Scenes from the Live Poets' Society: Selected Poems Live Poets, 2018-03-22 Anthology of Poetry by the Live Poets Society of New Mexico **A Coyote Taught Me Poetry** Jessica Lyn Elkins, 2016-10-20 A coyote taught me about poetry and life A four part collection of poetry and prose tells of a journey of discovery that began during daily observations in the high desert of New Mexico I met coyotes cranes and a homeless man who occupied the same territory on the edges of urban life These experiences led to my involvement in a grassroots movement to save rural land from development After a cross country move to the Sunshine State the fecund profusion of Southern wildlife and century oak trees deepened my appreciation for nature's diversity Treasures and Connections chronicles loss death and triumph of an internal journey to acceptance The poems of love and relationships recount the personal examination that enabled me to understand life's fragility The final section is a tribute to my mother a woman of her time who wrote poetry and yearned to be heard *Scenes from the Live Poets' Society* Live Poets' Society (Santa Fe, N.M.), 2001 Strange unusual fascinating these are just some of the adjectives that one might utilize to describe the people the personalities and the characters of those who claim to be members of the Live Poets Society P 4 of cover Scenes from the Live Poets' Society Live Poets' Society of Santa Fe, New Mexico, 2007 Strange unusual fascinating these are just some adjectives that one might use to describe the people the personalities and the characters of those who claim to be members of the Live Poets Society This third volume of LPS poems represents a small segment of the excitement surrounding the frequent meetings of the LPS There is much more information about the LPS inside the covers of this collection back cover *Verse Going Viral* Heather Inwood, 2014-05-01 Verse Going Viral examines what happens when poetry a central pillar of traditional Chinese culture encounters an era of digital media and unabashed consumerism in the early twenty first century Heather Inwood sets out to unravel a paradox surrounding modern Chinese poetry while poetry as a representation of high culture is widely assumed to be marginalized to the point of death poetry activity flourishes across the country benefiting from China's continued self identity as a nation of poetry shiguo and from the interactive opportunities created by the internet and other forms of participatory media Through a cultural studies approach that treats poetry as a social rather than a purely textual form Inwood considers how meaning is created and contested both within China's media savvy poetry scenes and by members of the public who treat poetry with a combination of reverence and ridicule As the first book to deal explicitly with the discourses and functioning of scenes within the Chinese cultural context Verse Going Viral will be of value to students and scholars of Chinese literature cultural studies and media as well as to general readers interested in China's dynamic cultural scenes **We Had More To Say** Raymond Zachary Ortiz, 2011-07-25 Ortiz's poems expand the idea of pilgrimage to include those experiences which touch some profound dimension within when connections are made with what might be called soul or spirit when the tourist becomes the seeker and sight seeing magically turns into soul making The sacred journey takes us to those liminal places where one dimension touches another

Among many skills and themes this poet favors transformation extending the commonplace like a quilt a grave stone his grandfather s shovel into the margins between memory and the sacred There are many love poems in which the present moment shifts into something grand wide or deep The poems in *We Had More to Say* are also a vivid testimony to how grief or loss can be turned into a blessing They shift and blend and meld into another dimension People move in and out of reality

RAYMOND ZACHARY ORTIZ is a native of Santa Fe with deep roots in Northern New Mexico where his extended family and ancestors have lived for over four centuries He was first inspired by poetry as a child listening to his grandfather recite poems in the shade of a willow by a ditch after a long day of chores Poetry has been an integral part of his life since then initially as he continued listening and reading then as a student of poetry and literature He received his BA from the University of Notre Dame then lived in Costa Rica while volunteering as a social worker He continued his formal education at the University of California Berkeley Boalt Hall where he received his JD After over twenty years of law practice in Santa Fe in late 2005 he was appointed district court judge The pre dawn hour often finds him at a small table in a dark part of the house writing out poems in longhand by candlelight

Selected Poems and Songs Robert Burns,2013 This volume offers Burns s work as it was first encountered by contemporary readers presenting the texts in the contexts in which they were originally published It includes the whole of *Poems chiefly in the Scottish Dialect 1786* a generous selection of songs with full scores comprehensive notes some important letters and a glossary
