causes the whole universe to collapse With the protective layer of The Goodrum Screen down Madman Roth escapes from the Netherworld free to wreak havoc Several Exiles are caught in Space Time Traps where they witness The Crack in the Universe and watch as evil sloth like creatures from the sub and supra spaces emerge In this new Universe Jesse saves the day by reversing time to stop some of the dissolution by using his slide rule to calculate space and time thus arriving at another outcome but not before the famous Wichita Vortex is created Eventually The Triumphant Victory battle for Mars takes place in the capital City of Isfenfearth and the Exiles accomplish their goal with the help of a celestial event sending Madman Roth and his minions packing In the course of the adventures there are instances of themes that deal with the environment a handicap greed rejection prejudice the value of imagination plus creativity heartwarming family values and morals and a rich camaraderie in the style of the Marx Brothers humor with a real sense of the innocence of the past The power of imagination and creativity and their importance is illustrated by our hero possessing the seemingly magical quality of a dreamer and thus sometimes a creator But one of the main lessons here is to be brave and hold tightly to your dreams especially in times when the whole world seems to have gone bad So with a little humor a little history and a lot of entertainment The Streetcar to Andromeda is a fresh original approach to storytelling that can give young adults a perception in imagination and creativity that they can build upon Sometimes looking back can show us the way forward
