Scent Of Eucalyptus A Missionary Childhood In Ethiopia:

The Scent of Eucalyptus Daniel Coleman, 2003 The fair haired child of Canadian missionary parents Daniel Coleman grew up with an ambivalent relationship to the country of his birth He was clearly different from his Ethiopian playmates but because he was born in Ethiopia and knew no other home he was not completely foreign Like the eucalyptus a tree imported to Ethiopia from Australia in the late 19th century to solve a firewood shortage he and his missionary family were naturalized transplants As ferencie they endlessly negotiated between the culture they brought with them and the culture in which they lived In The Scent of Eucalyptus Coleman reflects on his experience of in between ness amid Ethiopia s violent political upheavals His intelligent and finely crafted memoir begins in the early 1960s during the reign of Haile Selassie It spans the king s dramatic fall from power in 1974 the devastating famines of the mid 1970s and early 1980s and Mengistu Haile Mariam s brutal 20 year dictatorship Through memoir and reflection The Scent of Eucalyptus gives a richly textured view of missionary culture that doesn t yield to black and white analysis

Growing up with God and Empire Stephanie Vandrick, 2018-12-07 This book analyzes the memoirs of 42 missionary kids the children of North American Protestant missionaries in countries all over the world during the 20th century Using a postcolonial lens the book explores ways in which the missionary enterprise was part of or intersected with the Western colonial enterprise and ways in which a colonial mindset is unconsciously manifested in these memoirs The book explores how the memoirists sites and experiences are exoticized the missionary kids likelihood of learning or not learning local languages the missionary families treatment of servants and other local people and gender race and social class aspects of the missionary kids experiences Like other Third Culture Kids the memoirists are migrants travelers border crossers and border dwellers who alternate between insider and outsider statuses and their words shed light on the effects of movement and travel on children s lives and development

The Public Intellectual and the Culture of Hope Joel Faflak, Jason Haslam, 2013-01-01 *The Public Intellectual and the Culture of Hope* reflects on the challenging and often vexed work of intellectualism within the public sphere by exploring how cultural materials frame intellectual debates within the clear and ever present gaze of the public writ large

And Still Plays the Abyssinian Damsel on her Dulcimer Alexander Raju, 2015 And Still Plays the Abyssinian Damsel on Her Dulcimer is a novel based on Ethiopian history and legends The story has thirteen chapters representing the thirteen months in the Ethiopian calendar The narrator a professor at an Ethiopian University flies from Mumbai to Addis Ababa and then to his destination He is haunted by the Abyssinian damsel whom the English poet Samuel Taylor Coleridge saw in a dream and described in his poem *Kubla Khan* The Abyssinian damsel tells the story of Ethiopia from prehistoric to modern times revealing herself as one who visited King Solomon together with the Queen of Sheba The Rift Valley of Ethiopia where three million year old human fossils have been discovered is considered the birthplace of *Homo sapiens* A myriad of legends like the Serpent Kings and Queen Gudit intertwine with Ethiopia s history Reviewing the novel Barbara Biehler wrote A fine
