Wheels of the Law and the Indianization of South East Asia Robert L. Brown, 2023-12-28 This volume deals with a unique group of stone sculptures representations of the Buddha s Wheel of the Law found in present day Thailand that date from about the seventh eighth centuries CE The book places these sculptures in their historical religious and art historical contexts to determine what they meant to the culture called Dv ravat that produced them Thus other art historical material associated with the Wheels including stone deer Buddha images and stupas are discussed Of greatest importance is how these sculptures relate to both the art in Cambodia and that in India and to determine what these relationships can tell us about the process called Indianization by which Indian culture religion and art were adapted in Southeast Asia
