Kelly, Sean Penn had barely hit our movie screens before he was hailed as the best actor of his generation. Then his tumultuous first marriage to Madonna turned his life into pulp fiction even landing him in jail. This biography examines his life and times      **Celebrity Biographies - The Amazing Life Of Sean Penn - Famous Actors** Matt Green, Ever wondered how Sean Penn rose to stardom? A little but he imitates his favorite actor Marlon Brando. The same rebel like his idol had in life and on a screen. He has a quarter of Russian and a quarter of Lithuanian on his father's side and he has Italian Irish blood in his veins on his mother's side. This mechanism probably contributed his stormy temperament which is shown in the workplace and everyday life. There are three whales of a celebrity Sean Penn such as stormy personal life in 80s and 90s, emotional expression of political views and irresistible manner of acting. For more interesting facts you must read his biography. Grab your biography book now      [Sean Penn](#) Richard Kelly, 2004 Sean Penn has always demanded public attention whether he wished it or not. Long considered the finest American screen actor of his generation, he has never courted Hollywood's approval or wasted a minute being anything but his own man. This title draws on hours of interviews both with Penn and his closest friends, family and colleagues.

*Madonna* J. Randy Taraborrelli, 2001-09-27 Madonna: Megastar, Lover, Mother, Opportunist, Chameleon, Role model. She's all of these things and more. Yet who is she really? In *Madonna: An Intimate Biography*, author J. Randy Taraborrelli's scrupulously researched and completely balanced unauthorized biography of one of the world's most celebrated entertainers, the reader is allowed to draw his or her own conclusions. Indeed, the portrait bestselling author Taraborrelli paints here is of a truly complex woman, one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart. It is significant that *Madonna: An Intimate Biography* is the first such book written about the star in over a decade because in the past ten years the ever-changing Madonna has gone through her biggest transformation yet: from tempestuous sex goddess to happily married mother. Amazingly, as she launches her first worldwide tour in eight years, she is now at forty-something, enjoying one of the most successful periods of her groundbreaking career. Whereas other books about Madonna have been based on previously published material, *Madonna: An Intimate Biography* is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time, including close friends, business associates and even family members. Since Taraborrelli interviewed the star herself early in her career, he is now able to draw from such firsthand experiences to place her success story in perspective and provide new, stunning insights. The true Madonna as presented here is not merely a sensation-seeking tabloid vixen but a flesh-and-blood woman.

with human foibles and weaknesses as well as great strengths and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two never wed how she and John Kennedy Jr became romantically involved his mother's reaction to the prospect of Madonna as a daughter in law and why it could never have worked out the truth of her relationships with the fathers of her two children and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for her Madonna An Intimate Biography is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and public career New York Times bestselling author J Randy Taraborrelli's latest work reveals Madonna in a new and surprisingly inspiring way Not only a feast for fans this book is great entertainment for anyone who enjoys a remarkable story stirring told
