved to New York City and after many years of performing with Buck McKee and horse Teddy Rogers began a solo act in vaudeville as a talking roping cowboy He appeared on the same playbill with such performers as Fred Stone Eddie Cantor and Houdini and his stage career expanded to include an appearance in the Broadway musical comedy The Wall Street Girl Volume Three ends with Rogers s successful transition from vaudeville to Broadway on the brink of his breakthrough as a star of the Ziegfeld Follies *The Papers of Will Rogers: The early years, November 1879-April 1904* Will Rogers,1995-11-30 Horses friends ragtime music and steer roping those were the interests of the youthful Will Rogers as he came of age in the Indian Territory and traveled to the Southern Hemisphere in this first of six definitive volumes of The Papers of Will Rogers By separating fact from legend and unveiling new knowledge via extensive archival research this documentary history represents a unique contribution to Rogers scholarship and to studies of the Cherokee Nation West Using many previously unpublished letters and photographs together with introductions notes and biographies of his friends and relatives volume one illuminates Rogers s complex relationship with his father his Cherokee heritage his early education first encounters with his future wife Betty Blake his voyage to Argentina and his fledging years in Wild West shows and circuses in South Africa New Zealand and Australia Coorespondence performance reviews and rare newspaper documents spotlight the singular experiences that shaped the young Rogers within the context of his family his ethnic background and historical events No other book describes so provocatively and authentically the genesis of America s most beloved and influential humorist *The Zinc City, Webb City, Missouri* Jeanne Newby,2021-10-08 This book is a partial collection of research done by Jeanne Newby in her thirty one years of writing a weekly column in the local newspaper The Webb City Sentinel known as Ancestors Legends and Time That would include approximately 1 612 articles Jeanne acquired a passion for local history in those thirty one years Not just Webb City but many of the other small towns in the local community which made up the well known Southwest Missouri Mining District In researching the many forefathers of Webb City s past much genealogy came forth which is another of Jeanne s passions There were many opportunities for Jeanne to give tours of the city and share the history with individuals and bring that

history to life One fun project was being able to take young second graders high school students and other classes on tours as well The children learned of buildings that no longer existed what businesses existed in the buildings they see today and the unique architecture of the beautiful buildings *Washington and Benton Counties Arkansas* Diane Hanley,Ray Hanley,1998-10 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art At the turn of the century the northwest corner of Arkansas was a remote region of small towns and farms Today Washington and Benton Counties are among the nation s most rapidly growing metropolitan areas This book captures sixty years of that evolution 1900 1960 in more than two hundred carefully selected postcard images The postcards enhanced by the actual words penned by the senders are accompanied by extensively researched facts that bring to life both the images and the history of the region

Books in Print Supplement ,2002 **Encyclopedia of Oklahoma** Nancy Capace,1999-01-01 The Encyclopedia of Oklahoma contains detailed information on States Symbols and Designations Geography Archaeology State History Local History on individual cities towns and counties Chronology of Historic Events in the State Profiles of Governors Political Directory State Constitution Bibliography of books about the state and an Index [History of Wichita and Sedgwick County, Kansas](#) Orsemus Hills Bentley,1910 *LIFE* ,1949-07-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **A Local Kid (Does Only O.K.)** Ben L. Bassham,2012-06-15 A Local Kid Does Only O K is a witty and affectionate account of one boys growing up in Rogers Arkansas in the late forties and the fifties in the days before malls credit cards and big box stores when people shopped and found entertainment in what is now the historic town center A 1960 graduate of Rogers High School Bassham recalls his checkered employment history as a soda jerk dishwasher fry cook carpenter and sports reporter at age 17 for the old Rogers Daily News Begun as a family history for his two daughters this remembrance of his home town in the years after World War II grew into something more a collection of lessons learned at the Presbyterian church of triumphs and mostly disappointments on the gridiron and the basketball court his brief career as a clarinetist under the spell of local musical prodigy Maxie Gundlach Bens love of the cars that graced dealers showrooms his devotion to fifties television shows and the many hours spent watching movies at the old Victory Theater A cast of colorful local personalities comes alive in his portraits of town characters its leading citizens including Cactus Clark Joe Bill Hackler Rev Robert Moser Heston Juhre and others and the authors eccentric relatives Junk food consumed clubs joined and abandoned favorite parking spots old days at the Monte Ne Pyramids and fun times on the White River in pre Beaver Dam days are also lovingly recalled in this enjoyably off beat autobiography [Will Rogers' World](#) Will Rogers,Bryan B. Sterling,Frances N. Sterling,1993 Rogers observations are as stingingly accurate in our post modern world as they were in

the 1920s and 30s He has inspired two one man shows and a five year Broadway hit that is still 1 at the box office because of his humor compassion and intimate understanding that current events are the logical result of the human condition The Ozarks Milton D. Rafferty, 2001-11-01 The Ozark Mountains reach into Missouri Arkansas Oklahoma and Kansas forming a region with great natural beauty and a distinctive cultural and historical landscape This comprehensive volume a fully updated edition of a beloved classic reaches into history anthropology economics and geography to explore the complex relationships between the Ozarks people and land through times of profound change Drawing on more than thirty years of research field observations and interviews Rafferty examines this subject matter through a range of topics the settlement patterns and material cultures of Native Americans French Scotch Irish Germans Italians African Americans Hispanics and Asians in the region population growth the guerrilla warfare and battles of the Civil War the cultural transformations wrought by railroads roads mass media and modern communication systems the discovery development and decline of the great mining districts the various forms of agriculture and the felling of the region s vast forests and the built landscape from log cabins to Victorian mansions to strip malls This new edition also explores the new and potent forces which have reshaped the region over the last twenty years tourism and the growing service industry suburbanization rapid population growth and retirement living and agribusiness Lavishly illustrated with historic and contemporary photographs maps and charts
