Magdalena Kozub-Karkut

Role Quests In The Post Cold War Era Foreign Policies In Transition:

Role Quests in the Post-Cold War Era Philippe G. Le Prestre, 1997 Role Quests in the Post Cold War Era examines the question of foreign policy change through a comparative analysis of the Great Powers reactions to the transformations in international relations after the Cold War Contributors describe and explain the efforts of the United States the Soviet Union Russia China Japan Germany France the United Kingdom and Canada to redefine the role they play in an environment that has become internally and externally more uncertain Domestic Role Contestation, Foreign Policy, and **International Relations** Cristian Cantir, Juliet Kaarbo, 2016-04-28 Despite the increase in the number of studies in international relations using concepts from a role theory perspective scholarship continues to assume that a state s own expectations of what role it should play on the world stage is shared among domestic political actors Cristian Cantir and Juliet Kaarbo have gathered a leading team of internationally distinguished international relations scholars to draw on decades of research in foreign policy analysis to explore points of internal contestation of national role conceptions NRCs and the effects and outcomes of contestation between domestic political actors Nine detailed comparative case studies have been selected for the purpose of theoretical exploration with an eye to illustrating the relevance of role contestation in a diversity of settings including variation in period geographic area unit of analysis and aspects of the domestic political process This edited book includes a number of pioneering insights into how the domestic political process can have a crucial effect on how Role Theory in International Relations Sebastian Harnisch, Cornelia Frank, Hanns W a country behaves at the global level Maull, 2011-04-06 Role Theory in International Relations provides a comprehensive up to date survey of recent theoretical scholarship on foreign policy roles and extensive empirical analysis of role behaviour of a variety of states in the current era of eroding American hegemony Taking stock of the evolution of role theory within foreign policy analysis international relations and social science theory the authors probe role approaches in combination with IR concepts such as socialization learning and communicative action They draw upon comparative case studies of foreign policy roles of states the United States Japan PR China Germany France UK Poland Sweden and Norway and international institutions NATO EU to assess NATO's transformation the EU as a normative power as well as the impact of China's rise on U S hegemony under the Bush and Obama administrations The chapters also offer compelling theoretical arguments about the nexus between foreign policy role change and the evolution of the international society This important new volume advances current role theory scholarship offering concrete theoretical suggestions of how foreign policy analysis and IR theory could benefit from a closer integration of role theory It will be of great interest to all scholars and students of international relations foreign policy and Two-Level Role Theory and EU Migration Magdalena Kozub-Karkut, 2024-12-02 Applying role international politics theory and Putnam's two level game framework to the European migration crisis of 2015 Magdalena Kozub Karkut expertly shows how the Czech Republic Slovakia Hungary and Poland used the crisis to contest their roles in the European Union EU

and how each country and the V4 as a group subsequently used their new contested roles in the bargaining process within the EU structures In doing so Kozub Karkut demonstrates how international negotiations might be used by the chief negotiators as a way of triggering contestation and enhancing their position at the domestic level as well as how role contestation processes from the domestic level might be used at the international one Two Level Role Theory and EU Migration is an excellent resource for scholars and students of Foreign Policy Analysis International Relations Theory European Studies and Migrations Studies Chapter 3 and 7 of this book is freely available as a downloadable Open Access PDF at http www taylorfrancis com under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 Arab Spring in Berlin and Paris: German and French Foreign Policy Between Continuity and Change Nurettin Yigit, 2015-01-01 The Arab Spring has not only affected the well established structures in the Middle East and North Africa MENA but became also a touchstone for the German and French foreign policy A lasting three year transformation process turned out to be an unpredictable factor for the traditional German and French foreign policy principles within a novel geopolitical environment In this respect this study deals with the comparative foreign policy analysis of Germany and France with regard to the transformations in the MENA since 2011 Analoysis is done on the basis of constructivist role theory in connection with the Civilian Power concept Major interest of this study is dedicated to the analysis of the foreign policy repertoire and identity of Germany and France towards the transition countries in North Africa A question is to be answered if the challenges provoke continuity or change Great Powers and US Foreign Policy towards Africa Stephen M. Magu, 2018-08-14 This book addresses one main question whether the United States has a cohesive foreign policy for Africa In assessing the history of the United States and its interactions with the continent particularly with the Horn of Africa the author casts doubt on whether successive US administrations had a cohesive foreign policy for Africa The volume examines the historical interactions between the US and the continent evaluates the US involvement in Africa through foreign policy lenses and compares foreign policy preferences and strategies of other European EU and BRIC countries towards Africa

