Vargo, Marc Vargo, 2003 A compelling and thorough examination of same sex controversies ranging from accusations of obscenity and libel to espionage treason murder and political dissent this startling book explores cases where the subject of homosexuality came into public view in an explosive sensational manner stalling and sometimes reversing any progress made by the gay and lesbian community in mainstream society Facing penalties that included censorship imprisonment deportation and even death these gay men and women displayed dignity courage and wisdom in the face of public attack

Scandal Marc E Vargo, 2013-11-12 Examine the cornerstone incidents of modern gay political history Scandal Infamous Gay Controversies of the Twentieth Century is a compelling and thorough examination of same sex controversies that range from accusations of obscenity and libel to espionage treason murder and political dissent with penalties that included censorship imprisonment deportation and death In each case scandal brought the subject of homosexuality into public view in an explosive sensational manner stalling and sometimes reversing any progress made by the gay and lesbian community in mainstream society Author Marc E Vargo details the dignity courage and wisdom displayed by the gay men and women under attack in the face of public judgment A unique blend of biography and gay political history Scandal Infamous Gay Controversies of the Twentieth Century recounts seven international incidents that tally the cost of being homosexual in a heterosexual society In each episode gay men or lesbians are targeted for legal persecution subjected to sensationalized media coverage and publicly condemned The book examines the short and long term consequences of each controversy for those involved and the impact each scandal had on gay and mainstream society Scandal Infamous Gay Controversies of the Twentieth Century documents the stories of Italian filmmaker Pier Paolo Pasolini his 1975 murder and its subsequent cover up British diplomats Guy Burgess and Donald Maclean their defection to Russia at the height of the Cold War Cuban political dissident Reinaldo Arenas his imprisonment in the 1960s that led to the exposure of the violent homophobia of the Castro regime Irish consul Roger Casement his execution on treason charges and the later accusation that crucial evidence had been forged South African human rights activist Simon Nkoli his persecution by his country's all white pro apartheid government British writer Radclyffe Hall the obscenity trial in the 1920s surrounding her novel The Well of Loneliness German emperor Kaiser Wilhelm II the expos of his relationship with Prince Eulenburg A scholarly work of historical significance Scandal Infamous Gay Controversies of the Twentieth Century is written in a straightforward tone that appeals to academics students and interested readers gay or straight The book stands alone as a record of the role played by public opinion in modern gay history

On the Meaning of Friendship Between Gay Men Andrew R. Gottlieb, 2010-05-26 On the Meaning of Friendship Between Gay Men takes readers beyond a traditional exploration of gay sexuality and romantic relationships into the realm of recognizing the importance of friendship to gay men

The Boundaries of Desire Eric Berkowitz, 2015-08-01 The act of reproduction and its variants never change much but our ideas about the meaning of sex are

in constant flux Switch a decade cross a border or traverse class lines and the harmless pleasures of one group become the gravest crimes in another Combining meticulous research and lively storytelling *The Boundaries of Desire* traces the fast moving bloodsport of sex law over the past century and challenges our most cherished notions about family power gender and identity Starting when courts censored birth control information as pornography and let men rape their wives and continuing through the sexual revolution and into the present day when rape gay rights sex trafficking and sex on the internet saturate the news Berkowitz shows how the law has remained out of synch with the convulsive changes in sexual morality By focusing on the stories of real people Berkowitz adds a compelling human element to what might otherwise be faceless legal battles The law is made by people after all and nothing sparks intolerance on the left and right more than sex Ultimately Berkowitz shows the emptiness of sanctimonious condemnation and argues that sexual questions are too subtle and volatile for simple catch all solutions

