Pasquale De Marco

School Choice How To Select The Best Schools For Your Children:

School Choice Harlow G. Unger, 1999 Provides a program to help families assess schools and their children's education covering topics such as school vouchers accreditation and the academic curriculum **The School Choice Roadmap** Andrew Campanella, 2020-01-21 WINNER OF THE 2020 FOREWORD INDIES GOLD AWARD IN EDUCATION WINNER OF THE SILVER IPPY AWARD FOR BEST EDUCATIONAL RESOURCES You want your children to benefit from a great education But every student is unique One type of school might be a great fit for your neighbor's child but it might not work for your son or daughter Across the country many parents today have more choices for their children's education than ever before If you are starting the process of finding your child's first school or if you want to choose a new learning environment The School Choice Roadmap is for you This first of its kind book offers a practical jargon free overview of school choice policies from public school open enrollment to private school scholarships and more It breaks down the similarities and differences between traditional public schools public charter schools public magnet schools online public schools private schools and homeschooling Most importantly The School Choice Roadmap offers a seven step process that will help you harness the power of your own intuition and your own expertise about your child's uniqueness to help you find a school that reflects your family's goals values and priorities Filled with sage advice from dozens of other parents who have pursued the school search process and interviews with school leaders and teachers The School Choice Roadmap is an optimistic empowering book that cuts through the confusion in K 12 education so that you can give your children every opportunity to succeed in school and in life **Choosing the Best School for Your Child: A Practical Guide for Parents** Pasquale De Marco, 2025-05-03 Choosing the best school for your child is one of the most important decisions you will make as a parent It's a decision that will impact their academic social and emotional development for years to come This comprehensive guide provides you with the information and guidance you need to make an informed decision about your child's education Written by Pasquale De Marco a nationally recognized school choice expert and parent of school age children this book covers everything from understanding different school types to evaluating school quality to supporting your child's education Inside you'll find practical advice on Identifying your child's unique learning needs Researching and comparing schools Visiting schools and talking to current parents and students Evaluating school curriculum teachers and culture Making informed decisions based on your child's individual needs Supporting your child's education at home and school Transitioning to a new school Monitoring your child's progress and advocating for their needs Planning for your child's future education Whether you're a first time parent or you're simply looking for ways to improve your child's educational experience this book is an essential resource With its clear and concise guidance you'll be able to choose the best school for your child and set them on the path to success About the Author Pasquale De Marco is a nationally recognized school choice expert and parent of school age children He has advised leaders from the school house to the White House on education policy and reform He is the author of

several books on education including *Choosing the Best School for Your Child A Practical Guide for Parents* If you like this book write a review on google books

Picky Parent Guide : Choose Your Child's School with Confidence Bryan C. Hassel, Emily Ayscue Hassel, 2004 A comprehensive manual and reference guide for choosing the best elementary school for your child to attend

A Guide to Choosing Your Children's Schools Winifred Chinwendu Nweke, 2014-09-25 A Guide to Choosing Your Children's Schools Charter County or City school Where you buy a home may take these choices out of your hands The book challenges parents to use readily available information in print and on the internet regarding school academic history location resources curriculum and extra curricular offerings to plan ahead It encourages parents to make deliberate choices that would position their children in the neighborhoods that would place them in the best schools The second part of the book argues for and illustrates why parents should closely monitor their children's experiences from pre school through high school even in the best of schools The book concludes with suggestions on various ways parents can forge effective partnerships with the school teacher to facilitate a successful experience for their children ward

School Choice in China Wu Xiaoxin, 2013-10-15 School Choice in China explores the major characteristics of schooling options in China highlighting how largely middle class parents exploit their cultural economic and social capital for their children's admission into choice schools It highlights how payments such as choice fees donations prize winning certificates and awards as well as the use of guanxi result in Chinese school choice as a parent driven bottom up movement The author also explores how schools and local governments cash in on the school choice fever in order to obtain significant economic returns leading to policies that accommodate the needs of mostly middle class families He argues that although this system seems to create winners among the parties involved it exacerbates the educational inequality that already exists in Chinese society Chapters include Positional competition for cultural capital Exploitation of social capital Economics of school choice Class reproduction through parental choice This book is not simply a detailed analysis of Chinese school choice practices but also a study of the competitive middle class search for advantage for their children As such it will be beneficial to undergraduates postgraduates education professionals policy makers and anyone with an interest in education sociology social policy and the rise and future of China

How to Choose the Perfect School Mary Lang, 2005 A self help book for parents about school choice What 21st Century parents need to know about K 12 education

Getting Started, 1992 Outcomes of a series of meetings held in 1990 by the Office of Educational Research and Improvement OERI Roundtable on Public School Choice are summarized in this document's six chapters Chapter 1 discusses the components including motivations vision formation leadership the design process and the types of choice available involved in creating distinctive schools Chapter 2 presents strategies for information gathering and outreach efforts Student assignment policies and procedures are described in the third chapter with attention to equity concerns Chapter 4 offers ideas for developing a safe efficient and fair transportation system Strategies for financing choice programs which include keeping plans within funding limits maintaining equity and

designing funding as an incentive are highlighted in the fifth chapter Chapter 6 describes specific benefits and new roles associated with school choice Recommendations are offered in the final section which concludes that choice offers an opportunity for systemic change Appendices include information about the OERI Roundtable on Public School Choice the Roundtable choice programs OERI publications on choice selected recent publications on choice selected sources of information acknowledgments and a choice program implementation checklist for communities LMI
