Roller Ball Murder:

Roller Ball Murder William Harrison,1974 Rollerball is a collection of short stories where the characters do bizarre things Rollerball ,1998 In a dystopic future world run entirely by a few powerful corporations the brutal sport of rollerball has taken the place of both warfare and traditional athletic competition The greatest player in the history of rollerball Jonathan E receives pressure from these corporations to retire When he refuses both his life and his sport descend into chaos and bloodshed Based on the short story Roller ball murder by William Harrison Originally produced as a motion picture in 1975 Rollerball William Harrison,1974 Come With Me If You Want to Live Michael Harris,2023-11-02 If our near future sometimes feels like a dystopian sci fi movie that s because it is In Come With Me If You Want to Live The Future as Foretold in Classic Sci Fi Films Michael Harris reveals the hidden in plain sight meanings of the greatest science fiction films of the past fifty years the ways in which they predicted the future that we are increasingly living in but how we can still avoid the worst of what they warned us about The 1970s saw the start of a new wave of science fiction that predicted environmental destruction out of control technology and escalating political crises These were not the fantastical imaginings of filmmakers they were based on rising environmental consciousness and solid scientific research The explanation of why we didn t heed these warnings might be the most important story of our time and now our future Each chapter focuses on a classic sci fi film among them Blade Runner Terminator 2 12 Monkeys Brazil Soylent Green and the Back to the Future series these films are used to consider our likely environmental technological and political future But taking sci fi seriously again could help us to regain our power to create different tomorrows guided by practical utopianism and to imagine new science fictions for a better world If you re wondering what the future holds maybe you ve already seen it **Sport and**

Monstrosity in Science Fiction Derek J. Thiess,2019-04-30 This book pits the imaginative sports of science fiction against our widespread suspicion of the monstrous athletic body The biopolitical nature of sport demands we see these bodies as our bodies capable of the greatest physical feats science fiction can imagine but also our worst fears of injury and death