Edwin and John , **Political Women** Maggie Andrews,2025-11-04 The lives of women changed immeasurably during the twentieth century not just because of technological and economic advances but as a result of a multiplicity of small and large local national and international political campaigns by women The activities of the Edwardian suffrage campaigns are the most well known example of this but in less well known political struggles women fought with equal tenacity sacrifice and inventiveness to demand for example equal pay analgesics for women and childbirth an end to virginity testing at airports or wages for housework This book focuses on 15 such campaigns and the thousands of women who sought to influence decision making exercise and challenge power in the twentieth century These political activities were sometimes small scale and short lived or seemingly unsuccessful but together they helped to bring about immeasurable changes in women s lives during the twentieth century With limited financial resources and hefty domestic responsibilities women have often chosen to pick their political battles very carefully Some fought for workers rights or the right to education some prioritised stopping male violence on the streets in the home or between nations others like Radcliffe Hall campaigned so women could define their own sexuality Women organised self help childcare rape crisis centres and peace camps They set up birth control clinics and women s refuges Ordinary women took on exploitive landlords immigration officers international companies local councils the media and successive governments A few of the hundreds of thousands of these political women like Maggie Wintringham and Nancy Astor were MPs others became local councillors However women s access to traditional areas of political power was limited even when Britain had its first woman prime minister in 1979 she was one of only 19 women MPs in parliament Consequently women sought other spheres of activity through which to fight for change using all the resources and imagination at their disposal to challenge injustice and abuse They employed deeds and words petitions and protests legal and illegal devices peaceful and violent strategies to further their political aims Their motivations and contributions were varied many made sacrifices to be involved in political battles but this book seeks to celebrate some of these unsung heroines who tried to make a difference

OK2BG Jack Dunsmoor,2015 OK2BG is narrative

nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author's attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in OK2BG is to read reassess before you run asunder

The Sexual

Constitution of Political Authority Aleardo Zanghellini, 2015-04-24 While there is no shortage of studies addressing the state's regulation of the sexual research into the ways in which the sexual governs the state and its attributes is still in its infancy The Sexual Constitution of Political Authority argues that there are good reasons to suppose that our understandings of state power quiver with erotic undercurrents The book maintains more specifically that the relationship between ideas of political authority and male same sex desire is especially fraught Through a series of case studies where a statesman's same sex desire was put on trial either literally or metaphorically as a problem for the good exercise of public powers the book shows the resilience and adaptability of cultural beliefs in the incompatibility between public office and male same sex desire Some of the case studies analysed are familiar ground for both political constitutional history and the history of sexuality The Sexual Constitution of Political Authority argues however that only by systematically reading questions of institutional politics and questions of sexuality through each other will we have access to the most interesting insights that a study of these trials can generate Whether they involve obscure public officials or iconic rulers such as Hadrian and James I these compelling fragments of queer history reveal that the disavowal of male same sex desire has been and partly remains central to mainstream understandings of political authority

Gender, Sexuality, and Intelligence Studies Mary

Manjikian, 2020-06-18 This is the first work to engage with intelligence studies through the lens of queer theory Adding to the literature in critical intelligence studies and critical international relations theory this work considers the ways in which both the spy and the activities of espionage can be viewed as queer Part One argues that the spy plays a role which represents a third path between the hard power of the military and the soft power of diplomacy Part Two shows how the intelligence community plays a key role in enabling leaders of democracies to conduct covert activities running counter to that mission and ideology in this way allowing a leader to have two foreign policies an overt public policy and a second closeted queer foreign policy

Finding Out Deborah T. Meem, Jonathan Alexander, Key Beck, Michelle A. Gibson, 2022-07-28 Finding Out Fourth Edition introduces readers to lesbian gay bisexual transgender queer LGBTQ studies By combining accessible introductory and explanatory material with primary texts and artifacts this text reader explores the development and growth

of LGBTQ identities and the interdisciplinary nature of sexuality studies Now available in a digital ebook format the fourth edition has been thoroughly updated to include a new chapter on Trans Lives and Theories and new readings Chapters include more discussions of important and current issues in LGBTQ studies such as the emergence of non binary identities and issues of race and class making Finding Out Fourth Edition an even more comprehensive introduction to the field
