spirit of faith hope and love that they shared for me They disagreed and argued over what course of action to take to heal me and they became angry and impatient with me many times But in the end I know they love me To those of you who have never experienced addiction in your family I present the gifts of compassion and non judgment This disease is difficult to overcome and has become a disease of epidemic proportions in our country I ask that you step back and try to understand what these people are going through I once wrote Where there is life there should also be love Nothing could be truer
