Solo-speare! : Shakespearean Monologues for Student Actors William Shakespeare,2003 *Shakespeare Scenes* Kim

Gilbert,2020-04-08 I have compiled and edited this collection of Shakespearean monologues for young female actors to study as well as enjoy These scenes are suitable for a range of acting exams and awards as well as for auditions and festivals I have tried and tested these scenes on numerous students over the years with great success and more importantly they have thoroughly enjoyed working on them I believe it is crucial to choose characters within ones playing range so this collection contains only characters suitable for young teenage actors to play The monologues in this collection are taken from a range of comic and tragic plays A Midsummer Night s Dream The Tempest Twelfth Night The Two Gentlemen of Verona The Merchant of Venice Romeo Juliet Hamlet Cymbeline Macbeth Henry VI and King Lear There is a biography on Shakespeare some notes about his writing style and a short synopsis of each play Each scene has an introduction that is suitable for use in exam or festival work and the scenes are also timed with this in mind I hope you enjoy this collection *Shakespeare Scenes*

William Shakespeare,2020-04-29 I have compiled and edited this collection of Shakespearean monologue scenes for young male actors to study as well as enjoy These scenes are suitable for a range of acting exams and awards as well as for auditions and festivals I have tried and tested these scenes on numerous students over the years with great success and more importantly they have thoroughly enjoyed working on them I believe it is crucial to choose characters within ones playing range This collection contains only suitable characters for young actors to play The older Shakespearean male characters have been omitted The monologues in this collection are taken from a range of comic and tragic plays Romeo Juliet Henry IV Henry V Henry VI Hamlet Macbeth King John Much Ado About Nothing The Two Gentlemen of Verona The Merchant of Venice Twelfth Night As You Like It and A Midsummer Night s Dream There is a biography on Shakespeare some notes about his writing style and a short synopsis of each play Each piece has a useable introduction is timed with exam and festival work in mind I hope you enjoy this collection **Shakespeare Scenes** William Shakespeare,Kim Gilbert,2020-04-10 I have

personally compiled and edited this collection of 33 Shakespearean scenes specifically for aspiring female actors to study as well as enjoy The scenes within this book are most suited to older teenage actors who have already begun to acquire some of the technical skills necessary to perform Shakespeare s wonderfully drawn young adult female characters These scenes are suitable for a range of acting exams and awards as well as for auditions and festivals I have tried and tested these scenes with numerous students over the years with great success and more importantly they have thoroughly enjoyed working on them I have not provided guidelines as to how to perform these scenes This is something for the individual performer to explore and what is what will make your performance individual However I do strongly believe it is crucial to play characters within ones playing range As a developing actor in your late teens and beyond now is the time to tackle the more demanding

female characters which Shakespeare has so brilliantly created Continue to build your vocal skills and acting technique systematically In this way your performances will have the necessary depth and will be exciting to watch Learn to discover your character's subtext and objectives This will enable your characters to spring to life and hence help your audience believe in you Methodical preparation will pay dividends when exploring these fascinating characters I hope you enjoy working on them

Mastering Shakespeare Scott Kaiser, 2012-01-12 Who says only the British can act Shakespeare In this unique guide a veteran acting coach shatters that myth with a boldly American approach to the Bard Written in the form of a play this volume's characters include a master teacher and 16 students grappling with the challenges of acting Shakespeare Using actual speeches from 32 of Shakespeare's plays each of the book's six scenes offer proven solutions to such acting problems as delivering spoken subtext using physical actions to orchestrate a speech creating images within a speech dividing a speech into measures and much more

Guide to the Literature of Shakespeare in the Library [St. Louis Public]. Marie O. Watkins, 1916

Shakespeare, Race and Performance Delia Jarrett-Macauley, 2016-08-05 What does it mean to study Shakespeare within a multicultural society And who has the power to transform Shakespeare The Diverse Bard explores how Shakespeare has been adapted by artists born on the margins of the Empire and how actors of Asian and African Caribbean origin are being cast by white mainstream directors It examines how notions of race define the contemporary British experience including the demands of traditional theatre and it looks at both the playtexts themselves and contemporary productions Editor Delia Jarrett Macauley assembles a stunning collection of classic texts and new scholarship by leading critics and practitioners to provide the first comprehensive critical and practical analysis of this field

Weaving the Text: The Lived Experience of High School Student Actors in Shakespeare's Hamlet, and What It Means to Their Teacher Jim Carpenter, Jim Carpenter's 1994 dissertation Weaving the Text looks at his production of Hamlet from the previous year Weaving the Text is the principal surviving document of his decades of collaboration and dialogue with his theatre students It draws on pedagogical hermeneutic phenomenological textual and acting theory but its focus is on the real life experience of students and teacher

Othello (Second International Student Edition) (Norton Critical Editions) William Shakespeare, 2017 I wanted an edition of Othello that had the necessary footnotes background material and a good selection of recent critical articles that would be accessible to students and would spark class discussions This was it Deborah Montuori Shippensburg University This Norton Critical Edition includes The First Folio text 1623 An introduction explanatory footnotes note on the text and textual notes by Edward Pechter Fifteen illustrations Giraldi Cinthio's sixteenth century story in its entirety which Shakespeare used for both the plot and many details of Othello A generous selection of interpretive responses to Othello from its origins to the present day including new to the Second Edition those by Stanley Cavell and Lois Potter Edward Pechter's popular theatrical and critical overview of Othello has been significantly expanded An updated Selected Bibliography
