Say Yes Say Yes 269:

Say Yes Donna Hill, 2012-06-06 Donna Hill returns to the beloved characters she introduced in *If I Could* with this poignant insightful story of a woman who dares to say no to a loveless existence and yes to the challenges and pleasures of living life on her own terms Regina Everette never expected things to be simple when to the shock of everyone around her she walked away from her empty marriage Of course she never expected to find real love waiting around the corner either Now that she s with Parker Heywood she knows what true happiness feels like Still it comes with a price Her children want their father to be the only man in her life and he s determined to win Regina back Parker has his own obligations too a teen daughter who wants to be the first and only woman in his life With everyone outside the relationship seemingly bent on pulling them apart their love will be put to the ultimate test But through it all Parker is willing to stay by Regina s side forever if she will only say yes A spellbinding story that will give any reader or book club plenty to talk about Romantic Times

Just Say Yes Elizabeth Hayley, 2015-12-01 From the author of *The Best Medicine* comes the latest *Strictly Business* novel and this time for one woman finding the ideal man can be a pretty tall order Magazine columnist Quinn Sawyer has always attracted sweet innocent and safe men And something tells her it s because she s just as harmless So when she starts craving a guy with an edge she realizes she may have to get one for herself When her boss asks for a unique pitch Quinn s quest to live outside her comfort zone prompts her to suggest an idea that will cause her to break her good girl rules And who better than Tim Jacobs to help her push her boundaries For a while now Quinn s had a hot crush on the tattooed executive chef with a checkered past If anybody can bring out her inner rebel he can It s no surprise that as Tim and Quinn cross each task off the list she s made for herself the sparks between them grow more and more intense Soon there s no denying the attraction they each feel But Tim s troubled past reveals an even tougher edge than Quinn expected which means for her falling in love might just be the greatest rebellion of all Report Commonwealth Shipping Committee, 1910 **Just Say Yes** Bernard

Schwartz, 2014-03-28 Whether he s leading a company or leading the call for a better nation storied New York businessman and philanthropist Bernard Schwartz believes in the power of optimism Bernard Schwartz has dined with world leaders cut a multi billion dollar deal on the back of a napkin and led a Fortune 200 corporation From humble beginnings that saw his family moving regularly from apartment to apartment to take advantage of new lease discounts to his dramatic rise to CEO of a major aerospace innovator the author s story is a narrative on the importance of character intelligence and a lot of good luck In a time when stories about corrupt CEOs and unethical banking practices flood the news Schwartz offers the notion that doing the right thing is a more rewarding road to accomplishment and that when applied for immoral purposes even the sharpest skills will likely lead to a fall As Americans today await the return of economic stability and politicians wage battle over the future of government programs opportunity seems out of reach But Schwartz who grew up in Depression era Brooklyn believes that there are steps we can take as a nation to bring about a recovery and even growth As a child he

watched men dress for work each day whether they held a job or not He remembers the widespread deprivation that filled everyday scenes and the streets with breadlines But he also recalls a hopeful people a citizenry united in the pursuit of education homeownership proprietorship and community improvement Today he champions investments in job creation infrastructure technology and innovation as the means to get us back on track With measured insight on the role the federal government can play in creating pathways to prosperity the author discusses how the United States can again be a land of opportunity for all In this inspiring example of a life well lived Bernard Schwartz invites readers to look at their own opportunities their own ideas and even their fellow Americans and Just Say Yes Learning How to Say No When You Usually Say Yes Maritza Manresa,2011-09-30 The urge to say yes to please everyone around you can be overwhelming It is not just a matter of being a nice person It can be rooted in your desire to maintain your self image the product of chronically low self esteem It may even be the result of situations in which you feel you will gain from constantly saying yes But the truth in life is that knowing when to say No when you usually say Yes is one of the most fundamentally important things you can do for yourself and for your relationships Forcing others to respect you regardless of your positions and to establish a clear and comfortable persona for yourself rely on this ability This book walks everyone who has ever felt uncomfortable denying something to others through the process of recognizing how you truly feel and tapping into your inner self so that you can relay to others how you truly feel saying no when necessary and yes only when you truly agree or are willing to do something You will learn everything you need to know to recognize what it is about your personality that creates a need to say yes From understanding what it is you want to get out of other people to accepting that you do not need their validation you will learn how to separate your insecurities from what you really think so that you can start telling people how you truly feel Learn how to set priorities and therefore know when it is okay to say yes By understanding the proper time to say yes you will quickly learn how to tell the times when it is not okay and you must say no In various interviews with parents educators psychologists and every day citizens this book provides a complete world view that helps any individual understand what it is about their personality that causes them to consistently say yes when they should not You will ultimately learn what it means to give in and what the psychological results are of making these decisions repeatedly For anyone who has ever found themselves unhappy due to constant willingness to sacrifice their own happiness this book is for you Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed Sessional Papers Great Britain.
