Monroe, 1997-09-18 Kelly Monroe presents forty two compelling testimonies from faculty members former students and orators at Harvard University whose reflections explode the myth that Christian faith cannot survive a rigorous intellectual environment Yale Under God , The End of Biblical Studies Hector Avalos, 2010-08-05 In this radical critique of his own academic specialty biblical scholar Hector Avalos urges his colleagues to concentrate on educating the broader society to recognize the irrelevance and even violent effects of the Bible in modern life **The Secret Gospel of Mark Unveiled** Peter Jeffery, 2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript a second century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel of Mark When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since Is the text authentic or a hoax Is Smith s interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript s text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith s Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde s Salome twentieth century misunderstandings of early Christian liturgy and Smith s personal struggles with Christian sexual morality Harvard's Classics Collection: Complete 71 Volumes Johann

**Spirit-empowered Christianity in the Twenty-first Century** Vinson

Synan, 2011 What does a revision of the Charismatic Pentecostal Spirit-empowered movement look like in the coming years of this millennium? The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well. If any generation ceases to accentuate this emphasis, the movement likely will forfeit the right to be recognized as such. When the Pentecostal message is preached, published, and proclaimed through triumphant song, an atmosphere is sustained for people to experience anew and again the reality of salvation, holiness, charismata, wholeness, and hope. Such a revival will be biblically based, rationally sound, traditionally accurate, and experientially real. Spirit-empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa, OK, in April 2010. These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century. For example, one portion covers the topic of the 21st-century renewal, while another discusses how we can protect our Charismatic distinctives. Another portion will highlight Charismatic adaptations for reaching this present age, discussing issues of social and economic justice, prosperity, and suffering, challenges to urban ministry, the future of the next generation, Oneness Pentecostalism, and missiological aims in North America.

*Science and the Search for God* Gary A. Kowalski, 2003 Harvard-educated theologian Gary Kowalski argues that many of the ills of the modern world, from the rise of fundamentalist intolerance to secular society's endless and empty search for thrills, stem from the mistaken view that science and faith are antagonists rather than natural allies. Both science and faith, the author suggests, compel us now to move beyond materialism toward an understanding of the world that includes the realities of consciousness and spirit. In the twenty-first century, human beings have less reason than before to feel they hold a privileged or special position in the cosmos but more cause than ever to feel connected and akin to all that is. Christians and Jews, skeptics and seekers alike will find that this brief, persuasively written volume sheds new light on the old questions: Who are we? Where do we figure in the larger scheme of things? And what can we honestly believe?

**God's Country** Samuel Goldman, 2018-02-02 The United States is Israel's closest ally in the world. The fact is undeniable and undeniably controversial, not least because it so often inspires conspiracy theorizing among those who refuse to believe that the special relationship serves America's strategic interests or places the United States on the right side of Israel's enduring conflict with the Palestinians. Some point to the nefarious influence of a powerful Israel lobby within the halls of Congress. Others detect the hand of evangelical Protestants who fervently support Israel for their own theological reasons. The underlying assumption of all such accounts is that America's support for Israel must flow from a mixture of collusion, manipulation, and ideologically driven foolishness. Samuel Goldman proposes another explanation.

The political culture of the United States he argues has been marked from the very beginning by a Christian theology that views the American nation as deeply implicated in the historical fate of biblical Israel God's Country is the first book to tell the complete story of Christian Zionism in American political and religious thought from the Puritans to 9/11 It identifies three sources of American Christian support for a Jewish state covenant or the idea of an ongoing relationship between God and the Jewish people prophecy or biblical predictions of return to The Promised Land and cultural affinity based on shared values and similar institutions Combining original research with insights from the work of historians of American religion Goldman crafts a provocative narrative that chronicles Americans attachment to the State of Israel Marriage Made in Eden Alice P. Mathews, M. Gay Hubbard, 2010-08-01 Why Does Marriage Today Seem To Be Such a Far Cry From Paradise Let's face it Our culture's version of marriage is not as God designed it to be With a lot more emphasis on individualism and consumerism today's married couples tend to lose sight of God's original purpose for marriage a call for his people to take Jesus message to the heart of everyday life Marriage Made in Eden provides a radical alternative to today's view of marriage giving a glimpse into the historical and cultural aspects that have shaped marriage in America With this insightful analysis you'll learn how marriage has come to be in the state we now find it and about God's model and purpose for a sacred Christian union **Telling the Truth** D. A. Carson, 2009-09-01 A pre-modern baseball umpire would have said something like this There's balls and there's strikes and I call 'em as they are The modernist would have said There's balls and there's strikes and I call 'em as I see 'em And the postmodernist umpire would say They ain't nothing until I call 'em With that humorous quote Ravi Zacharias illustrates the challenge postmodernism poses to Christians passionate about evangelism How do you communicate truth to a world that isn't sure what truth is or even if truth is How do you commend spiritual absolutes to people who insist there are none If you've puzzled even struggled over such questions the book you hold in your hands is required reading Telling the Truth provides informed insights on the heart of the Gospel the soul of postmodern culture and their complex interface This book is a compilation of thoughts and strategies from twenty-nine prominent practitioners of contemporary evangelism Originating at a three-day conference held at Trinity Evangelical Divinity School Telling the Truth draws on knowledge gained in the trenches by Ravi Zacharias Kelly Monroe D.
