Rogue Rancher Will Travers,1964 Rogue Rancher Steve Dallas,1992 **Hobo Cowboy** Jack Overbey,2018-10-10

As Chief Sitting Bull stepped up on the porch he turned to face the crowd My friends he began by sweeping his right arm around encompassing all in attendance I am called Sitting Bull war chief of the Lakota Sioux but it was not always so My mother and father named me at birth Jumping Badger My name was changed to Sitting Bull after my coming of age vision My ancestors and I grew up in the sacred Black Hills of Dakota where we lived happily for many thousands of years And then the white eyes came We lived by our own tribal law and the law of the great spirit which is true and just then the Great White Father in Washington said he wanted all of our land for themselves and the yellow iron found on it then sending Yellow Hair Custer to our land to find the yellow iron breaking our treaties which we had signed many times but was broken each time by the white man not us They told us upon threat of war and death to give up our sacred land and go live on the white man s reservation They said we must send our children to white man s school learn the white man s ways forget the ways of our fathers and grandfathers plow the Mother Earth they wanted our weapons turned over to the blue coats these things we could not do As any man worth his small ration of salt would do even as the white eyes have done in their civil war we fought for our freedom **The Cowboy** Charles W. Harris,Buck Rainey,1976-07-15 One of America s unique contributions to world culture the cowboy has captured the imagination of people everywhere In The Cowboy Six Shooters Songs and Sex eight renowned western writers report on what the cowboys really were like and what they are like today Contributors detail how the cowboys lived loved and died how they fared when ranchers switched from running cattle to entertaining dudes and how the media have depicted the cowboy **Rancher Under Fire** Vickie McDonough,2014-09-02 SABOTAGE AT ANGELFIRE RANCH Jackson Durant would go to any lengths to protect his young daughter and his ranch He knows the puzzling incidents on his homestead are no accidents Someone is after him but who And why Reporter Mariah Reyes is determined to find out She never expected her pursuit of a story on the reclusive rancher would endanger her life nor that she d fall for the cowboy But when Jackson s daughter is kidnapped she ll do anything to help save the little girl even if it means becoming a target herself Up in Arms John Temple,2019-06-25 IT S TIME They have my cattle and now they have one of my boys Range War begins tomorrow at Bundy Ranch These words pounded out on a laptop at Cliven Bundy s besieged Nevada ranch on April 6 2014 ignited a new American revolution Across the country a certain type of citizen snapped to attention This was the flashpoint they d been waiting for a chance to help a fellow American stand up to a tyrannical and corrupt federal government Up in Arms chronicles how an isolated clan of desert dwelling Mormons became the guiding light and then the outright leaders of America s Patriot movement The nation was riveted in 2014 when hundreds of Bundy supporters many of them armed forced federal agents to abandon a court ordered cattle roundup Then in 2016 Ammon Bundy one of Cliven s 13 children led a 41 day armed takeover of the Malheur National Wildlife Refuge in Oregon Those events and the subsequent

shootings arrests and trials captured headlines but they re just part of a story that has never been fully told John Temple award winning journalist and author of American Pain gives readers an unprecedented and objective look at the real people and families at the heart of these highly publicized standoffs Up in Arms offers a propulsive narrative populated by rifle toting cowboys apocalyptic militiamen undercover infiltrators and the devout and charismatic Bundys themselves Neither mainstream nor conservative media outlets have contextualized the religious political environmental and economic factors that set the stage for these events Up in Arms provides a framework for understanding this diverse collection of American rebels who believe government overreach justifies the taking up of arms **The Rancher's Revenge** Max
