Schirmer Classic Choruses Trumpet I II:

A Conductor's Guide to Choral-orchestral Works, Classical Period: Haydn and Mozart Jonathan D. Green, 2002 A Conductor's Guide to the Choral Orchestral Works of the Classical Period Part I Haydn and Mozart is the fourth volume in Jonathan Green's innovative study of the vast body of choral orchestral repertoire A treasure trove for conductors of choir and orchestras in this volume all of the masses oratorios cantatas litanies vespers and minor sacred works of Haydn and Mozart are carefully examined For each work the author has compiled the text source duration date of composition date and place of premiere location of manuscript materials commercially available editions a selected discography a bibliography and a brief history of the work Most importantly the performance concerns for the choir orchestra and soloists of each work are evaluated and described This will prove to be an invaluable programming aid for conductors and a touchstone for anyone embarking on research into this music Orchestral "Pops" Music Lucy Manning, 2013-10-10 In this second edition of *Orchestral Pops Music A Handbook* Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music Since the appearance of the first edition in 2008 this work has proven critical to successful pops concert programming With changes in publishers and agents the discontinuation of the publication of certain original material or worst of all presses going out of business music directors orchestra conductors and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire This revised handbook alleviates the time consuming task of researching these changes by offering a list of works for orchestral pops concerts that is comprehensive informative and current Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style instrumentation and availability of the repertoire listed as well as notes on its performance The user friendly appendices include expanded instrumentation choices easy to find durations and handy title cross references In addition to corrections and updates this new edition of *Orchestral Pops Music* includes at least 1 000 new title listings *Orchestral Pops Music A Handbook* is the ideal tool for working conductors and orchestral librarians as well as music program directors at colleges conservatories and orchestras Choral-Orchestral Repertoire Jonathan D. Green, David W. Oertel, 2019-12-05 *Choral Orchestral Repertoire A Conductor's Guide Omnibus Edition* offers an expansive compilation of choral orchestral works from 1600 to the present Synthesizing Jonathan D Green's earlier six volumes on this repertoire this edition updates and adds to the over 750 oratorios cantatas choral symphonies masses secular works for large and small ensembles and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations Each entry includes a brief biographical sketch of the composer approximate duration text sources performing forces available editions and locations of manuscript materials as well as descriptive commentary a discography and a bibliography Unique to this edition are practitioner's evaluations of the performance issues presented in each score These include the range tessitura and nature of each solo role and a determination of the difficulty of the choral

and orchestral portions of each composition There is also a description of the specific challenges staffing and rehearsal expectations related to the performance of each work Choral Orchestral Repertoire is an essential resource for conductors and students of conducting as they search for repertoire appropriate to their needs and the abilities of their ensembles