New Europe, New Germany, Old Foreign Policy? Douglas Webber, 2014-01-14 This work examines the extent to which German foreign policy and European policy has changed since German unification Despite significant changes on specific issues most notably on the deployment of military force outside of the NATO area there is greater continuity than change in post unification German policy Global Rogues and Regional Orders Il Hyun Cho, 2016 Global Rogues and Regional Orders examines the relationship between nuclear proliferation and regional order in East Asia and the Middle East looking at what factors shape the perceptions and responses of relevant regional actors to North Korea and Iran why some of these regional actors cooperate with the United States while others do not and the consequences of shifting relations among these countries Power and Diplomacy Zorawar Daulet Singh, 2018-11-28 The notion that a monolithic idea of nonalignment shaped India s foreign policy since its inception is a popular view In Power and Diplomacy Zorawar Daulet

Singh challenges conventional wisdom by unveiling another layer of India's strategic culture In a richly detailed narrative using new archival material the author not only reconstructs the worldviews and strategies that underlay geopolitics during the Jawaharlal Nehru and Indira Gandhi years he also illuminates the significant transformation in Indian statecraft as policymakers redefined some of their fundamental precepts on India s role in in the subcontinent and beyond His contention is that those exertions of Indian policymakers are equally apposite and relevant today Whether it is about crafting a sustainable set of equations with competing great powers formulating an intelligent Pakistan policy managing India s ties with its smaller neighbours dealing with China's rise and Sino American tensions or developing a sustainable Indian role in Asia Power and Diplomacy strikes at the heart of contemporary debates on India's unfolding foreign policies International Roles Sebastian Harnisch, Sebastian Bersick, Jörn-Carsten Gottwald, 2015-07-16 This collection examines changes in China's international role over the past century Tracing the links between domestic and external expectations in the PRC's role conception and preferred engagement patterns in world politics the work provides a systematic account of changes in China's role and the mechanisms of role taking Individual chapters address the impact of China's history and identity on its bilateral role taking patterns with the United States Japan Africa the Europe Union and Socialist States as well as China's role in international institutions the G 20 and East Asia's Financial Order Each of the empirical chapters is written to a common template exploring the role of historical self identification altercasting and domestic role contestation in shaping the PRC s role The volume provides an analytically coherent framework evaluating whether cooperation or conflict in China's international engagement is likely to increase and if so the extent to which this will follow from incompatible domestic demands and external expectations By combining a theoretical framework with strong comparative case studies this volume contributes to the ongoing debate on China's rise and integration into the international society and provides sound conclusions about the prospects for a transition of China's purpose in world politics The Oxford Handbook of Behavioral Political Science Alex Mintz, Lesley G. Terris, 2024 This handbook is currently in development with individual articles publishing online in advance of print publication At this time we cannot add information about unpublished articles in this handbook however the table of contents will continue to grow as additional articles pass through the review process and are added to the site Please note that the online publication date for this handbook is the date that the first article in the title was published online The Spiral of ∏Anti-Other Rhetoric Elisabeth Le,2006-08-22 How do media inform our representations of the Other and how does this influence intercultural international relations While officially dialogues between different national societies are conducted by diplomats in bilateral and multilateral settings in practice journalists also participate every day in such dialogues through the phenomenon of the international media echo in which they report on each others societies Until now media have only been investigated for their potential role in the foreign policy of specific states In a case study involving media in three national cultures and languages French American and Russian this book

