What the heck is a prickly pear Webster defines it as a spiny pear shaped edible fruit that grows on the Opuntia cacti found in dry arid climates So what correlation does a prickly pear have with us Well it's been said that the world is our oyster and we are the pearls it produces However in this book we will discover that the world is our cactus and we are the prickly pear people it produces As prickly pear people we've learned to love conditionally where love must be earned and deserved to gain it and performance is required to maintain and keep it That is NOT true of God's love Therefore this book provides a powerful resource to learn to love beyond what we've been taught Within its pages the attributes of true unconditional love are defined in vivid detail to explore what it is and how it acts There is also the opportunity to reexamine the common beliefs about love and discover the stark contrast between God's love and the way the world loves that has been promoted through the media music opinions influences of our peers and those in our Christian circles This is a contemplative life changing journey that is sure to inspire us to think speak and act differently than the world around us in the way we love one another If you're ready to find true love in this prickly pear world your search for a love worth finding begins here **The Pursuit of God's Own Heart** John E. Leon, 2018-06-19 Only one man in the Old Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13:22 Why Why would God give David such a characterization Wasn't he also a man of failure Of contradictions After all today he would provide headlines for scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who has such a heart after God What does that character look like This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch

in Israel's history But we will also discover something greater As we travel with David we will soon realize there is a larger story unfolding through David's story It's God's metanarrative His Story We will find there is a deeper message from God that transcends David's life The key that unlocks such a message is given to us long before David is born and spoken by God For those who honor me I will honor and those who despise me shall be lightly esteemed 1 Sam 2:30 As we begin to understand the meaning of this truth we will then learn why God gave David such a description Therefore it is through the lens of David's life we learn the meaning and purpose of the Christian life Why Because God did not intend such a divine inscription for David only but one which our heavenly Father desires to write on your heart and mine as we pursue to know him

Looking for God Alexys V. Wolf, 2009-11 Discerning the difference between religion and spirituality provides uncertainty for even the most devoted believer For a newborn Christian or non believer being tossed into the sea of confusion when it comes to the mysteries of God and the fleshy church can be daunting enough to have anyone run the other way Maybe you are confused by different religions or find hypocrisy in the church Maybe you find your relationship with God leaves you feeling bored and lifeless or the hype surrounding the church does not meet your needs Whatever your reason for lacking a personal relationship with God you can still learn the tools to strengthen build and mend a spiritual union with your Creator While many straddle the fence between religion and spirituality author Alexys V Wolf hopes to guide you in your transition from rigid religion to spiritual intimacy with God Learn to walk in divine light and authority grow the courage to live a fulfilled life of peace and understanding without judgment and develop patience and wisdom with your fellow believers By creating a private bond with God you will hunger for the Word and never again get lost in the mundane

world of man made religion By learning to die to the flesh and accept God s powerful association in your life you will no longer be lost at the crossroads of religion rather you will develop a friendship like none other with the Father and radiate a light that will shine for others Challenge yourself now to Look for God **Help Me! I'M a Religious Wreck and You Can Find Me in the Desert** Tamara K. Kent,2011-02-25 Everyday countless numbers of believers experience crisis that tests their faith Once thrust into the storm the sifting begins and we must make a choice to stand on truth To complicate the matter we may respond in sin and continue in error by pointing the blame on others After our faith falters through a trial we may abandon it and suffer the stigma of what the Apostle Paul called a shipwrecked faith Not understanding why this happens to loyal believers who once felt so close to God we turn away from our faith Like spiritual nomads we leave the congregation fleeing for refuge in a desert of our own making What we may not comprehend or appreciate is that Gods grace sustains us during our season of separation This book helps the reader to regain stability during a stretch in the desert and see it as an opportunity for refining and redefining our faith Alternatively faith failure occurs when a believer naively misplaces faith to truth in a system of religious works or persons and suffers when they do not uphold the teachings of Jesus When we walk from false religious teachings associates label us as failures and reject us Broken hearted and disillusioned by our situation we give up our religion and turn our back on everything we once believed in We may spend years hiding in the desert making little progress in our faith until we realize that we are spiritually thirsty We long for Gods love and wish someone would help us find the way to restore our faith Our cry is like the title of this book Help Me Im a Religious Wreck and You Can Find Me in the Desert and here it is with care placed into your hands from one who understands the cry "A Godly Man? Who Can Find One?"
