Scene From The Movie Giant:

Hecho en Tejas Dagoberto Gilb, 2008-04-30 Gilb has created more than a literary anthology this is a mosaic of the cultural and historical stories of Texas Mexican writers musicians and artists **Real Things** Jim Elledge, Susan Swartwout, 1999 What a great premise for an anthology And it succeeds both in its celebration of our crazy culture and its fascinating analysis through the poems of popular myths that have stood the test of time Kliatt In the past few decades poetry about and around popular culture has become a very hip contemporary art form Real Things is a collection of over 150 poems by more than 130 poets who themselves represent the cultural diversity of the United States With subjects ranging from the influence of Mickey Mouse on child raising to the relationship of Barbie to sex in America from the societal effects of the movie Psycho to our fascination with dirty politics and Ralph Kramden the poems in this anthology question and celebrate the attitudes that our society shares *Giant Love* Julie Gilbert, 2024-12-03 A book that explores the great American novelist and playwright Edna Ferber winner of the Pulitzer Prize for Fiction whose work was made into many Academy Award winning movies the writing of her controversial international best selling novel about Texas and the making of George Stevens Academy Award winning epic film of the same name Giant The stupendous publication of Edna Ferber's Giant in 1952 set off a storm of protest over the novel's portrayal of Texas manners money and mores with oil rich Texans threatening to shoot lynch or ban Ferber from ever entering the state again In Giant Love Julie Gilbert writes of the internationally best selling Ferber one of the most widely read writers in the first half of the 20th Century her evolution from mid west maverick girl reporter to Pulitzer Prize winning beloved American novelist from her want to be actress days to becoming Broadway's acclaimed prize winning playwright whose collaborators George S. Kaufman and Moss Hart among them were along with Ferber herself the most successful playwrights of their time Here is the making of an American classic novel and the film that followed in its wake We see how George Stevens Academy Award winning director wooed the prickly stubborn Ferber ultimately getting her to agree to everything including writing for the first time ever a draft of a screenplay to her okaying James Dean for the part of the ranch hand Jett Rink something she was dead set against Here is the casting of Elizabeth Taylor Rock Hudson James Dean and their backstory triangle of sex and seduction each becoming a huge star because of the film the frustrated Stevens trying to direct the instinctive but undisciplined Dean and the months long landmark filming in the sleepy town of Marfa Texas suddenly invaded by a battalion of a film crew and some of the biggest stars in the rising celebrity culture A Companion to the Literature and Culture of the American West Nicolas S. Witschi, 2014-02-03 A Companion to the Literature and Culture of the American West presents a series of essays that explore the historic and contemporary cultural expressions rooted in America's western states Offers a comprehensive approach to the wide range of cultural expressions originating in the west Focuses on the intersections complexities and challenges found within and between the different historical and cultural groups that define the west's various distinctive regions Addresses traditionally familiar icons and ideas about the

American settlers first came into regular contact with Mexico and Mexicans. The images of the Mexican Other as lawless, exotic, or non-industrious continue to circulate today within US popular and political culture. Through keen analysis of music, film, literature, and US politics, *Whiteness on the Border* demonstrates how contemporary representations of Mexicans and Chicano/as are pushed further to foster the idea of whiteness as Americanness. Illustrating how the ideologies, stories, and images of racial hierarchy align with and support those of fervent US nationalism, Lee Bebout maps the relationship between whiteness and American exceptionalism. He examines how renderings of the Mexican Other have expressed white fear and formed a besieged solidarity in anti-immigrant rhetoric and policies. Moreover, *Whiteness on the Border* elucidates how seemingly positive representations of Mexico and Chicano/as are actually used to reinforce investments in white American goodness and obscure systems of racial inequality. *Whiteness on the Border* pushes readers to consider how the racial logic of the past continues to thrive in the present.
