whatever it takes to bring Joseph safely to European shores There he ll join Empress Vashti s elite band of Scentinel spies provided he survives his training with his sanity intact and learns how to suppress his pheromones at will And falling in love with the man she must ultimately betray was never part of Liliana s plan Originally published 2011 by Red Sage Publishing Contains graphic language and scenes more suited to adult readers **Undying Love** Angeless Watkins-Gallar,2024-06-14

Angeless began his journey in a small town in Wiltshire after his parents needed to move for his father s work It was there that he spent his formative years navigating the challenges of dyslexia which rather than serving as a hindrance fuelled his vivid imagination allowing him to find solace in looking beyond the written words enabled him to delve into the intricacies of characters feeling their emotions and immersing in their stories Despite the hurdles posed by dyslexia in expressing himself through writing Angeless discovered alternative outlets such as art to convey his thoughts and emotions This creative exploration laid the foundation for a unique perspective that would later shape his approach to storytelling After two decades in the fast paced realm of Information Technology it was a pivotal moment in 2019 that prompted a significant shift in his mindset Seeking a deeper connection with others and inspired by a desire to contribute positively to mental health he embarked on a journey of self discovery and education Studying Mental Health and Wellbeing courses became a transformative experience leading him to attain qualifications in Mental Health and counselling The realisation that his life skills and newfound knowledge could help to help others prompted the decision to further his training as a humanistic life coach Armed with a combination of personal experiences and professional training Angeless soon made a meaningful impact on the lives of those seeking guidance However this marked the start of a new chapter in his life Angeless delved into the world of fairy tales found himself compelled to explore the hidden depths beyond the surface narrative The result is his debut work *Whispers of the Enchanted Dark* The Dark Secrets of Fairy Tales a venture into the mystical and often overlooked aspects of these timeless stories And now fully embracing his dyslexia rather than it serving him as a hinderance it has allowed him to write and continue to write and to form characters with a deep and meaningful passion *F.O.R.B.U.S*

Daniel Shawley,2021-12-08 Kass is truly on the brink of madness now she can feel it taking control She screams as loud as she possibly can What do you want from me Something touches her ankle and she shrieks and pulls her leg away She looks down or at least what she feels is down She sees her feet dangling in the black nothingness and that rush of vertigo hits her once again She can t see anything except her own extremities She is touched again this time on her right arm Again she can see nothing She feels hot breath on her nape Her nostrils are infiltrated with that pungent odor of dead rotting meat It is the smell of the thing that visited her in that small bedroom in the cabin in the woods She whirls around nothing is there Kass begins to cry out from all the fright that engulfs all her senses The light above her winks out Total blackness befalls her The darkness breathes in and it breathes out **Creativity Matters : Kasidi vs AI 01-25** Tri Budhi Sastrio,2025-05-17 Besides the Introductions which are written in three languages i e Indonesian Javanese and English this book is actually common and

usual like any other books Nothing new in this book except there is an attempt to compare a human being made poem with a poem composed by AIPG and FVPG The comparison made is also simple because there is no depth analysis just compare and give the rest to the reader It is no question that AI can compose a rhyming poem or a free verse in a blink of our eyes Very fast and without any typo and any grammatical error Just give the key word or even key words to the AI and the poem is emerged Who can challenge or contest this super ability this amazing achievement No one right Even Kasidi the most stubborn critic raised his two hands and admit that now and in the future there is no one like an AI to compose a poem Not give up yet but it is a confession that AI is better stronger faster and cleverer than human being to make the job of composing a poem done in a blink of AI AI is better and faster than human being says Kasidi almost in whisper **The House of Sable: The Blackwoods' Legacy** Higdon Donell Armstrong V,2025-01-06 In a world where power is bound by dark magic and loyalty is tested by ancient secrets the Blackwood family stands at the center of it all Feared as a dynasty of both brilliance and destruction their name is synonymous with mystery magic and betrayal The Blackwoods have built their empire on forbidden spells ancient rituals and their mastery of the criminal underworld But their carefully guarded legacy is threatened when an ancient prophecy the Rebirth resurfaces warning of a darkness that could unravel their family and destroy everything they ve built As the family confronts their history the shadows of their ancestors and the sinister magical entity they once created known as The Raven alliances begin to fracture secrets come to light and betrayal lurks behind every corner Each member must decide how far they re willing to go to protect their bloodline and themselves The House of Sable The Blackwoods Legacy is a dark fantasy thriller filled with family intrigue forbidden magic and a chilling reminder that even the most powerful legacies come with a cost Will the Blackwoods rise to face their destiny or will the darkness they ve relied upon consume them
