Sea Of Zanj:

The Human Record: To 1700 Alfred J. Andrea, James H. Overfield, 2001 Unlike some other world history texts that center on the West The Human Record provides balanced coverage of the global past The book features both written and artifactual sources that are placed in their full historical contexts through introductory essays footnotes and focus questions The text sheds light on the experiences of women and non elite groups while maintaining overall balance and a focus on the major patterns of global historical developments through the ages

A History of World Societies, Combined Volume John P. McKay, Bennett D. Hill, John Buckler, Patricia Buckley Ebrey, Roger B. Beck, Clare Haru Crowston, Merry E. Wiesner-Hanks, 2011-10-05 A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it The book s regional and comparative approach helps students understand the connections of global history while providing a manageable organization With global connections and comparisons documents features and activities that teach historical analysis

Sea of Zanj Roumelia Lane, 1969 Early Maritime Cultures in East Africa and the Western Indian Ocean Akshay Sarathi, 2018-11-30 This volume represents a multi disciplinary effort to examine East Africa and the Western Indian Ocean Multiple lines of evidence drawn from linguistics archaeology history art history and ethnography come together in novel ways to highlight different aspects of the region s past and offer innovative avenues for future research

Fortunes of Africa Martin Meredith, 2014-09-11 In this vast and vivid panorama of history Martin Meredith bestselling author of The State of Africa follows the fortunes of Africa over a period of 5 000 years With compelling narrative he traces the rise and fall of ancient kingdoms and empires the spread of Christianity and Islam the enduring quest for gold and other riches the exploits of explorers and missionaries and the impact of European colonisation He examines too the fate of modern African states and concludes with a glimpse into their future This is history on an epic scale

Wonders of Creation and the Singularities of Painting Stefano Carboni, 2020-03-31 A beautifully illustrated study of Al Qazwini s 14th century illustrated Arabic copy of a cosmographic encyclopedia entitled The Wonders of Creation and the Oddities of Existing Things and the first ever translations of the text into English

Return of the Crazy Bird Clara Pinto-Correia, 2006-04-18 Using the history of the concept of extinction with the dodo as a case study Pinto Correia carefully weaves together story fragments to give a cohesive eye opening view of 17th century exploration and the grave ramifications it had for the survival and extinction of many species More importantly she shows us the intellectual underpinnings of the old view that it was acceptable for some animals to die out Within this narrative we can see what the modern view of the dodo tells us about the history of our changing understanding and valuation of nature and our place in it Strong writing powered by lively historical anecdotes and sober insights into human behavior makes this beautifully illustrated book a page turner to the end

The Fortunes of Africa Martin

Meredith,2014-10-14 A sweeping history the fortune seekers adventurers despots and thieves who have ruthlessly endeavored to extract gold diamonds and other treasures from Africa and its people Africa has been coveted for its rich natural resources ever since the era of the Pharaohs In past centuries it was the lure of gold ivory and slaves that drew merchant adventurers and conquerors from afar In modern times the focus of attention is on oil diamonds and other rare earth minerals In this vast and vivid panorama of history Martin Meredith follows the fortunes of Africa over a period of 5 000 years With compelling narrative he traces the rise and fall of ancient kingdoms and empires the spread of Christianity and Islam the enduring quest for gold and other riches the exploits of explorers and missionaries and the impact of European colonization He examines too the fate of modern African states and concludes with a glimpse of their future His cast of characters includes religious leaders mining magnates warlords dictators and many other legendary figures among them Mansa Musa ruler of the medieval Mali empire said to be the richest man the world has ever known *Elephant Destiny* Martin Meredith,2009-04-27 For thousands of years the majestic elephant has roamed the African continent as beloved by man as it has been preyed upon But centuries of exploitation and ivory hunting have taken their toll now as wars and poachers continue to ravage its habitat as disease and political strife deflect attention from its plight the African elephant faces imminent extinction What will become of these magnificent beasts As the elephant s future looms ever darker Martin Meredith s concise and richly illustrated biography traces the elephant s history from the first ivory expeditions of the Egyptian pharaohs 2500 years ago to today exploring along the way the indelible imprint the African elephant has made in art literature culture and society He shares recent extraordinary discoveries about the elephant s sophisticated family and community structure and reveals the remarkable ways in which elephants show compassion and loyalty to each other Elegant illuminating and urgent *Elephant Destiny* offers a beautiful and important tribute to one of earth s most magisterial creatures at the very moment it threatens to vanish from being [Study of the Arabic Texts Containing Material on South-East Asia](#) Tibbetts,1979-12 [History of Africa](#) Kevin Shillington,2018-08-28 This fourth edition of this best selling core history textbook offers a richly illustrated single volume narrative introduction to African history from a hugely respected authority in the field The market leading range of illustrated material from prior editions is now further improved featuring not only additional and redrawn maps and a refreshed selection of photographs but the addition of full colour to make these even more instructive evocative and attractive Already hugely popular on introductory African History courses the book has been widely praised for its engaging and readable style and is unrivalled in scope both geographically and chronologically while many competitors limit themselves to certain regions or eras Shillington chronicles the entire continent from prehistory right up to the present day For this new edition both content and layout have been thoroughly refreshed and restructured to make this wealth of material easily navigable and even more appealing to students unfamiliar with the subject New to this Edition Now in full colour with fresh new design Part structure and part intros added to help navigation New and improved online