presents an interdisciplinary framework that combines quantitative and qualitative analyses for the study of the international media echo in an intercultural international relations perspective In particular the fundamental functioning of spirals of anti Other rhetoric i e media wars is examined in a Critical Discourse Analysis approach completed with Social Identity Theory North Korea's Foreign Policy Lenka Caisova, 2018-10-12 This book analyses North and International Relations theories Korean foreign policy since 1994 aiming to better understand the part the DPRK plays in international politics Pyongyang is the country's capital and largest city To the north and northwest the country is bordered by China and by Russia along the Amnok and Tumen rivers it is bordered to the south by South Korea with the heavily fortified Korean Demilitarized Zone separating the two Nevertheless North Korea like its southern counterpart claims to be the legitimate government of the entire peninsula and adjacent islands Both North Korea and South Korea became members of the UN in 1991 Applying the role theoretical approach to North Korea for the first time this book charts the continuities and changes in North Korean foreign policy drawing on content analysis of North Korean periodicals It begins with an identification of roles before analysing the relationship between these roles and foreign policy in practice In particular it examines the links between role shifts and changes in interaction with the U S and South Korea This book also demonstrates that the existence of pressure sanctions and confrontations have contributed to a confrontational isolationist and inward looking foreign policy Therefore it argues one should be aware that if the DPRK is constantly treated as if it is a nuclear state and even a roque state it is much easier for it to enact a role on the international stage which reflects this As a study of the foreign policy of the world s most controversial and secretive country this book will be invaluable to students and scholars of Korean politics and international relations as well as Asian Studies more generally **New Dimensions of Chinese Foreign Policy Sujian Guo, Shiping** Hua, 2007-01-01 The concept peaceful development has become the new thinking in Chinese foreign policy under the fourth generation leadership But what are the new dimensions of Chinese foreign policy and how do they impact China's foreign relations This is the first edited volume that attempts to address this significant question and its insightful contributions will enrich understanding of new dimensions of Chinese foreign policy and their implications for China's relations with the world

The Myth of War in the Taiwan Strait Taiyi Sun, Dennis Lu-Chung Weng, 2024-12-15 The Myth of War in the Taiwan Strait Elite Perspectives from Beijing Taipei and Washington amid the Yizhou Dilemma proposes a new framework of the Yizhou dilemma to capture the conundrum faced by a hegemony the U S a rising power Mainland China and the weaker third entity Taiwan crucial to the rising power s ascendance Taiyi Sun and Dennis Lu Cheng Weng drawing evidence from the assessments and perceptions of directly involved elites from Beijing Taipei and Washington argue war is not imminent yet action or inaction by each party could potentially lead to detrimental outcomes For the rising power overexpansion incurs significant costs but restraint makes it unable to attain major power status Consequently low cost symbolic shows of force are more likely than a full invasion of the third entity For the strategically vital yet relatively weaker entity asserting

autonomy and independence to put up a fight would risk escalating tension and trigger aggressive behaviors from the rising power Yet maintaining the status quo would allow the rising power to continue strengthening itself so that a coerced unification unfavorable to the weaker entity could become more probable For the hegemony leaving more looming challenges elsewhere unresolved could diminish the power of the hegemony but getting involved leads to even more challenges

