Scholarly Editing David C. Greetham, 1995 Written by acknowledged experts in literary studies this collection of twenty five essays surveys the history of scholarly editing describes the major research in a variety of disciplines summarizes the resources available to scholars and analyzes the issues currently facing textual editions The book begins with a survey of scholarly editing following by four essays on the long tradition of editing the Bible and Greek and Latin classics The next cluster of essays proceeds through the major periods of British and American literature from medieval to modern further subdividing the Renaissance and the nineteenth century by genre and including a chapter devoted to Shakespeare Additional essays cover other European literatures French Old French and early modern Italian medieval Spanish German and Russian The concluding essays discuss representative non European literatures Arabic and Sanskrit and the nonliterary editing of folk literature in various languages Each chapter includes a history of scholarly editing in the field a citation of exemplary editions and an introduction to a recommended list of further readings This collection will be of considerable interest to both those who are new to scholarly editing and those who have experience editing texts in one period or literature and would like to learn about the practices in other fields *The Art of Academic Editing: A Guide for Authors and Editors* Cara M.

Jordan, Leslie Castro-Woodhouse, 2024-01-01 Whether you re approaching academic editing as an author or an editor this book will demystify the key stages in the editorial process The Art of Academic Editing is the first full length guide to the different types of editorial services and when they happen in the life cycle of a scholarly text It will facilitate more effective collaboration between authors and editors as the field of academic editing expands The book covers Developmental editing Book coaching Working with international authors Working with graduate students Line editing Copyediting Indexing Proofreading The eight contributing authors experts in their fields explain the nuts and bolts of their editing practice using real life models sharing their tips and advice for both scholarly writers and editors The book is written in an engaging nontechnical style to make it easier for all readers regardless of their background or editing experience to understand the academic editor s methods skills and training With a glossary of common terms and an online resource guide this is the essential handbook both for scholarly editors and the authors working with them Co edited by Cara M Jordan and Leslie Castro Woodhouse The Art of Academic Editing s contributing authors also include Nancy Burkhalter Cameron Duder Pamela Haag Caroline Malloy Tess C Rankin Elizabeth H Stern and Maria Snyder **Book History** Ezra Greenspan, Jonathan Rose, 2001-01-08 Book History is the annual journal of the Society for the History of Authorship Reading and Publishing Inc SHARP Book History is devoted to every aspect of the history of the book broadly defined as the history of the creation dissemination and the reception of script and print Book History publishes research on the social economic and cultural history of authorship editing printing the book arts publishing the book trade periodicals newspapers ephemera copyright censorship literary agents libraries literary criticism canon formation literacy literacy education reading habits and reader

response *Companion to the History of the Book* Simon Eliot, Jonathan Rose, 2019-08-08 The celebrated text on the history of the book completely revised updated and expanded The revised and updated edition of *The Companion to the History of the Book* offers a global survey of the book's history through print and electronic text Already well established as a standard survey of the historiography of the book this new expanded edition draws on a decade of advanced scholarship to present current research on paper printing binding scientific publishing the history of maps music and print the profession of authorship and lexicography The text explores the many approaches to the book from the early clay tablets of Sumer Assyria and Babylonia to today's burgeoning electronic devices The expert contributions delve into such fascinating topics as archives and paperwork and present new chapters on Arabic script the Slavic Canadian African and Australasian book new textual technologies and much more Containing a wealth of illustrative examples and case studies to dramatize the exciting history of the book the text is designed for academics students and anyone interested in the subject **Old English**

Literature John D. Niles, 2016-02-18 This review of the critical reception of Old English literature from 1900 to the present moves beyond a focus on individual literary texts so as to survey the different schools methods and assumptions that have shaped the discipline Examines the notable works and authors from the period including Beowulf the Venerable Bede heroic poems and devotional literature Reinforces key perspectives with excerpts from ten critical studies Addresses questions of medieval literacy textuality and orality as well as style gender genre and theme Embraces the interdisciplinary nature of the field with reference to historical studies religious studies anthropology art history and more *A History of the Book in America* David Paul Nord, Joan Shelley Rubin, Michael Schudson, 2015-12-01 The fifth volume of *A History of the Book in America* addresses the economic social and cultural shifts affecting print culture from World War II to the present During this period factors such as the expansion of government the growth of higher education the climate of the Cold War globalization and the development of multimedia and digital technologies influenced the patterns of consolidation and diversification established earlier The thirty three contributors to the volume explore the evolution of the publishing industry and the business of bookselling The histories of government publishing law and policy the periodical press literary criticism and reading in settings such as schools libraries book clubs self help programs and collectors societies receive imaginative scrutiny as well The *Enduring Book* demonstrates that the corporate consolidations of the last half century have left space for the independent publisher that multiplicity continues to define American print culture and that even in the digital age the book endures Contributors David Abrahamson Northwestern University James L Baughman University of Wisconsin Madison Kenneth Cmiel d 2006 James Danky University of Wisconsin Madison Robert DeMaria Jr Vassar College Donald A Downs University of Wisconsin Madison Robert W Frase d 2003 Paul C Gutjahr Indiana University David D Hall Harvard Divinity School John B Hench American Antiquarian Society Patrick Henry New York City College of Technology Dan Lacy d 2001 Marshall Leaffer Indiana University Bruce Lewenstein Cornell University Elizabeth Long Rice University Beth Luey Arizona
