**Mishima, Aesthetic Terrorist** Andrew Rankin, 2018-09-30 Half a century after his shocking samurai style suicide Yukio Mishima 1925 1970 remains a deeply controversial figure Though his writings and life story continue to fascinate readers around the world Mishima has often been scorned by scholars who view him as a frivolous figure whose work expresses little more than his own morbid personality In *Mishima Aesthetic Terrorist* Andrew Rankin sets out to challenge this perception by

demonstrating the intelligence and seriousness of Mishima's work and thought. Each chapter of the book examines one of the central ideas that Mishima develops in his writings: life as art, beauty as evil, culture as myth, eroticism as transgression, the artist as tragic hero, narcissism as the death drive. Along with fresh readings of major works of fiction such as *The Temple of the Golden Pavilion* and *Patriotism*, the book introduces less familiar works in different genres. Special prominence is given to Mishima's essays, which contain some of his most brilliant writing. Mishima is concerned with such problems as the loss of certainties and absolute values that characterizes modernity and the decline of strong identities in a world of increasing uniformity and globalization. In his cultural criticism, Mishima makes an impassioned defense of free speech and he rails against all forms of authoritarianism and censorship. Rankin reads Mishima's artistic project up to and including his spectacular death as a single sustained lyric, an aggressive piece of performance art unfolding in multiple media. For all his rebellious energies, Mishima's work is suffused with a sense of ending: the end of art, the end of eroticism, the end of culture, the end of the world, and it is governed by a decadent aestheticism which holds that beautiful things radiate their most intense beauty on the cusp of their destruction. Erudite and authoritative yet written in clear, accessible prose, *Mishima: Aesthetic Terrorist* is essential reading for all those who seek a deeper understanding of this radical and provocative figure.

**On the Bullet Train with Emily Brontë** Judith Pascoe, 2019-01-23 While teaching in Japan, Judith Pascoe was fascinated to discover the popularity that Emily Brontë's novel *Wuthering Heights* has enjoyed there. Nearly 100 years after its first formal introduction to the country, the novel continues to engage the imaginations of Japanese novelists, filmmakers, manga artists, and others, resulting in numerous translations, adaptations, and dramatizations. *On the Bullet Train with Emily Brontë* is Pascoe's lively account of her quest to discover the reasons for the continuous Japanese embrace of *Wuthering Heights*, including quite varied and surprising adaptations of the novel. At the same time, the book chronicles Pascoe's experience as an adult student of Japanese. She contemplates the multiple Japanese translations of Brontë as contrasted to the single or non-existent English translations of major Japanese writers. Carrying out a close reading of a distant country's *Wuthering Heights*, Pascoe begins to see American literary culture as a small island on which readers are isolated from foreign literature. In this and in her previous book *The Sarah Siddons Audio Files*, Pascoe's engaging narrative innovates a new scholarly form involving immersive research practice to attempt a cross-cultural version of reader response criticism. *On the Bullet Train with Emily Brontë* will appeal to scholars in the fields of 19th-century British literature, adaptation studies, and Japanese literary history.

**Shifting the Ground of Canadian Literary Studies** Smaro Kamboureli, Robert Zacharias, 2013-01-15 *Shifting the Ground of Canadian Literary Studies* is a collection of interdisciplinary essays that examine the various contexts—political, social, and cultural—that have shaped the study of Canadian literature and the role it plays in our understanding of the Canadian nation-state. The essays are tied together as instances of critical practices that reveal the relations and exchanges that take place between the categories of the literary and the nation, as well as between

the disciplinary sites of critical discourses and the porous boundaries of their methods They are concerned with the material effects of the imperial and colonial logics that have fashioned Canada as well as with the paradoxes ironies and contortions that abound in the general perception that Canada has progressed beyond its colonial construction Smaro Kamboureli's introduction demonstrates that these essays engage with the larger realm of human and social practices throne speeches book clubs policies of accommodation of cultural and religious differences Indigenous thought about justice and ethics to show that literary and critical work is inextricably related to the Canadian polity in light of transnational and global forces