China and Climate Leadership Kim Vender, 2025-07-31 In this book Kim Vender examines China's leadership in climate change governance International climate change negotiations were supposed to achieve an agreement at two summits in 2009 in Copenhagen and again in 2015 in Paris China's part in the negotiations has elicited a narrative of obstructor first and climate leader later Vender challenges this view of China and investigates why it is still persisting today despite a steady leadership recognition of China found by a long term survey of negotiation participants In its design the book explores China's relationship with the main narrators of the story i e powerful industrialised countries but also with so far under explored to both scrutinise China's performance in the climate change negotiations and show how socialisation and the political context have shaped China's relationship with others. The book furthermore illuminates Chinese understandings of China's role in climate change as well as contestation of and support for an international climate leadership role at home China and Climate Leadership offers an in depth exploration of China's behaviour and motivations and contributes to the ongoing debate on China's rise and integration into international society It will be of interest to both academics and practitioners with an interest in International Relations role theory and Foreign Policy Analysis China and climate change Brazil's International Activism Monika Sawicka, 2023-06-30 In Brazil's International Activism Monika Sawicka governance questions how Brazil's deep rooted craving for greatness has led to the quest for status in the twenty first century and contends that the categorization of Brazil as an emerging middle power enriches the understanding of modern Brazilian foreign policy Drawing on the rich vocabulary of role theory Sawicka sets out to establish an original theoretical framework that comprises the structural status the behavioral role and the cognitive ideational identity to assess whether Brazil has performed roles distinguishing a middle power and how the state has reconceptualized them The model is applied to scrutinize how ideational and material drivers impacted Brazil's engagement as an integrator in Latin America donor in Africa mediator in the Middle East and coalition builder of developing states in global fora Despite recent criticism of the concept of emerging middle powers Sawicka argues that Brazil's international activism stands as a precise embodiment of such a power With an aim of theory development and contributing to the debate on Brazil's international standing Brazil's International Activism provides a much required reinterpretation of Brazilian foreign policy which will be of interest to scholars and students of Foreign Policy Analysis International Relations and Latin American Studies **Status in World Politics** T. V. Paul, Deborah Welch Larson, William C. Wohlforth, 2014-04-07 A systematic study of why rising powers seek greater status in world politics and when dominant powers recognize their claims **Foreign Policy Analysis**

Jean-Frédéric Morin, Jonathan Paquin, 2018-01-03 This book presents the evolution of the field of foreign policy analysis and explains the theories that have structured research in this area over the last 50 years It provides the essentials of emerging theoretical trends data and methodological pitfalls and major case studies and is designed to be a key entry point for graduate students upper level undergraduates and scholars into the discipline The volume features an eclectic panorama of different conceptual theoretical and methodological approaches to foreign political analysis focusing on different models of analysis such as two level game analysis bureaucratic politics strategic culture cybernetics poliheuristic analysis cognitive mapping gender studies groupthink and the systemic sources of foreign policy The authors also clarify conceptual notions such as doctrines ideologies and national interest through the lenses of foreign policy analysis The New Security Concept and German-French Approaches to the European "Pillar of Defence," 1990-2000 Siret Hürsoy, 2002 A historic opportunity without precedent is gradually becoming reality in the 21st Century with the chance taken to pave the way in the period 1990 2000 towards the organisation of defence in Europe The corresponding conditions have been brought about by concrete steps taken at the Masstricht Amsterdam Cologne Helsinki and Nice European Council meetings In the end the EU WEU is developing into an equal partner to the US by assuming greater responsibility in the security and defence sphere The French and German bilateral relationship which is the driving force behind every European integration process is the historical force behind this development of the ultimate desire to reach a robust European Pillar of Defence through reconfiguration of the transatlantic relationship This book provides the first comprehensive and up to date analysis of German and French approaches to the European Pillar of Defence from the view of Europeanisation emanating from the process of integration

Role Quests In The Post Cold War Era Foreign Policies In Transition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Role Quests In The Post Cold War Era Foreign Policies In Transition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Role Quests In The Post Cold War Era Foreign Policies In Transition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Role Quests In The Post Cold War Era Foreign Policies In Transition free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Role Quests In The Post Cold War Era Foreign Policies In Transition. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Role Quests In The Post Cold War Era Foreign Policies In Transition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Role Quests In The Post Cold War Era Foreign Policies In Transition Books

- 1. Where can I buy Role Quests In The Post Cold War Era Foreign Policies In Transition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
