Pauline Gibbons

Scaffolding Language Scaffolding Learning:

Scaffolding Language, Scaffolding Learning Pauline Gibbons, 2002 Gibbons begins with a strong theoretical underpinning for her practice drawing on a functional model of language sociocultural theories of learning and current research on second language development After supporting her view that the regular curriculum offers the best language learning environment for young ESL students Gibbons demonstrates the ways in which content areas provide a context for the teaching of English skills from speaking and listening to reading and writing These skills can be integrated in the learning of diverse subjects as Gibbons illustrates with a wide range of teaching and learning activities across the curriculum supplemented with programming and assessment formats and checklists BOOK JACKET [The Education of English Language Learners](#) Marilyn Shatz, Louise C. Wilkinson, 2010-04-22 This comprehensive volume describes evidence based strategies for supporting English language learners ELLs by promoting meaningful communication and language use across the curriculum Leading experts explain how and why learning is different for ELLs and pinpoint specific best practices for the classroom illustrated with vivid examples Particular attention is given to ways in which learning English is intertwined with learning the student's home language The book addresses both assessment and instruction for typically developing ELLs and those with language disabilities and disorders It demonstrates how educators and speech language professionals can draw on students' linguistic cognitive sociocultural and family resources to help close the achievement gap [Taking the PYP Forward](#) Simon Davidson, Steven Carber, 2020-08-03 The International Baccalaureate Primary Years Programme stands in a proud tradition of reflective educators incorporating best practice into international schools For the PYP to maintain relevance in education today inquiry has to be rethought refreshed and reapplied Taking the PYP Forward does exactly that Raising many questions and recognising the new challenges facing educators this collaborative work brings together voices from both within and outside of the PYP [Handbook of Language Teacher Education](#) Zia Tajeddin, Thomas S.C. Farrell, 2025-07-02 This handbook synthesizes accumulated research evidence about the main areas of language teacher education It systematically applies research synthesis to the field providing coherent systematic insights into various aspects of language teacher education Each chapter compares research conducted between 2010-2020 within a specialized area of teacher education The chapters discuss the theoretical and research underpinnings of each area describing the purposes methods and findings of the research including the impacts of teacher education on teacher professional development and teaching effectiveness The twenty six chapters in this handbook address three main areas of teacher education Teacher Variables Teacher Professional Development and Teacher Instructional Beliefs and Practices Section One on teacher variables includes ten chapters focused on teacher reflective practice identity cognition self-efficacy beliefs emotion motivation demotivation and burnout agency autonomy and nativeness nonnativeness Second Two includes five chapters on teacher professional development namely good language teachers preservice teacher mentoring practicum in language teacher education online language teacher
