Egyptianizing Figurines from Delos Caitlín Barrett,2011-09-20 This book investigates Hellenistic popular religion through an interdisciplinary study of terracotta figurines of Egyptian deities mostly from domestic contexts from the trading port of Delos A comparison of the figurines iconography to parallels in Egyptian religious texts temple reliefs and ritual objects suggests that many figurines depict deities or rituals associated with Egyptian festivals An analysis of the objects clay fabrics and manufacturing techniques indicates that most were made on Delos Additionally archival research on unpublished notes from early excavations reveals new data on many figurines archaeological contexts illuminating their roles in both domestic and temple cults The results offer a new perspective on Hellenistic reinterpretations of Egyptian religion as well as the relationship between popular and official cults

Women and Religion in the Ancient Near East and Asia Nicole Maria Brisch,Fumi Karahashi,2023-04-03 The recent years have seen an upswing in studies of

women in the ancient Near East and related areas This volume which is the result of a Danish Japanese collaboration seeks to highlight women as actors within the sphere of the religious In ancient Mesopotamia and other ancient civilizations religious beliefs and practices permeated all aspects of society and for this reason it is not possible to completely dissociate religion from politics economy or literature Thus the goal is to shift the perspective by highlighting the different ways in which the agency of women can be traced in the historical and archaeological record This perspectival shift can be seen in studies of elite women who actively contributed to religious gift giving or participated in temple economies or through showing the limits of elite women s agency in relation to diplomatic marriages Additionally several contributions examine the roles of women as religious officials and the language worship or invocation of goddesses This volume does not aim at completeness but seeks to highlight points for further research and new perspectives
