## **Rogue River Cowboy:**

**Rogue River Cowboy** Lauran Paine,2002      *Rogue River Cowboy* Lauran Paine,1958      *Rogue River Cowboy, Etc* Lauran Paine,1958      The Cowboy in Country Music Don Cusic,2011-07-29 This series of biographical profiles shines a spotlight on that special place Where the West meets the Guitar From Gene Autry and Roy Rogers to contemporary artists like Michael Murphy Red Steagall Don Edwards and Riders in the Sky many entertainers have performed music of the West a genre separate from mainstream country music and yet an important part of the country music heritage Once called Country and Western it is now described as Country or Western Though much has been written about Country very little has been written about Western until now Featured are a number of photos of the top stars in Western music past and present Also included is an extensive bibliography of works related to the Western music field      **Let the Cowboy Ride** Paul F. Starrs,2000-03-17 The dime novel and dude ranch the barbecue and rodeo the suburban ranch house and the urban cowboy all are a direct legacy of nineteenth century cowboy life that still enlivens American popular culture Yet at the same time reports of environmental destruction or economic inefficiency have motivated calls for restricted livestock grazing on public lands or even for an end to ranching altogether In *Let the Cowboy Ride* Starrs offers a detailed and comprehensive look at one of America s most enduring institutions Richly illustrated with more than 130 photographs and maps the book combines the authentic detail of an insider s view Starrs spent six years working cattle on the high desert Great Basin range with a scholar s keen eye for objective analysis      *American Cowboy* ,1997-09 Published for devotees of the cowboy and the West *American Cowboy* covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage *American Cowboy* immerses readers in the cowboy life and the magic that is the great American West      **Last of the Cowboy Heroes** Robert Nott,2015-09-15 In the world of Western films Randolph Scott Joel McCrea and Audie Murphy have frequently been overlooked in favor of names like Roy Rogers and John Wayne Yet these three actors played a crucial role in the changing environment of the post World War II Western and in the process made many excellent middle budget films that are still a pleasure to watch This account of these three Western stars careers begins in 1946 when Scott and McCrea committed themselves to the Western roles they would play for nearly twenty years Murphy who also joined them in 1946 would continue his Western career for a few years after his cohorts rode into the film sunset Arranged chronologically and balanced among the three actors the text concludes with Audie Murphy s last Western in 1967 Covering both the personal and professional lives of these three Hollywood cowboys the book provides both their stories and the story of a Hollywood whose attitude toward the Western was in a time of transition and transformation The text is complemented by 60 photographs and a filmography for each of the three      *American Cowboy* ,2002-11 Published for devotees of the cowboy and the West *American Cowboy* covers all aspects of the Western lifestyle delivering the best in

entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West      **Cowboy Politics** John S. Nelson,2017-11-01 The politics of popular westerns are surprising in substance and significance especially of late Cowboy Politics shows how westerns in literature cinema and television face the challenges of Western Civilization even more than the perils of American frontiers Its strategy is to compare key westerns with major theories of modern and postmodern politics So it analyzes novels from Owen Wister to Zane Grey and Larry McMurtry It focuses on films from the western revival beginning in the 1990s and featuring Clint Eastwood s Unforgiven while its interest in TV stretches from singing cowboys and Gunsmoke to David Milch s Deadwood Critics are apt to find in westerns the modern politics of Thomas Hobbes and John Locke They tap devices of individuality rationality contract sovereign enforcement and representation to overcome the chaotic violence of a wild zone Cowboy Politics examines how westerns often find such measures insufficient to tame the West as a culture of honor and anger that deteriorates into feudal vengeance Instead westerns see the West as the sunset land that is already growing old and moving on So westerns seek fresh starts informed by comparing civilizations more than demonizing savages Westerns worry that modern politics devolve into exploitation oppression spectacle and terror So they pursue supplements in such postmodern politics as republicanism perfectionism populism feminism and environmentalism Especially westerns explore politics of persuasive speech in action in public doing beauty and self reliance in the modes of Hannah Arendt and Ralph Waldo Emerson The first two chapters of Cowboy Politics explain how westerns do political theory for popular audiences by making many of our myths the symbolic stories of individuals and communities which we live daily The next three chapters trace the initially modern theories of government in many westerns Then western turns to republican honor rhetoric response ability and character tracking occupy the following four chapters And these set the stage for another four chapters on western attention to postmodern terror mythmaking celebrity spectacle and forgiveness The final two chapters analyze how late satirical and transformative westerns develop realist defenses for their surprisingly postmodern politics
