Say It Straight:

Straight Talk Maureen Collins, 2011-06-28 How do you manage a conversation that you dread having Many of us are confronted by scary conversations every day standing up to a toxic boss who is verbally abusive discussing a niggling problem with a close friend talking to an interfering mother in law or confronting a controlling parent to name but a few And of course everyone would rather avoid having them Yet by putting off these conversations we often exacerbate the problem or one day our emotions simply explode In the process we lose friends and jobs damage our marriages and become estranged from family members In this book the author illustrates how to manage scary conversations so that you no longer need to fear them Following tried and tested methods she provides readers with real life examples on which to model their own conversations so that they will feel comfortable talking to anybody about almost anything The Thirteen Books of Euclid's Elements Thomas L. Heath, 2015-02-12 First published in 1926 this book contains the first volume of a three volume English translation of the thirteen books of Euclid's Elements **The Thirteen Books of Euclid's Elements** Euclid, 1956-01-01 Contains the complete English text of all thirteen books of the Elements along with critical analysis of each definition postulate and proposition Six Monologues 1990-2007 Jeff McMahon, 2017 SIX MONOLOGUES 1990 2007 by Jeff McMahon collects six of McMahon's works that span across socio political queer and historical frames of discourse DISCONTENTS SCATTER CITY OF GOD HEEL HONORABLE DISCHARGE FAILURE TO THRIVE we small hours Provocative witty daring and compassionate these works are a testament to McMahon's singular vision This edition is part of NoPassport Press Dreaming the Americas Series *Say it Straight Or You'll Show it Crooked* Abe Wagner, 1999 Still Straight Tony Silva, 2021-03-23 Why some straight men have sex with other men Why do some straight men in rural America have sex with other men In Still Straight Tony Silva convincingly argues that these men many of whom enjoy hunting fishing and shooting guns are not gay bisexual or just experimenting As he shows these men can enjoy a range of relationships with other men from hookups to sexual friendships to secretive loving partnerships all while strongly identifying with straight culture Drawing on riveting interviews with straight white men who live in rural America Silva explores the fascinating and unexpected disconnect between sexual behavior and identity Some use sex with men to bond with other men in an acceptably masculine way some are not particularly attracted to men but are wary of emotional attachment with women and others view sex with men as opposed to women as a more acceptable form of extramarital sexual behavior Taking us inside the lives of straight white men who have sex with other men Still Straight shows us that heterosexuality in rural America is not always in fact what it seems **Clouds** Chandras Choudhury, 2018-01-10 Farhad Billimoria is so looking forward to being a departed soul On the cusp of his forty second birthday and his relocation to San Francisco this suave Bombay psychotherapist makes a farewell parade around his city in the company of Zelda his beloved vintage car Recently divorced Farhad has realized that he will never find love again in Bombay and must trade in his Indian life for that on another west

coast on another continent As he roves Farhad s mind crackles with bittersweet memories giddy dreams dreadful puns even a new form of therapy modeled on clouds But is love about to bloom for Farhad in Bombay just as he has given up on the city And if it does will he bring to it the man that he is or the one he wants to become Elsewhere in Bombay the tribal youth Rabi finds himself cooped up as caretaker to two ailing and cranky old Brahmins Eeja and Ooi Rabi comes from the remote Cloud people of eastern India a sky watching tribe who thrill to the play of Cloudmaker the mercurial God who drifts and muses in the skies all day long and who have been dragged into the modern world by the takeover of their sacred mountain by a mining company Rabi s mentor Bhagaban a film maker and gadfly has taken it upon himself to lead their resistance using the tools and strategies of democracy a project for which his parents Eeja and Ooi have little empathy As Bhagaban directs the forward march of time and Eeja and Ooi reassert a golden Indian past will Rabi have to relinquish the delicate self bequeathed to him by the Cloud people Or will the two hidebound old people begin to be drawn up into the clouds instead

The new novel by one of India s most celebrated young writers Clouds is a story about earth and sky love and friendship language and power At its simplest it illuminates the inner lives of half a dozen characters forging their own paths in India s greatest metropolis Yet peel away the surface layers and what emerges is a vast prismatic portrait of modern India in all its tumult and glory

Reviews Chandrahas Choudhury is one of the most clever and quirky lively and witty of India s new generation of novelists Clouds signals the blossoming of a major new talent William Dalrymple Clouds is a beautiful picture and deceptively complex read Choudhury s lyrical prose is a delight to read as much for it being a reflection of his charming philosophy on everything as for his unique sensitive tone Anupama Chandra Free Press Journal A masterful telling story that brings to light tribal and land rights the destruction of a culture when land is seized and the complexities of old age and grief Urvashi Bahuguna Open Clouds deals with a number of Big Issues from the purpose of life to inequity to gender but it carries its weight lithely and elegantly The interplay of deep thoughtfulness and quirky humour never fails to engage and remains just that little bit unpredictable like those youknowwhats Choudhury is a rare talent Sandipan Deb India Today
