Colilli,1999-10-28 With the great merit of Aristotle s Poetics poetic logic became a theoretical activity endowed with a philosophical nature allowing it to be more philosophical than the pure representation of existence Today however the theoretical status of poetic logic has been greatly demoted The Angel s Corpse restores to poetic logic or lyric philosophy the cognitive and epistemological significance attributed to it by Aristotle The Angel s corpse the central metaphor in this restoration is a sign post beyond which there exists an uncharted terrain of human signification This terrain is expressed in terms of lyric philosophy and its universal trait is a shocking into reawakening which is linked to the dissolution of the repetitive logic of history With this book Colilli aims to bring to life the traits that are close to the Angel and which amount to a new philosophy of culture and interpretation This philosophy is free from the ideological burden of previous systems but pivots its cognito epistemological premises on the idea of reawakening **Constant** Elizabeth Munro,2015-04-01 As a Core Alliance soldier Rye knows the grind of skirmishes on one forgotten planet after another Then six years ago he discovered loss when the woman who meant everything died in his arms Now a chance meeting brings her back into his life Under pressure to hide her from his superiors and rocked by the truths hidden in her past Rye can only take one path Follow his heart until every piece of it and hers heals Angel has secrets why she joined Core and why she never sought Rye out when her body was stolen from cryo and put back together She fights her own battle against the Aphids at first for vengeance and now to protect the little piece of Rye she brought back from the other side When she finds herself back in Core hands she has no choice but to allow Rye to take her home and in doing so she endangers far more than the quiet community which brought her back to life **Journey of a Soul** Richard E. Wind,2014-07-25 Early poems of Richard E Wind **The Island of Destiny** Cameron Stelzer,2014-03-01 Whisker is a Pie Rat apprentice on the treasure hunt of a lifetime With the Forgotten Map and the King s Key safely in his grasp Whisker joins the ratbag crew of the Apple Pie on their voyage to the mysterious Island of Destiny Armed with scissor swords flying pies and barrels of gravy the Pie Rats must first pass through the Treacherous Sea where untold dangers lurk beneath the waves
